It seems almost incredible believe this is the desire of any axions that a same man would otter such a copt a very few evil-disposed per seatiment. To tell the Supreme sons who have nothing in New Ruler of the universe to stand saids

NATIONAL DECAY.

A FRW days ago a lecture was in-Father Burchard, on the corrections in our national politics, and the Jesuit gentleman hit the a till fairly on the head when he tracid from the cause from the politicians to the fairly of the cause from the politicians to the fairly of the cause from the politicians to the fairly of the cause from the politicians to the fairly of the cause from the politicians to the fairly of the cause from the politicians to the fairly of the cause from the politicians to the fairly of the cause from the politicians to the fairly of the cause from the politicians to the fairly of the cause from the politicians to the fairly of the cause from the politicians to the fairly of the cause from the politicians to the fairly of the cause from the politicians to the fairly of the cause from the ca

That politicians with tremands is trusted in their hands are not to trusted at all, everyone concectes. Where are the people in their boasted majesty? What has becore of their majesty of power, of right and the grandest majesty of considered? For the past quarter of the second in the grandest majesty of considered? For the past quarter of the second in the grandest majesty of considered in the dust, inviolated the grandest in the constitution violated, time-honored layer trampted in the dust, inviolated the grandest in the constitution of the mighty empires which itions? Yes, and approving them. Great and good map a thrust saids to give way to the grandest the world of old; and it alignes in the legitimate everywhere. Election are carried by fraud and initionally tion, and bayonets har the way it is constitutional privileges; it halls of Congress made four wild language that would disgrace the language that wou language that would disgrace the lowest haunts of deprayity; the interests of the poor tampered with and turned to the advantage of new moneyed arthousay; collect files for the beneath of party, and the money of the people squandered. The money of the people squandered they shall raise, and raily for the money of the people squandered and meekly tolerated these thing. Talk not of the majesty, boast not of the kenor, breathe not a word of the kenor, breathe not a word of the kenor, breathe not a word of the conscience and lofty principle of such a people. You may the people are misguided; but the have chosen their guides. The people will return to the true path, you say? We have waited long enough, and that prophecy have enough, and that prophecy have convered principle and conscience. The remedy is not in God's religion. Has given any place in American influence upon them? Do no

with the lecturer upon the question that naturally arises in reading GEORGE Q. CANNON affairs, which is advocated and instant upon by the political and upon by the p featured by the spirit of the times, is one of the primal causes of the people's indifference to the personal character of their chosen represen-
