

NEWS OF THE WEST.

The Lick Observatory Expedition to Japan This Summer.

A JUNE FRIENDLY TO TRAMPS.

Strange Story from Casper, Wyoming—Relief Men's Excursion—Caught by a Train.

Admiral Cervera was shot in the thigh today by Louis Gussow in a fight over a cigar just before the admiral's departure. The admiral was the outcome of a quarrel of long standing. Cervera is a queer old fellow.

Admiral Fero was killed August last in a collision between his steamship and a small steamer. Fero was serving as a naval attaché at Honolulu at the time. His wife brought him back to the United States. Fero was a member of the United States navy.

Mr. E. L. Clouston, of Ontario, Canada, who died recently, was a man of two children, aged 10 and 12. He was a member of the United States navy. He was a member of the United States navy.

Mr. E. L. Clouston, of Ontario, Canada, who died recently, was a man of two children, aged 10 and 12. He was a member of the United States navy. He was a member of the United States navy.

Justice Smith of Waterville, Cal., has decided that a man is entitled to be wherever he wishes to go, and if he enters a bar, restaurant, hotel or any other place, he is entitled to be there, even without permission. It is the duty of the police to see that the law is enforced.

Twenty evening an incoming train on the Northern Pacific, Cal., struck a mine and killed three men. The train was carrying a large number of passengers. The mine was a coal mine.

About 100 of our prominent men are going to California in the spring, and already the preparations are being made. The trip is for the purpose of seeing the state and the people.

A Indian named Ovidio Ardele was killed by a bullet from a gun at the Lakeview, Cal., Friday night. The bullet was fired from a gun.

At the Lakeview, Cal., Friday night, a man named Ovidio Ardele was killed by a bullet from a gun. The bullet was fired from a gun.

The Lick Observatory, California, is now open to the public. The observatory is a fine building and is well equipped.

According to the plan proposed, the members of the party will be about 100 in number. The trip is for the purpose of seeing the state and the people.

Prof. J. M. Schaeffer will be in charge of the expedition. He is a well known astronomer and is a member of the United States navy.

The expedition will leave for Japan in the month of June. The trip is for the purpose of seeing the state and the people.
