The fans of Ogden and Salt Lake were treated to a genuine baseball feast with silt trimmings yesterday morning and afternoon. Eight thousand visitors at Saltair was the record yesterday, and out of this number it is estimated that 4,000 took baths. Deputy sheriffs attended to the minors and prevented them from getting anything intoxicating to drink, and the crowd was otherwise very orderly.

At Lagoon they had the new naptha launch, mandolin clubs out on the lake and a prize drawing as special attrac-tions and a big crowd of people went out to see and hear them. As at Salt-air, the best order prevailed, and everybody had an enjoyable holiday. Fireworks at Calder's Park drew 2,500 people to that resort last night. An imitation of an eruption of Mt.
