NO COUNTY MONEY FOR ENCAMPMENT

Weber May Appropriate for G. A. R. Visitors Who May Come To Ogden Only.

EIGHT MORE COUPLES WED.

Passenger Loses Mind at Union Depot—Ballantyne Recital Tonight At Tabernacle.

OGDEN, June 17.—The county commissioners of Weber are averse to appropriating money to help pay for the entertainment of the Grand Army visitors at Salt Lake, but may appropriate means to entertain those who may visit Ogden. This decision was reached after some correspondence between Joseph Geoghegan, head of the Salt Lake finance committee, and chairman Madison of the Weber county board. Following is the concluding letter from Mr. Geoghegan:

"Salt Lake City, Utah, June 14, 1909.
"Mr. Oscar B. Madison, Dear Sir: Your favor of the 8th instant received, in which you advise me if any appropriation will be made it will be for the purpose of entertaining the Grand Army of the Republic at Ogden. I regret, of course, the rather narrow spirit which is displayed by your board in the matter and will therefore ask you to disregard any request for funds from Weber county to take care of the Grand Army. I think Salt Lake will be able to do that without assistance, especially in view of the spirit displayed. Yours respectfully, (Signed) "JOSEPH GEOGHEGAN."

MARRIAGE LICENSES.

OGDEN, June 17.—Marriage licenses have been issued to the following couples at the office of the county clerk: Richard W. Thomas and Mrs. Allie Williams, both of Rock Springs; Ora F. Austin and Olive Andrews, both of Ogden; James R. Taylor and Minnie Perkins, both of Fairview; William H. Clammet and Nellie Smith, both of Ogden; John McCulla of Eureka and Zelma White of Springville; Jesse L. Moore and Winnifred Goddard, both of Ogden; Peter G. Tesch and Rita Denkers, both of Ogden; James Foster of Blackfoot, Ida., and Lizzie Smith of Morgan, Utah.

PASSENGER LOSES MIND.

OGDEN, June 17.—A venerable and unknown lady passenger created much excitement at the Union depot yesterday when her mind became unbalanced by the high altitude. She started to run away from her daughter and an attendant at the Union depot and put up a lively chase in which Depot Master Shields and Passenger Director Gutke were the star performers. Shortly after arriving from the east the woman was changing to a Salt Lake train with her daughter. Without uttering a word the woman left the depot and started to run across the numerous sidetracks toward the Weber river. The depot officials immediately gave chase and as they were closing in on the pursued she turned on them with a club. She was quickly disarmed and placed on the train with her daughter in charge of railroad men, and will be placed in charge of friends in Salt Lake City.

THEATRICAL CHANGES.

OGDEN, June 17.—The Orpheum Theatre company, which has taken a lease on the Grand Opera House and will turn it into a vaudeville house, now has gangs of workmen employed both night and day. The new company is desirous of having the house completed by the middle of July for its grand opening by the Italian company. On July 1, E. W. Houghton, the architect for John Cort, will arrive in Ogden and will begin work upon the remodeling of the theatre. The theatre will be used for the attractions of the Northwestern Theatrical circuit and the Klaw & Erlanger bookings. The water will be made about 75 feet longer, a new stage and two galleries will be built.

OGDEN, June 17.—The latest word from Mr. Kisel is that his condition is much improved this morning after a good night.

INVESTIGATION CONTINUED.

OGDEN, June 17.—The industrial school investigation committee met this morning and postponed further hearing until Friday, to enable both sides to obtain attorneys. The hearing will be had at the school.

MINERS' ANNUAL DAY IN MERCUR CAMP

(Special Correspondence.)

MERCUR, June 16.—The local miners made merry with procession, music, sports, speech-making and dancing on Monday, June 14, the day set apart as the annual holiday of the miners. Many visitors from Sunnyside, Ophir, Clover Creek, St. Johns, Center and Topik were here. Every effort was made to make the day the greatest of all like occasions in the history of Mercur, one of the oldest camps in Utah. As a usual thing, many of the local mine and mill men go to Salt Lake City, but this time almost everyone remained at home and participated in the events of the day, which satisfied everybody.

WILL CELEBRATE THE FOURTH.

MERCUR, June 16.—The following committees were appointed at the special meeting called by Mayor Franklin Jones at the city hall to arrange for the celebration of the Fourth of July: Finance—J. W. Kemp, James Quirk, Milton Reynolds, Gus Johnson, J. W. Barrett, B. Accompo, Joseph Stevens, W. H. Deltz, Fred Rogers, D. M. King; general committee—Mayor Franklin Jones, Gus Johnson, Richard Daniels, R. L. Ball, A. S. Dykman, Parley Bryan, W. E. Andrews, James Quirk.

HELD FOR TRIAL.

MERCUR, June 17.—Frank Serrino, who ran a miner's candle into Tony Frontier, had his preliminary hearing and in default of \$1,000 bonds, was remanded to the county jail at Tooele, to await a hearing in the district court.

MERCUR BRIEFS.

Two tons of oats ordered from Salt Lake City, by Walter Johnson, for feed cost him \$127.60 laid in the bin.

The fire at Philip Oates' house June 15 did no damage to speak of. A lighted candle left on an oilcloth-covered kitchen table, during the absence of the family, caused the conflagration.

Homer Vincent, the victim of the mine accident at the Golden Gate, is improving fast and will be at work next week.

The Pythian sisters elected the following officers at their last meeting: M. E. C. Thiel Sallis; E. S. May Reese; E. J. Ellis McFarland, manager; Edith Baker, M. of R.; Sadie Kenner, M. of F.; Nellie Johnson; protector, Libbie Whimpey; guard, Tena Kemp; past chief, Wina Underwood.

LESLIE GEORGE OF KANOSH TAKEN TO HOSPITAL.

(Special Correspondence.)

KANOSH, Millard Co., June 14.—Last Wednesday Dr. Middleton and a trained nurse took Leslie George to the Groves L. D. S. Hospital at Salt Lake City, where on Thursday an operation was performed removing an abscess from the liver. His wife is quarantined at home with four little children, having bad cases of whoopingcough.

KANOSH BRIEFS.

Christensen and Kimball, are rounding up about 1,100 head of cattle for the market.

Mr. Frank Paxton is working about 7,000 head of sheep through the mountains to the railroad on the Sevier to ship them east, one herd stampeded and piled up from 300 to 500 head, dead in a ravine.

Our first crop of lucern is very inferior, owing to blight. The orchard here is looking all right, but the grain crop is looking excellent.

HARVEST CONDITIONS IN UTAH'S DIXIE

(Special Correspondence.)

ST. GEORGE, Washington Co., June 14.—The harvest of grain in Dixie has commenced. The crop bids fair to be fairly good. The first cutting of alfalfa was unusually light, but the next one will be much heavier. New potatoes and peas are on the tables of the people here; strawberries are about gone; currants, apricots and apples are ripening.

BIG VOTE AGAINST CAPITOL.

ST. GEORGE, June 14.—The county commissioners canvassed the votes in the special election for a state capitol today. The results showed 44 votes cast in favor of the levy, and 310 votes against the levy; a majority of 226 against the proposition. The extremely heavy local tax for St. George this year to install the water system, help to explain the result in this city.

ST. GEORGE BRIEFS.

The quarterly conference of St. George Stake convened in the stake tabernacle here on Saturday and Sunday, June 12 and 13. Elder George F. Richards of the quorum of the council of twelve was present. While in this vicinity he will also visit several of the settlements in the eastern part of the state.

The annual stock sales have been in progress during the past week, several thousand steers have been sold from this county and the Arizona strip north of the Colorado. The prices are fully up to the average, perhaps above.

People are connecting up with the water system now.

Work on the electric light plant continues; it is hoped to have the lights available this autumn.

The ice plant is making ice in quantity this hot weather. It is a great luxury here in this warm climate, but the demand for it is not so great as expected.

There is some agitation on the matter of a creamery in this city. If it can be made profitable to the promoters, there is no doubt that a creamery would be a boon to the people of this county.

UTAH COUNTY TAKES AM. FORK TOLL ROAD

Will Expend \$1,500 in Improving the Road This Season for Benefit of Mining Traffic.

(Special Correspondence.)

PROVO, June 17.—At the meeting of the county commissioners yesterday, Abel J. Evans, J. H. Wootton, Robert Anderson, Don C. Strong and others appeared and asked the county to take over the American Fork canyon toll road as the company having the franchise could not afford to keep the road in repairs. There is also an indebtedness against the company of about \$500, which the county was willing to turn over to the county, and rather urged that it be accepted along with the road. The committee pointed out the great revenue that was being received from mining and other industries in the canyon, and expressed the opinion that it would be the right thing for the county to take the road and keep it up. The commissioners finally decided that the county would take the road, but not the indebtedness of the company. It was further decided to expend about \$1,500 in improving the road this season.

UTAH COUNTY MEDICOS.

PROVO, June 17.—The Utah County Medical society held an interesting meeting yesterday. The question of garbage slaughterhouses, etc., was discussed and a committee was appointed to draft a bill for an ordinance to regulate dairies and slaughterhouses in Provo City, which will be presented to the city council.

THESE WILL WED.

PROVO, June 17.—The following couples have taken out marriage licenses: George Stephens of Mant and Margaret Williams of Milford; Leland Warburton of Pleasant Grove and Edna Kruse of American Fork; F. H. Hazel, M. D., of Salt Lake, and Elsie Jensen of Provo; C. W. Love, Jr., and Flora Newell, both of Provo.

PROHIBITION MEETING.

PROVO, June 17.—The Woman's Prohibition club held a session at the home of Mrs. Joseph B. Keeler Tuesday evening. Mrs. Plummer of Salt Lake gave some interesting and appropriate readings and a fine musical program was rendered. The speakers were Miss Alice L. Reynolds and Rev. J. Challen Smith, who both spoke encouragingly of the prohibition work and encouraged earnest work in the cause.

RECLAMATION PROJECT.

PROVO, June 17.—The promoters of big reservoirs at the head of Provo river, where the waters of a large number of lakes is to be impounded during the winter and spring, and let down to the valleys below through Provo river during the irrigation season, have conferred with the state land board with a view of obtaining the assistance of the board for the project. They believe they will be successful in obtaining about \$100,000 for the scheme. It is expected the water obtained will irrigate 10,000 acres of land in this and Provo valleys.

GARDEN CITY NOTES.

Mrs. Lettie Strong Brown, who has been seriously ill for some time is recovering.

Trains are running through Provo canyon again, the damage to the track from overflow of the river having been repaired.

The Provo band will give free open air concerts every Thursday evening during the summer, at the intersection of Center street and Academy avenue.

SALT LAKE MUSICIANS GIVEN OVATION IN OREGON

(Special Correspondence.)

LA GRANDE, Or., June 14.—The Union stake conference was held here Saturday and Sunday. The attendance was good. The visitors from Salt Lake were Elders Anthony W. Ivins and Seymour B. Young.

The concert in the beautiful stake tabernacle Saturday night attracted a large and appreciative audience. Both the La Grande Star and Observer devote much space to a flattering write-up of the splendid musical treat given by the local chorus of 100 voices, and the visiting musicians from Salt Lake City. The Star says:

"Nothing need be said of the rendition of the separate numbers of the program, except that Prof. E. P. Kimball at the pipe organ proved himself the artist he is reputed to be, and the Misses Mabel Barnes and Rene Kelly, vocal soloists, were recalled again and again as long as they had the kindness to respond. If perhaps as charming a number as any was Miss Barnes' singing of 'Ben Bol' in a way to bring out all its tender pathos. The local choir also won the approval of its chorus singing and especially in the closing number, 'The Star-Spangled Banner,' with organ accompaniment and the waving of flags."

DIST. COURT AT RICHFIELD.

W. A. LIPSEY ACQUITTED.

(Special Correspondence.)

RICHFIELD, June 16.—In the district court in the case of State of Utah vs. W. A. Lipsey, the case was submitted to the jury at 5 o'clock yesterday afternoon and after being out seven hours they returned a verdict of "not guilty." N. L. Sheffield, the complaining witness in this case, alleged that as the result of a quarrel had between himself and the defendant, he was waylaid and shot at from ambush, the bullet striking his horse, which showed a wound in the back. Defendant denied the charge, but admitted a gun was taken from him at the time of the quarrel, and that it was resorted to in self defense. Sheffield lives at Loa, Wayne county, and Lipsey at Burville.

RICHFIELD BRIEFS.

Marriage licenses have recently been issued to the following couples: Wyn. H. Clammet of Fairview and Astrid Jensen of Glenwood; Junius F. Ogden of Richfield, age 27, and Alice C. Jackson of Annabella, age 21.

Mayor Heber C. Christensen has appointed the following as a Fourth of July committee: George M. Jones, chairman; Adelt Gottfredson, William Johnston, Mazil Beal and Junius F. Ogden.

The high priests' conference will convene in Richfield on Friday, June 18, at 10 o'clock, and the Sevier stake quarterly conference on Saturday, June 19, at 10 o'clock p. m.

The Indian war veteran officers of this district met here recently to advise on the question of the erection of a monument to the memory of "Uncle" John Ivis, who died here a short time ago. They adjourned to meet again on the 21st at which time they expect the matter will have assumed definite shape.

DEAFNESS CANNOT BE CURED.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to normal condition hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surface. Clothes You'll Like to Wear

The trouble with a large portion of so-called "tailored" and ready-made garments is that they lose their shape—they are not made upon a sufficiently expensive foundation. When brand new, you might say they "look as good as any." But a little wear proves that they are vastly different from such clothes as are turned out by the manufacturers of Gardner Suits. They keep their shape the last day you put them on. Priced from \$10 to \$40 according to fabric and finish.
