CHINO-AMERICAN TREATY.

## Partly Designed to Test Sincerity of

Russia's Open Door Policy. Washington, April 6 .- It is practically admitted here that the new commercial treaty between the United States and China has been in one phase especially designed to test the soundness of Russia's promise to maintain the open door in Manchuria. Ever since the Russian occupation in 1960 the province has been practically governed by Russians, who diamonds sent from South Africa.

have regulated all external trade. American exports of great value have entered Manchuria, and as the state de-partment had no mind to lose the trade of any other nation, it challenged Rus sia's. intention and received specific promises that the open door shall be maintained. The provision in the treaty now under negotiation declaring Moukden and its

port, Takushan, at the mouth of the Lalu river open to foreign trade, affords the opportunity for the test. ELECTION IN MICHIGAN.

## Republicans Elect Their State Ticket

By Large Majority. Detroit, April 6 .- The Republicans of Michigan today elected their state fickut by a majority estimated at between 35,000 and 40,000. The ticket follows:

For Justice of the Supreme Court-Judge Frank A. Hooker of Charlotte. For Regent of the State University-Peter White of Marquette and L. E. Knappen of Grand Rapids, The vote throughout the state was light. In Detroit an unusually light

vote was cast. The only municipal offi-cers elected in Detroit were a police udge and eight school inspectors. Judge Sellers, Republican, was re-elected and the Republicans elected six of the inspectors. Local issues determined the results in

most of the smaller cities in the state. At Battle Creek the Socialist party made a strong campaign but Mayor Webb, Republican, was elected by 700 majority, with the total vote cast in the city 1,300 greater than at the last spring election. The Socalist party elected two aldermen, giving them four The Socalist part,

in the present council. At Escanaba, the Social Labor party's candidate, J. J. Sourwein, was electe Grand Rapids elected the entire Re-

publican city ticket and gave the Re ublican state ticket between 1,600 and 2,000 plurafity.

campaign against Bonilla.

MOTHER AND CHILD

Scott's Emulsion is cod liver oil made almost as palatable as milk. It is easy and soothing to the weak stomach; it checks the tendencies of children toward thinness.

Scott's Emulsion gives strength to weak mothers because it creates healthy flesh and new blood.

Nursing mothers will find a special value in Scott's Emulsion because it insures a flow of rich, nourishing milk for the baby. More and better than a medicine;

Scott's Emulsion is a food. We'll send you a sample free upon request.

#### General Labor War Predicted.

Chicago, April 6 .-- Frank Buchanan, who is to lead the bridge and iron workers in

Is to lead the bridge and iron workers in their struggle with the U. S. Steel Cor-poration, predicted a general labor war throughout the country in an address made as hight before the Chicago Fed-eration of Labor. "I hope and expect that the labor or-genizations of the country will soon con-centrate an open war against the rapidly growing combinations of capital." he said. "The American Bridge company is trying to break up our national union" From press reports builders of iron and steel work have formed an organization to rectify certain evils. What these evils are I do not know, unless they consist of demands for higher pay and better work-ings conditions.

Gemands for nigher pay and better work-ings conditions. "The struggle we are waging against the bridge company is likely to spread, it is possible we will call out all our men on construction work, and if we are forced to do so then we will us up the industry and force an enormous number of men out of work." Mr. Buchanan is in Chicago to look aft-er the western col of the strike and will

er the western end of the strike and will return to New York within a few days, for the general strike will be managed from that city.

#### OWNERSHIP OF QUOTATIONS

Judge Adams Denies Chicago Board Of Trade an Injunction.

St. Louis, April 6 .- Injunctions sought by the Chicago board of trade to establish the ownership of the quotations on the future prices of grains and other commodities were dealed by Judge Ad-ams in the United States district court today and the dealings in futures condemned.

The injunctions were asked for it June, 1901, against the Donovan and Cella Commission companies of St. Louis. In the application for injunction the board of trade alleged that the quotations for futures were given to the telegraph companies by the board of trade under a contract which pro-hibited their sale to bucket shops, and that the firms named as defendants were bucket shops and were not entitled to the quotations which were then be-ing delivered to them by some agency then unknown. These two cases, brought for the purpose of making a test, were dismissed by Judge Adams, In the decision Judge Adams said: "The main question argued and the one which underlies the whole case is! Whether the property right, whatever complainant may have in the continu-ous quotations in question, is so tainted with unsavoriness as to preclude resort take no other.

and undoubtedly would, he very valu able to the public, and such information would promote legitimate trade and commerce; but the other kind of information, conveying intelligence as to the wagers that are made in the 'pits' in my opinion has no legitimate tendency to promote the commerce of the country, but on the contrary, tends only to excite the gambling propensi-ties of the public. Such is not a specieg of property which appeals to a court of conscience for protection. The bills in both these cases must be dismissed.

Bureau of Education's Exhibit.

Washington, April 6 .- The bureau of education has arranged a unique exhi-

bition at the St. Louis exposition, to consist of photographs of every school in each of a large number of countles to be selected from various sections o the country.
