The Feeling in Business Circles —Meeting of Bankers—Amount of Grain in Chicago.

CHICAGO, 23.—In Chicago to-day there is a very perceptible feeling of relief from the oppressive effect of the New York excitement the last few days. The scarcity of currency, owing to causes that are very manifest, is the only depressing influence now felt in business circles, and if the letting up continues in New York even this will soon be obviated. Our bankers are in excellent spirits. The past day has been quiet at all banks, and public confidence seems to be fully re-established. Deposits at savings institutions to-day have very considerably exceeded the applications for deposits.

A meeting of the Bank Presidents of this city was held last evening, at the Gardiner House, when they resolved to stand by each other in case of need.

Our elevators contain 1,019,201 bushels of wheat, 5,323,857 of corn, 885,832 of oats, 117,933 of rye, and 415,976 of barley. There were 7,597,669 bushels a week ago, and 5,984,588 bushels for the corresponding month of last year.

The Pestilence Spreading

LOUISVILLE, Ky., 28.—There were twenty deaths at Shreveport yesterday. The disease is spreading in the suburbs and attacking acclimated persons, and the blacks, who have been generally exempt. Superintendent Lhomedien reports that the disease is becoming nearly as alarming as the pestilence.

Numerous Bank Failures.

RICHMOND, Va., 23.—The People's Bank, First National, Merchants' National Bank and Planters' and Merchants' Bank, all of Petersburg, Va., suspended this morning. The Citizen's bank has declined payment. Other failures are reported.

Tobacco Sellers, Read This.

WASHINGTON, 23.—The Commissioner of Internal Revenue holds that the liability to pay taxes by a dealer in leaf tobacco does not attach to the act of purchasing. Any person may purchase leaf tobacco at a sheriff's sale, or directly of a farmer or any other person without incurring any liability to pay the special tax before. It is selling leaf tobacco that creates such liability.

Mills Burned.

PHILADELPHIA, 25.—The cotton and woolen mills of Kelly & McKenzie were destroyed by fire this morning.

Crispins Victorious.

N.Y., 23. The Crispins' strike ended in victory for the workmen, the employers acceding to their demand for an increase of wages.

A Baby Farmer Arrested.

A startling case of baby farming has just been discovered, the principal being Mrs. Ellen Roberts, of 212 East 38 St. A neighbor testified that no less than 30 children of tender age had died in Mrs. Roberts' house in five months. She was arrested to-day.

Failure of Clewes & Co.

To-day opened with quite a favorable feeling, and it seemed as if Wall Street had almost resumed its usual appearance. There was also a growing feeling of steadiness among the city banks, both up and down town, with the exception of a run on the Union Dime Savings Bank, and a slight run on the Bowery Bank, and the excitement had almost ceased, and the street was beginning to feel assured that the end of the panic had been reached, when the painful rumor was started at 3:10 p.m., that Henry Clewes & Co. had suspended payment. This rumor was soon verified and large crowds collected before their banking house. An immense run had continued on their house during the last few days, but no suspension had been necessary, and the demands had been all promptly met until this p.m.

The immediate cause of the suspension was the refusal of the 4th National Bank to clear the checks of A. Clewes & Co. They paid $130,000 in legal tenders over their counters. They have now in the 4th National Bank securities to the amount of $300,000, against which they have drawn $308,000. They say that an arrangement will be effected for an early resumption, as they have abundant securities in their possession. The failure causes much excitement on the street. This failure was followed by many evil reports from the west, including rumors of bank failures at Pittsburg and Chicago. Reports were also received that some western exchanges had closed and that western shippers are holding back grain. Some New York houses have telegraphed west to stop sending grain in consequence of the difficulty of obtaining money to honor sight drafts. At the close of business the stock market was excited over Clewes' suspension. No headway was made in restoring confidence up to 1 p.m., when a relapse again set in.

Rules Adopted by Savings Banks.

Most of the savings banks have made a rule that from 30 to 60 days, notice must be given before the withdrawal of deposits.

Investigations—Lawsuit to Recover Securities.

The board of Trustees of the National Trust Company met today. The report of the committee was read, and shows their liabilities to be $4,292,029.53. An early resumption is expected.

The investigating committee of the Union Trust Company have not yet completed their report. A petition was filed by the depositors with the clerk in bankruptcy, of the U. S. district court, to-day, to have the company declared in voluntary bankrupt. Vice-President Schell, however, denies the institution as going into bankruptcy.

P. L. Boyne & Co., of 54 Wall Street, have brought a suit against Bank of the Commonwealth to recover $400,000 worth of securities for a small loan, which they offered to return, but were told they could not have them, as they had been disposed of.

The First National Bank has issued a statement, showing its assets at $638,905.89, which fully cover the extent of the liabilities.

Excitement at Banks.

BROOKLYN, 23.—There was quite a rush at the old Brooklyn Savings Bank. The officers took no advantage of their right to demand thirty days' notice, but paid all who presented themselves. At the South Brooklyn Savings Bank there was considerable excitement this morning. Over 200 persons gathered at the doors of the bank, the majority of whom could not be persuaded that their money was much safer in the bank than out. A great number of men were much annoyed because they could not get a chance to deposit their money. The Long Island Savings Bank availed itself of its right to take thirty days' time before paying depositors, and prevented a run.

Before the Grand Jury.

Rodman was before the grand jury to-day, when he said he would make a full statement, no matter who was implicated. His statement has not been made public.

WESTERN.

Found Drowned.

SAN FRANCISCO, 23.—The body of a drowned man was found at Hunter's Point, by an Italian fisherman, this morning, and taken to the Morgue. In the pockets of the clothing was found a certificate of discharge to William Conn, a seaman on the steamer *Idaho*, dated at San Francisco, March 9, 1873; also several letters dated at Trent College, Wilford, Nottingham, England, addressed, "My Dear William," and signed, "Your loving wife, Annie Conn." There was also a Clay Street Savings Bank pass book, showing a balance of $253.27, to the credit of Jonathan Ruddle. The first entry is dated February 13, 1867. The pockets contained a knife and pipe, but no money. Nothing is known of the circumstances of his death, but one eye is very black, as if he had been struck a severe blow, and there are three scalp wounds on the forehead, which might have been made by the rocks on which he was found.

At a meeting of the board of fire underwriters, held this afternoon, the resignation of fire commissioner John C. Merrill was received and accepted, and Charles B. Storey was appointed to fill the vacancy.

New Line of Steamers.

It is stated that the new line of steamers between this port and Guaymas, La Paz, and Colorado River, will be inaugurated on or about the 5th of October, the steamer *Montana* running alternate with the *Newburn*, making trips every twenty days.

Was Lost and is Found.

Henry McCrea, of San Rafael, reported missing for several days, has turned up in Santa Barbara.

Will Try to Get Her Off.

To-day four steamers, the *Pacific*, *Sol. Thomas*, *Senator* and *Gypsey*, went down to the wreck of the *Costa Rica*, to make preparations for an attempt to extricate the vessel from her rocky bed. All of the cargo has been removed, and preparations are being made to get her off.

The British gunboat *Tenedos* arrived this evening from Victoria. She received a salute from the Alcatraz and Angel Island batteries.

Mining Intelligence.

The yield of the Buckeye mine last week was about $2,200. The Caledonia mine has sent down $4,500, the proceeds of two bars of bullion. The last weekly clean up at the Eureka mines was $1,375 ounces of gold amalgamated.

Kindness to the Erring.

Mary Callahan, the young lady who was yesterday found guilty of petty larceny, in stealing a fifty-dollar gold note from her mistress, was to-day fined twenty dollars by Judge Louderback. A benevolent lady paid the fine and has procured a home for the unfortunate girl, who expresses a desire to reform.

Two Miles Deep.

The U. S. steamer *Tuscarora*, in sounding in the Pacific, thirty miles from the Farallones, found a depth of over two miles.

CANADA.

Five Million R. R. Loan.

OTTAWA, Ont., 21.—The Government has received advices by cable, stating that Mr. Tilley has been successful, and has placed on the London market a five per cent. loan of £2,000,000 sterling for the intercolonial railway. The bids amounted to £4,000,000 sterling, at an average premium of four and a half per cent., the interest to begin on the first of October.

FOREIGN.

FRANCE.

Celebrity Dead.

PARIS, 23.—Jean Jaques Coste, the celebrated French naturalist, is dead.

Royal Manifesto Probable.

The publication of a manifesto, prepared by the Count De Chamborde, is said to be imminent, declaring his right to the sovereignty, and calling for the support of the people.

ITALY.

Delighted.

ROME, 23.—The press are delighted with the reception accorded to King Victor Emanuel at Vienna and Berlin, and express their satisfaction at the cordial relation sustained by Italy towards both Germany and Austria.

GREAT BRITAIN.

Liberated—Terrible Explosion.

LONDON, 23.—Colonel Stewart, owner of the British steam yacht *Deerhound*, has telegraphed from San Sebastian, to a friend in this city, that his vessel and her crew have been released by the Spanish authorities, and that he will at once take command of the *Deerhound*.

A dispatch from Gibraltar says that a terrible explosion occurred on the steamer *Brooklyn*, when she was 100 miles from that place. Four persons were instantly killed and many scalded. It is feared that many of the injured will die.

The Shah Disgusted.

A dispatch from Hothrall says that the Shah on arriving there expressed his disgust at the plot which had been concocted in his absence to overthrow his Grand Vizier.

The remains of Donald Dalrymple, late Member of Parliament for Bath, have been taken to Norwich for interment. It is said that he never recovered from the fatigue caused by his journey to America.

The Money Market.

The market for securities held steady, with a better feeling, due to advices received from New York.

The new French loan is quoted at 7¼ per cent., premium bid. The rate of discount in open market for three months bills 2 13-16 per cent. below the bank.

SPAIN.

"Deerhound" Released.

MADRID, 23.—The English yacht *Deerhound* has been released by order of the government.

New Captain-General for Cuba.

Gen. Cavellar has been appointed Captain General of Cuba, vice Pieltan recalled.

PORTUGAL.

Cable Reached Madeira.

LISBON, 23.—The Brazilian cable expedition has reached Madeira, and the shore end of the line connecting that island with Portugal was successfully laid yesterday.

It is said that during the Shah's visit to England the Duchess of Sutherland prevailed upon him to promise that he would depart from his practice of making it a capital offence for a Persian to embrace Christianity.
