Slump in Lead Slightly Affected Prices.

### DAILY-WEST CLOSED FIRMER

Mammoth Unchanged—Petro Much Weaker—Star Con. and Valeo Get a Setback.

#### TODAY'S METALS:

SILVER 60%  
LEAD, \$3.87 1/2  
CASTING COPPER 10 1/2

The stock market was suffering today from the sensational cut recorded yesterday in the price of lead. In anticipation of a decline similar to that made a few days ago, holders of Daily West sold as low as \$18 at the beginning of the call. It was soon seen, however, that the bears were powerless. The stock rose with every sale, and before the call closed, sales were made as high as \$18.50. The assurance of Manager Bamberger that the decrease in the price of lead will not curtail 25 cent dividends seems to give assurance to the stockholders.

Grand Central let go 100 today at \$5.70, while Mammoth sold at \$2.25.

Petro was traded in at 25, Four Aces brought 4, and Ben Butler changed hands at 1/2.

Star Con was much weaker today, selling down as low as 20. No definite information is obtainable regarding the strike.

Valeo sold down to 86 in spite of rumors of a strike in the tunnel which are contradicted by several brokers. May Day declined today, as a result of the turn lead has taken, and sold down to 88.
