They Can't Do It. We understand that some physicians are crying out against HALE'S HONEY OF HOREHOUND AND TAR to their patients, telling them that it will do them no good, and endeavoring in every way possible to injure the sale of the same; but that cry comes too late, as the people of this city and country have learned by experience that this article is a certain cure for Coughs, Colds, Influenza, Hoarseness, Difficult Breathing, and all affections of the Throat, Bronchial Tubes and Lungs, leading to Consumption, and that instead of having to pay their physician from \$2 to \$5 for advice and prescription, and then paying their druggist for putting up the same from fifty cents to \$1, they can go to any drug store and get a bottle of HALE'S HONEY OF HOREHOUND AND TAR for the small amount of 50 cents, which is sufficient to cure any ordinary Cough or Cold, and \$1 size will annihilate the worst cases. Depot, Crittenton's, 736 1/2 Avenue, New York City. Sold by all druggists.

Stop Poisoning Your Teeth. and gums with corroding washes and injurious powders, and use instead the wholesome, fragrant, SOZODONT, which confers radiant whiteness upon the teeth, and defends them from premature destruction. It is never used in vain. dead & w.

Solid merit will tell. For all the bitter opposition of jealous rivals, no better illustration could be had of this fact than the immense sale already attained by the great Throat and Lung Remedy, Dr. Aug. Kalsner's German Elixir. For the cure of Coughs and Bronchial Affections, it is truly wonderful, even those suffering from Consumption in advanced stages find great relief, and numbers of patients have found, to their delight, not only relief but cure. It being perfectly harmless, makes it at once popular with mothers, who of all others have the greatest necessity of such a medicine. The genuine bears the Prussian Coat of Arms, the fac-simile signature of Dr. Aug. Kalsner, and has his name blown every 75 cent bottle. A trial size may be had for 25 cents.

For sale, wholesale and retail, by the Z. C. M. I. Drug Department and Moore Allen & Co., Salt Lake City. 4238 & 29.

What is Beauty? This question has alike puzzled the lover and the philosopher. The sage analyzes it into perfection of feature and coloring, and the lover, looking into the homely face of his adored mistress, declares that true beauty pertains rather to the imperishable soul than to the exchanging body. But the physician knows that the chief element of beauty is health. Health is to beauty what the subtle magnetic current is to the far had polisher steel—it is the presence attracting and retaining all its devotees. Beauty without health is a shrine without an oracle. Woman cannot possess the subtle attractive power of beauty while suffering from those chronic ailments and weaknesses that continually exhaust the vitality of her system. Dr. Pierce's celebrated specific for this class of diseases, the Favorite Prescription, has been used by thousands of these sufferers, restoring to them health, strength and beauty.

BURLINGAME, Osgood Co. Kansas, Aug. 7, 1877. Dear Sir:—Five bottles of your Favorite Prescription has effected my entire cure. Yours respectfully, MRS. BESSIE PECK.

AMATEUR.—The Ogden Amateur of January 1st, comes to hand filled as usual with instructive reading matter. We notice, among other articles, an able answer from Apostle F. D. Richards to the question, "When and by whom was the Sabbath or Sunday changed from the last to the first day of the week?"

Picnic.—The children of the 17th ward Sunday School were assembled in the school house, yesterday, to partake of a picnic, which had been arranged by Brother James Dwyer, the superintendent. The good things were furnished by the parents, and a general time of rejoicing ensued.

Deseret University.—In another column appears a notice from Dr. J. R. Park, president of the Deseret University, stating that the 2nd semester of that excellent institution will begin Monday, January 13th, 1878.

Lecture.—Next Wednesday evening, at 7:30 o'clock, Elder Joseph F. Smith will deliver a lecture on "Reminiscences of early history of the Church," in the 20th Ward Assembly Rooms. All are invited. Admission free.

Thermometer.—To-day, 1 o'clock p.m., the thermometer recorded 38 degrees F. in the shade. Clear.

For England.—We received a call, this morning, from Elder Henry Hampton, of Bountiful, who leaves, to-morrow morning, on a mission to Europe.

Dismissal.—The case of Mr. P. R. Lannan, who was summoned before Justice Fyler for obstructing the sidewalk with meat, was dismissed yesterday.

The Tax Case.—The case of the Bingham and Camp Floyd Railroads against Collector Crismon was continued in the Third District Court yesterday. The defense put in evidence affidavits, showing the assessments against the plaintiffs for 1874 and 1875. The witnesses examined for the plaintiffs were Collector Crismon, Judge Sutherland and County Clerk Bookholt. The former testified that additions had been made in the books, and that he had refused Mr. Sutherland's request to see the assessment roll.

Sutherland's testimony was a confirmation of Collector Crismon's statement. County Clerk Bookholt testified that after diligent search in his office for certain statements and accounts which he had been requested to produce, he was unable to find them. The statements of the Secretary of the Territory, as published in the proceedings of the Legislative Assembly, were handed to the witness, and he was asked if they were correct. Witness said from memory he was unable to state positively regarding the truth of the statements referred to. Exceptions were taken by the defense to the admission of such evidence. This morning the case was resumed, and the county records were produced.

Sunday School Notice.—The regular monthly meeting of Superintendents and Teachers will be held in the Theatre (to-morrow) Sunday evening, at 8 p.m.

All the superintendents, officers and teachers of Sunday Schools throughout this stake of Zion are particularly requested to be present.

This being the first meeting of the kind held in the new year of 1878, it is expected to be of more than ordinary interest to those who are engaged in the Sabbath School work.

The Apostles and Presidency of the Stake are expected to be present and take part in the exercises. The singing will be performed by the 14th and 15th Ward choirs, and the Union Glee Club.

The parquette will be reserved for the teachers, and the stage for the officers of the Sunday School Union and the superintendents of the various schools also the bishops of this stake.

LEVI W. RICHARDS, Secretary D. S. U.

Pleasant Time.—On New Year's day Brother Benjamin Green, superintendent of the Draper Sunday school, had the children meet at the school house to give an exhibition. Dialogues, declamations, songs, etc., were rendered in the forenoon, after which prizes were distributed.

In the afternoon the children enjoyed themselves in a social dance. The day passed off pleasantly, and the interest taken in the Sunday school as well as the general ability of the children who took part in the exhibition, show that Brother Green's labors are appreciated.

Farewell Surprise Party.—Last night the friends of Elder Joseph Matthews, who is about to leave for Europe on a mission, gave him a surprise party, at his residence in the 19th Ward, and passed away the evening in singing, feasting, and other kindred social enjoyments. The party was arranged by the officers of the Sunday School, where Brother Matthews has been a teacher for the last 10 years. During the evening he was presented with a purse of money to assist him on his way. He leaves on Tuesday morning. Good wishes.

Serious Accident.—We learn from the Ogden Junction of a serious accident which occurred to Mrs. Knight, wife of Brother John Knight of Plain City. He was returning to his home on Friday evening, from Ogden, when his horses took fright and ran away, throwing out Mrs. Knight with the baby in her arms. The lady was considerably bruised, besides having her collar bone broken, but the child was uninjured. This morning the lady was quite comfortable and it is hoped she will soon entirely recover.

Amateur.—The Ogden Amateur of January 1st, comes to hand filled as usual with instructive reading matter. We notice, among other articles, an able answer from Apostle F. D. Richards to the question, "When and by whom was the Sabbath or Sunday changed from the last to the first day of the week?"
