The two piano which are to be given away to the ward, church, society or individual disposing of the most tickets, have been received and are on exhibition in one of the local furniture store windows.

**HOME FROM EUROPEAN TOUR.**  
 OGDEN, April 29.—Dr. and Mrs. Ezra C. Rich have returned to Ogden from a five-months' tour of Europe. They were with Mr. and Mrs. Patrick Healy of Ogden, for the greater part of the trip, which included many of the principal cities in Europe. Mr. and Mrs. Healy expect to return to New York, about May 8, and will spend a week on the road home.

**VIADUCT NEARLY COMPLETED.**  
 OGDEN, April 29.—The big twenty-fourth street viaduct has been turned over to Assistant Engineer A. Q. Campbell of the Harriman system by contractor E. H. Dundas, who has completed his share of the work. Two or three of the steel girders will remain over them for a few days finishing up a number of little odd jobs. The guard rails, stairways and stands for the five arc lights have been installed and the entire structure given its final coat of black paint. Engineer Campbell has a large force of men working upon the big bridge covering the floor on the eastern portion with asphalt which will prevent the water from dripping through on to the passenger coaches during stormy weather. The viaduct will be turned over to the city council within 10 days.

**RIVERS ON RAMPAGE.**  
 OGDEN, April 29.—The rainwater of the past two days has caused the Ogden and Weber rivers to rise very rapidly and to such an extent that the railroad companies which have bridges over them have as a matter of precaution received several train loads of rock which will be used to protect the abutments of the various bridges. The residents in the city in the river district are beginning to protect their

property by numerous dykes. In some districts considerable damage has already been done by the floods destroying the gardens. The city takes immediate action in the event the damage in some of the districts will be great.

**ADULTERERS ARE DIVORCED.**  
 OGDEN, April 29.—Judge J. A. Howell of the district court has granted a decree of divorce to Anna Ahlgren from John Ahlgren upon the ground of non-support. The couple were married in Sweden, in 1890, and have two children, of whom the plaintiff was given the custody.

**CONTEMPT CHARGED.**  
 OGDEN, April 29.—In the district court in the case of Rosina Mole against J. C. Bowman, Thomas Lee, Julia Kennedy and Frank E. Lloyd, the plaintiff has filed an affidavit asking that Thomas Lee be brought into court upon the charge of contempt. The affidavit alleges that Lee cut the wire of a security fence on the property of the plaintiff, making it impossible for her to control her stock. The offense was alleged to have been committed April 26 and 27.

**LOST BOY WAS A RUNAWAY.**  
 OGDEN, April 29.—LeRoy Ford, the 8-year-old boy who started out to see the world and who was subsequently taken into custody by the local police, was returned to his home on the Wednesday afternoon train. As soon as able, Mrs. Engstrom will continue to her home in Twin Falls, Idaho.

**DEAD MAN UNIDENTIFIED.**  
 OGDEN, April 29.—All efforts on the part of the officers and undertaker to find the remains of the unknown man in the Lindquist undertaking parlors, who died at the county jail four nights ago, are to no avail. It is very probable that the body will be interred in the plot of unknowns in the city cemetery, as it seems impossible to ascertain any information concerning the identity of the man.

 The Ogden City Civic Improvement

league will hold a special meeting at the Weber club this evening at 8 o'clock when a number of questions for the making of a more beautiful Ogden will be considered.

How a Salt Lake City Citizen Found Complete Freedom from Kidney Troubles.

If you suffer from backache—From urinary disorders—From any disease of the kidneys, Doan's Kidney Pills make lasting cures.

Salt Lake City people testify. Here's one case of it: "I suffer from kidney trouble, and I cannot speak too highly of Doan's Kidney Pills, as they proved of great benefit to me. For a long time I suffered from a deranged condition of my kidneys. Seeing Doan's Kidney Pills so highly recommended I procured a box at the F. J. Hill Drug Co. They regulated the action of my kidneys, and all annoying symptoms arising from a disordered condition of these organs." (From statement given July 10, 1908.)

**TRIED TO STAY CURED.**  
 On Sept. 17, 1907, Mr. Searle confirmed the above statement, saying: "What I said concerning Doan's Kidney Pills in my previous statement was true. I cannot at this time praise them too highly. The cure they affected proved permanent, and I can conscientiously recommend this remedy to others."
