NOT AT ALL DISTURBED,

It is assumed that the "foundations" IF those editors who are endeavoring of the "Mormon" Church are "laid in to impress their readers with the idea ignorance," and the best method that that Utah is just now in a terrible tu-"Christian" intelligence and culture malt could come here and view the can furnish to "prevent the spread of situation, we think many of them the evil," is to rob the Church and impress its members with the superiorwould be very much astomshed. There is probably no quieter place on the ity of orthodox religion, by takcontinent. There are no people in the ing away their property and dicountry who are so little disturbed by verting it, without their consent, to passing events bearing upon their uses for which it was not designed, present and future than the Latter-day and for the benefit of others who have Saints. Yet from reading many no right to any portion of it. We are public journals the public would so "ignorant ' that we cannot see why such dishonesty "is to be commended" gain the impression that in by any person or paper in Christenconsequence of the movement for statehood, the planting of suits to dom. If all that is said by the bitterplunder the "Mormon" Church, the est enemies of the "Mormon" Church death of President Taylor, and the were true, it would not justify the imagined "conflict over the succesconfiscation of its property, nor would the contemplated robbery be calculatsorship," added to the occasional arrests and the retirement of leading ed to "enlighten the wretches who bemen from the common gaze, all "Mor- come the victims," as to the pure mormondom" is is an uproar.

When Jesus was depicting the scenes despoiled them. Assuming that the Norristown Herof the latter-days and foretelling how his people would be persecuted, im- ald men are Methodists, what would currences connected with the birth of prisoned, hunted and slain, while the they think of a project to confiscate the nation. It will be the centennial woes and judgments to precede his the property of the Methodist Church celebration of the adoption of the Censecond advent were poured out upon in Peansylvania, and devote the stitution of the United States, on the the nations, he exclaimed, "In pameans for the education, in the comtience ye your souls !" It is greatly mon schools, of children belonging to to the credit of the Latter day Saints | Baptist, Episcopalian, Catholic, Jewthat they carry out in practice that ish, Infidel and other families, that divine injunction. There is scarcely never-contributed a dime towards its a ripple upon the steady stream of accumulation! That would be a most terrible outrage, of course. But who "Mormon" life in Utah.

The alleged "struggle for the Presican show any difference in principle dency" is wholly imaginary. There is between confiscating Methodist propnot anything in it at all. No one has erty in .. Pennsylvania and seizing "Mormon" property in Utah. contemplated such an improbable The supposed "ignorance" of the thing but persons who do not underpeople to be robbed does not alter the stand anything about the Church, its order, spirit and operations. It has right or wrong of the transaction. Whether "Mormonism" is true or suffered the loss of its earthly head on two former occasions without any dis- false, fair or foul, makes no difference operation. The following passage octurbance of the body. Such contin- as to the attempt to steal the property curs in it: gencles are provided for in its consti- of its adherents. And the proposition tution. It contains inherent vital energy and natural power to supply the loss of any of its parts. There is no place for individual ambitions, and no character as to strike a reflecting per-stimulate its ratification by all the States composing the old Confederanecessity or object for such conten- son with admiration-or else amazetions as have been surmised and pub- ment and disgust. lished as existing facts.

As to the suits against the Church, they occasion but little comment and not any commotion. The consequences foreshadowed by onlookers from a distance are not expected by faithful Church members here. They are not concerned as to the result. In their

ract with American owners for work-TION. ng mines or making any proper use of mineral lands for a term of years?" "THE proposition to confiscate the property of the Mormon Church and The conclusions of the Attorney General show that, according to his devote it to common school education is to be commended. There is no betconstruction of the law, it will necester way to eradicate the principles on which that church is founded than to sarily tend to cripple the mining industry. After giving his reasons he provide for the spread of intelligence. thus states them concisely:

CONVERSION BY CONFISCA-

Like almost every other evil that curses mankind, its foundations are laid in ignorance and the best way to "First .- As mines are real estate, or inheritable interests in real estate, the prevent its spread is to enlighten the act does not apply to them. wretches who become its victims through want of knowledge." "Second .- As stock in a corporation
