It is done to maintain what little remnunt of a republicau torm of government is left to them by the anti-An cricin policy pursue i toward the Territories. It would be well enough for President Cleveland and all who consider this matter, to remember that take is nothing in the Constitution of laws of the United States, or in good public policy, which forbids any voter from belleving what seems right to him, or of exercising the elective franchise in accordance with that beof A min who votes in contradiction to his toth is either an phot or a hypoerite.

We fully agree with President Cleveian | that, "The strength, perpetuity and destiny of the mation rest upon our homes established by the law of G 13, gaunded by parental care, regu-Into I are parental authority, sanctified ov parental love." But we know bettor firm he when he assumes that, "These are not the homes of polygamon's it he means by that the marriage system of the Latter-lay Saints in Utah. We are certain that of this system and its workings he knows next to nothing His information depends upon reports made by persons as uninformed as tims of on the subject, or the misreprestrictions of interested persons All fie staple arguments against polygeny" are framed in reference to Asicin polygamy, and they do not hear on the subject. The homes we

are and have been establishing are just su has no prescribes and praises. And they trace been "established by the law We are pleased to see the Press leat recognizing God in this matter. It is "God's holy ordinance" reviale 1 to us that we are endeavoring to live by. It cannot be shown that

this blyin haw and ordinauce is contrary to that revealed in the Book ch. 118 S111 to be the word of God. "En- President knows nothing about the mothers of our children or he

woull not class them as "crushed" or "inwomanly." If he could see them as they were before this family-wreck-

ing raid was inaugurated, with their happy, laughing children in their faction ito nes, rejoicing in all that is pleasant

in tamily life, and know of the liberty they callived socially, religiously and mind about the "crushed" and have to madre to "rule the nation," altheory they have the ballot equally with in m, and seeing that the mothers, to whom the President alludes, have no volumentitier national or local affairs, t some rather a stretch of eulogy to the interests of the people are closely saving "rate the nation." He is also allied, and no person can be guilty of

fathers of polygamous families not people. having "a stake in the country." If a man with one family has as take in the country, he who has two families and country and so on in proportion. The President's whole dissertation on this subject is founded on a misapprehension of it. For there is nothing in the

that it is an able, though rather verbose several hands in its production. It might have been more terse and simple In its composition with advantage to the general reader, but the document shows that the new Administration has well considered the general interests of this great country, and is anxious to promote its welfare, and also to gain the approval of as many voters of all parties as may be won to its support.

nest in one article. Suffice It to say,

-----TIMELY REFUTATION.

VERY business man in this Territory, 'Mormon'' and non-"Mormon," owes as a duty to himself and the com-

nunity to exert his influence towards counteracting the flood of lies with which this nation is now being subnerged to the injury of the people of this Territory and business intersts in this region. In view of the readiness with which statenents of the most false and villainous haracter concerning the majority of he people of this Territory are acepted throughout the world, and the lendish energy and persistence with which such reports are sent out from tere, it does seem like a hopeless task o endeavor to thoroughly refute them and get the truth before the people,

out if every merchant and other busiless man who has influence in comuercial circles elsewhere were to adopt the course which Mr. S. P Teasdel has, the amount of good which they would accomplish for themselves and others is not to be estimated.

Learning that he had been in comnunication with business men elsewhere on the situation here, a NEWS representative called upon him and obtained the following copy of a message telegraphed by him to various business houses east and west:

"All reports in regard to any ex-Sitement here are positively false. Never in the history of Utah was there ess occasion for such reports. As to any threatened uprising here, it is all a fabrication."

> F llowing is a sample of the replics e has received from his dispatches : "Your telegram referring to Utah
