Persons inquiring for the above letters are requested to state when advertised.

J. M. MOORE,
POSTMASTER.

Why does an old toper always keep his mouth shut in a rain storm?

DIED.

At Northop, Kane Co., U. T., at 10 o'clock a.m., July 10, 1877, of old age, PRISCILLA ABBOTT LEMMON.

Deceased was born in Rockingham Co., N. C., Nov. 16, 1785; she and her husband, John Lemmon, received the gospel in Greene County, Ind., in 1831, under the administration of Elder Samuel H. Smith and Reynolds Cahoon; moved to Jackson County, Missouri, in 1833; was driven from thence with the rest of the Saints in November of that year; afterwards settled in Davis County, near Adam-ond-Ahman, and was driven out of the State, with the Saints in 1838; passed through all the persecutions which the saints were subjected in Hancock and adjoining counties in Illinois, and was driven from there in 1846. Her husband died just as they were ready to leave the State. She was the mother of twelve children, 11 of whom she raised to manhood and womanhood. She rejoiced in the fullness of the gospel to the last, being glad that she had lived until a Temple was completed, in which to work for the living and

the dead. Before her demise she gave her son James Lemmon, with whom she was living, all information relative to their relations, of which she was possessed. She will now rest in peace "Until the resurrection day." She was buried at Springdale 4 p.m. July 11, 1877. EVAN M. GREENE.

THE Charter Oak Stove is an old favorite throughout the United States. The new styles are greatly improved, and all housewives and cooks who use them speak highly in their praise. See advertisement.

In spite of your teeth,
Both above and beneath,
Being lightly enamel'd and thin,
They will never break down,
Nor turn yellow nor brown,
If the SOZODONT'S daily brushed in.

Vanilla.

Steele & Price annually consume, in the manufacture of Dr. Price's Extract of Vanilla, more of the finest quality of Mexican Vanilla than any other makers of extracts, and it is by the use of the finest quality that Dr. Price's Extract of Vanilla obtains its rare excellence.

Superstition.

A panacea, or "cure all," is not of the myths of the age of superstition. Dr. R. V. Pierce does not recommend any one or even his whole list of standard remedies as adequate to cure every disease. For severe lingering coughs, bronchial, throat and chronic lung diseases, he believes his Golden Medical Discovery is unsurpassed, but it will not cure you if your lungs are half wasted by consumption. The discovery not only exercises a potent influence over pulmonary affections, by reason of its pectoral properties, but possesses also the most powerful alternative, or blood-cleansing properties, and is therefore a sovereign remedy in blood and skin affections. But while it will cure scrofulous and other ulcers or sores, blotches, pimples and eruptions, it will not cure cancer, nor does its manufacturer claim any such merit for it as is done by proprietors of other blood-cleansing medicines, who dishonestly try to deceive the afflicted into the belief that their preparations will accomplish impossibilities. By reason of its real intrinsic merit it has a sale surpassing that of any other blood and cough medicine.

Everybody Pleased.

Everybody who examines or uses the Charter Oak Cook Stove is pleased with its great capacity, superior construction, neat appearance, cleanliness in operation, and the construction of its Reservoir and closet, and say it is unequalled as a perfect Cooking Stove. w 25
