ELGIN WATCHES!

MANUFACTURED BY

The National Watch Company

All the grades of the Elgin Watches

INCLUDING THE

"LADY ELGIN"

READY FOR

SPRING TRADE.

The company also call the attention of Watch buyers to the fact that the Elgin Watches now offered have an added improvement over all others, in a new

PATENT DUST EXCLUDER

So constructed as to enclose the works, and form a protection against dust, enabling the movement to remain in order without cleaning double the time that a watch will ordinarily run without this protection.

The company feel confident, after having had their Watches three years in market, and selling many thousands of them in all parts of the country, that the Elgin Watches are the best time keepers now offered to the American public.

OVER FIVE HUNDRED DEALERS

In various parts of the land have unreservedly endorsed them. They are in use upon numerous lines of Railway, including the Union Pacific and the Pennsylvania Central, and officers of these roads, with other prominent R. R. officials, endorse them as the best watches for the use of R. R. employees and travelers yet introduced.

The following are presented as specimens of these testimonials:

TESTIMONIAL.

UNION PACIFIC R.R., OFFICE OF GEN'L SUP'T, OMAHA, Dec. 16, 1869.
Hon. T. M. AVERY, President National Watch Co., Chicago, Ills.

Dear Sir:—During the month that I have carried one of your "B. W. Raymond" Watches it has not failed to keep the time with so much accuracy as to leave nothing to desire in this regard. For accuracy in time keeping, beauty of movement and finish, your Watches Challenge my admiration, and arouse my pride as an American, and I am confident that in all respects they will compete successfully in the markets of the world, with similar manufacturers of older nations. They need only to be known to be appreciated.

Yours most respectfully

C. G. HAMMOND, Gen'l Sup't.

OFFICE OF THE HUDSON RIVER RAIL ROAD, Gen'l Sup't, New York, Jan. 17, 1870.

T. M. AVERY, Esq., President National Watch Co.

Dear Sir:—The Watch made by your company which I have carried the past two months, has kept excellent time. I have carried it frequently on engines, and have been on the road with it almost daily. During this time it has run uniformly with our standard clock.

Truly yours

J. M. TOUCEY, Gen'l Sup't.

The following dealers also, in various parts of the country, have certified that they consider the Elgin Watches to be all that the company have advertised them, as better finished, more correct and durable, than any in market of similar price, and that they have great confidence in recommending them to the public, on account of their general merit.
