Try again for Health. I cheerfully give an endorsement for Wine of Cardui for the sake of suffering women who may read these lines. Mrs. Georgia Dunbar. Contrast the healthy and happy condition of this well-known woman when she "cheerfully" wrote this letter and her pitiable state when she cared little whether she had the dread consumption or the fatal Bright's disease, having no desire to live, and you will get an adequate idea of the benefit Wine of Cardui is to any woman who takes it as faithfully as Mrs. Dunbar took it.
