Of this powerful address, Mr. Jefferson says, "1 may challenge the whole orations of Demosthenes United States. In New York, Boston, Phillipited States. In New York, Boston, Phillipited States. and Cicero, and of any more eminent orator, if adelphia, and other large eastern towns, ored in Blair county, Pa. Europe has furnished more eminent, to produce a publishing is not as it is here. We are cited, single passage superior to the speech of Logan;" by certain individuals, to the low rates of and an American statesman and scholar scarcely large weeklies, printed there, and ask, why less illustrious than the author of this noble culcgium, has expressed his readiness to subscribe Were these individuals aware of the course pursued in the publication of these sheets, such a question would not be asked. To the mass of your readers, a word of explanation, "Friends!—Listen to what I say to you! You will, perhaps, prove novel, and correct misses a great and powerful nation divided! You see guided views:

The popular weeklies of the east, are prinble; the type set by boys or girls, at a scanty litting of the typitance per week,—thus taking the bread from the mouths of master workmen; most, dec8-24ff whether or not I should receive the latchet of father, to assist him! At first I looked upon it as a family quarrel, in which I was not interested. However, at length it appeared to me, that the father was in the right; and his children deserved to be punished a little. That this must be the case, I concluded from the many cruel acts his offspring had committed from that to time, on his Indian children:—in enerosching on their landsteading their property—shooting at and murdering without cause, men, women, and children;—yes!—even murdering those who at all times had been friendly to them, and were placed for protection.

Thus their circulation is swelled to thousands, and hundreds of thousands of copies; and every cent must be paid in Cash, in and Vance. If the citizens of Deseret wish to ing the same matter, set at the same time, The speaker here referred to a number of Penusylvanian Indians, murdered in a jail, where they ducements to clubs? also; but until then, work.
