The defendants were represented by Aity. Bowman, who in questioning the complaining winess brought out the fact that the samblers have been giving him money on which to live and clothe himself. Immediately after the closing of the hear-ing of defendants, Mr. Bowman swore to a complaint charging Walte with gambling, which is also against the city ordinances. NEPHI J. REES DEAD. Falls Victim of Pneumonia in Bloom

### Of Youth.

Special Correspondence. Wales, Sanpete Co., March 31.--The grim reaper again visited our ward last night. Only six days since it called home our venerable Bishop Rees. This home our venerable bishop nees. This time it has taken away one of our best young men, in the bloom of life, in the person of Nephi J. Rees, who fell a vic-tim of pneumonia. He was born in this place June 23, 1871, and was always an exemplary young man, sober, faithful and inoffensive. He was secretary of the Elders' quorum and ward teacher. He leaves a young wife and two small children, a father, brothers and sisters, and a host of relatives and friends to cherish his memory. We have more sickness in this ward this spring than ever before: there are but few families if any that have es-

caped, either la grippe, mumps or som ailment or another, and the community is far from being clear of disease yet.

### Schools Closed on Account of Contagion - Arrival of New Citizens.

Their families spect to follow in a short time. Diphtheria is spreading rapidly and has now reached the homes of John H. W. Lloyd and James Smith. Mr. Ken-

Spring plowing is now progressing rap-idly, the soil is in excellent working condition, and the people are hopeful of good crops. Eighty acres of beets will be planted soon, and if the venture proves a success this year, many more

acres will be planted in the future. Mr. George La Baron, chairman of the board of school trustees, received an interesting and agreeable invitation the other day from Box B. Although the gentleman has considerable of stamily, he is of that mettle and integri

ty that characterized his father David through the trying scenes of Missouri and Illinois. He is going. SCHOOL ENTERTAINMENT.

An operetta of high merit was presented last Saturday night by Instructor James J. Hickman. The house was full, the children did very well and all ere pleased.

schools will close in three more weeks and then a friendly adieu will be given the present school house, and a vote of thanks for the service it has ren-dered. When the children re-enter school next year it will be into a modern six-roomed brick building, with necessary equipments Thomas Kirkman and family moved recently to Canada, and others are thinking strongly of removing soon. # Women in Springtime.

It Makes Them Strong, Vigorous,

Vivacious and Bright.

Let us reason together, dear reader if you are one of the many plodding along from day to day, weary, worn, ex-hausted, and anxious. If you are sleep-less, nervous, despondent, rheumatle, neuralgic or burdened with any of the spring ills that result from foul and impoverished blood, let us give you the positive assurance of certain and peedy cure. Paine's Celery Compound,

nature's true spring medicine, is what you need to prepare you for the joys and pleaseures of life; nothing else can give you the blessings you so earnestly pray for. Its use means perfect free-dom from the grave sufferings and per-ils that must come late if you wash lis that must come later if you waste precious time. Miss Olive J. Merrill, Kirksville, Mo., writes for your encouragement:-

"I suffered much from nervousness, sleeplessness, and rheumatism, and was induced to use Paine's Celery Compound. It perfectly met my troubles happily banfshed them. Since using the Compound I am better in health than ver before in my life.'

Miss Madge E. Sisson, Castilé, N. Y., gratefully writes as follows: "I was very weak and nervous, and father called in a doctor. I was treated, but instead of getting better, I got weaker and was obliged to take to my hed. I had no control of my nerves, and at times I suffered with spasms. My pas-tor brought me Paine's Celery Com-pound, and I commenced to use it, and began to grow stronger. To the aston-ishment of my friends I was perfectly cured, and today I am sto hearty ind strong, sleep well, and feel well."
