OGDEN WILL HAVE BICYCLE RACES

R. A. Grant Has Secured Five Year Lease on Glenwood Park.

H. W. HEAGREN AS MANAGER.

He Will Have Charge of the Track and Will Probably Give Two Meets Each Week.

Ogden bike fans will not have to come down to Salt Lake this summer to see bicycle races. They will have plenty of the sport in their own town at Glenwood park. In all probability there will be two meets each week during this season and some of the best riders in the country will take part in them.

This morning Harry W. Heagren, former manager of the Salt Palace track, announced that R. A. Grant of the Junction City, had secured a lease on Glenwood park for a period of five years and will put in many attractions, including bicycle races.

Last evening Mr. Grant came down from Ogden and had a long conference with Mr. Heagren, the result of which is that Heagren has been engaged to manage the track. The season will start off with one meet a week, and if the sport is well patronized there will be two meets. The races will not conflict with the Salt Lake events so that the riders at the Salt Palace will have a chance to participate in four meets a week instead of two.

Heagren is well known to bike fans and to the riders. He managed the Salt Palace track successfully and is thoroughly posted on all points of the bicycle racing game.

"We will start off with one meet a week," said Mr. Heagren this morning. "If the game pays we will give two meets, one on Monday evening and the other probably on Thursday. All the details have not been completed as yet but I feel sure the game will prosper in Ogden. We will run excursions from Salt Lake and other points and will give races that will be worth going miles to see."

CHANGES QUARTERS.

Dick Hyland is Now Training on Market Street Daily.

Dick Hyland, the clever boxer, who will fight Billy Finucane at Ogden on the evening of May 21, has changed his training quarters from the Sanitarium to No. 37 Market street, back of the postoffice. He begins his training stunts daily at 3 p. m. and the public is invited to go over and watch him work.

CHRISTIE-WILLIAMS BOUT.

Manager Beal Will Take the Fight to Park City.

The twenty round bout between Jack Christie and Morgan Williams, scheduled to take place here on Wednesday night, but which was stopped by order of the chief of police, will take place on Monday night at Park City. The sports at the mining camp are anxious to see this bout and told Manager Beal to go ahead with the arrangements. Williams is quite well known in Park City and went there today to complete his training. The bout will be at the Dewey theater. A special train will run to Park for the event, the train leaving here at 6:30 and returning immediately after the fight.

Catarrhal Gastritis

"For two years I was in a very bad condition. I was treated by a number of eminent physicians for chronic catarrhal gastritis and dilatation of the stomach, and obtained no relief. I grew gradually worse, my breathing was so difficult at times that I thought I would die. My heart was in very bad condition from poor circulation and pressure of the dilated stomach. I decided it was only a matter of a very short time with me. I was advised to try Dr. Miles' Nervine and Heart Cure, and before I had finished taking one bottle of the medicine I felt like a new being. I took eight bottles of the medicine, and am entirely cured, for a matter of about $8.00 in the face of two hundreds spent in the two years before without relief." A. D. SLACK,

Master Mechanic of the I. & G. N. R. R., San Antonio, Texas.

Dr. Miles' Nervine is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails, he will refund your money.

SPITBALL DANGEROUS.

Doctor Who is Fan, Discovers Microbes In It.

Cleveland, O., May 13.—Dyed-in-the-wool fan though he is, Dr. Martin Friedrich, health officer, puts the ban on the spit ball.

He says that the great American game is no longer the cleanest of sports.

"The spit ball is unsanitary," he declared in disgust. He went to yesterday's game between Cleveland and St. Louis and saw Harry Howell's spit ball working in all its slimly effectiveness.

"It's a dirty habit, that spit ball business," he declared after the game.

"Baseball has the reputation of being the cleanest game in the list of sports. Since the game yesterday I challenge the assertion. Why, that pitcher is making the strongest kind of a bid for a dyspeptic old age.

"Consider, for a moment, the possibilities of the practise. Suppose he was a victim of tuberculosis—and baseball players are not immune, by any means. What would a man's feelings be with a batted ball covered with microbes coming at him like a shot out of a gun. His contract compels him to face the chances; there is no escape.

"I don't see any way of stopping the spit ball, but it ought to be stopped all over the country."

SCHRECK AND FLYNN.

Big Arena to be Erected in Denver for Fight.

Denver, May 13.—Arrangements were completed last night by which Mike Schreck and Jim Flynn have been matched to appear in Denver in June. The promoter having the match in hand secured the consent of both of the principals and all that is needed to cinch the match now is the signature of each of the principals. This will be a real battle, and the fans ought to congratulate themselves on the fact that such a grand card is to be presented to them.

Schreck is the chap that all the heavyweights in the country are side-stepping, and Jim Flynn is a Colorado product that has shown his worth in the roped arena. He is the greatest heavyweight that has ever fought in this state, and his showing against Jack Twin Sullivan, Burns and others entitles him to consideration against any of the men of this class.

The contest will take place in a big arena to be erected in the heart of the city for that occasion.

GOING AFTER RECORD.

Lima, O., May 13.—Though Sweet Marie (2:02), the champion trotter of the past two years or since the days of Cresceus and Major Delmar, will campaign over the grand circuit in exhibitions, she is to be seen on but three half-mile tracks of the United States. The Lima Driving Park company has just closed a contract for her appearance here on one of these dates.

Sweet Marie will also go over the half-mile ovals of Allentown, Pa., and at Hamilton, the track of the Minnesota State Fair association. The great trotting mare will endeavor here to lower the world's half-mile track trotting record of 2:08, now held by Cresceus. Dan Patch lowered the world's half-mile pacing record to 2:04½ over the Lima track, and George G. equalled the world's record for geldings over the same track, and the horsemen of Ohio and Indiana will watch with interest the attempt of Sweet Marie next October.

BIG CHESS TOURNAMENT.

New York, May 13.—According to advices received from Ostend, there will be thirty-six competitors in all who will take part in the two masters' chess tournaments opening at the Kursaal in the Belgian resort on Wednesday next. In addition to the six invited masters in the championship tournament, thirty out of forty applicants have been admitted to the general masters' tournament, including most of the leading players of the world. In this event America will be represented by Paul Johner, champion of the Manhattan Chess club.

In the masters' championship tournament, wherein F. L. Marshall, Dr. S. Tarrasch, A. Burn, G. Maroczy, C. Schlechter and David Janowski will compete, there will be four rounds, thus giving each player a schedule of twenty games. It is planned by the congress committee to arrange a match between the winner of the tournament and Dr. Emanuel Lasker for the championship of the world.

YOST IS BUSY.

Leaves Ann Arbor But Tells Boys to Practise.

Ann Arbor, Mich., May 13.—Spring football practise was discontinued the first of this week by Coach Yost. The "hurry-up" man has gone back to his business interests in West Virginia. He left orders with a lot of the aspirants for quarter to get a ball and practise all spring and summer.

The requests from Annapolis and Dartmouth for games next season have stirred up more interest in the gridiron sport. Baird says he cannot predict the policy of the board of control, but thinks there is little chance of going to New Hampshire to play Dartmouth.

News that Minnesota has defied the conference with reference to playing Nebraska under non-conference rules is good news here, as one more influence which will be working for the reaction which Michigan will surely tug for at the June session of the "Big Nine" representatives.

LANCIA WILL LEAD.

Result of Drawing for Positions in Grand Prix.

New York, May 13.—The foreign mails have just brought to this country the result of the drawing for starting positions in the Grand Prix race, which will be run in France on July 2. Lancia, the hero of two Vanderbilt races, will lead off at 6 a. m., and the twelfth starter will be Walter Christie, the only American entry. Christie will follow Le Blon in a Panhard and after him will come Jenatzy in a Mercedes.

The Fiat entries were the last to be received, and so the Fiat team, with Lancia, Nazzaro and Wellschott as drivers, was the last to draw. After the other sixteen makes had got their numbers the famous Italian who has been so popular in this country, took his turn and secured the favorite position. He will, therefore, have the advantage of a clear track for the first laps at least, and will not be bothered by dust.

Among the drivers are several men who are well known to Americans from the Vanderbilt race and the Ormond Beach events. Besides those already mentioned are Wagner, Duray, Albert Clement, Sisz, George Heath, Wernett and Gabriel, who have been seen on Long Island, and Demogeot, famous as the speed king of Ormond.

It's Your Kidneys.

Don't Mistake the Cause of Your Troubles—A Salt Lake City Citizen Shows How to Cure Them.

Many people never suspect their kidneys. If suffering from a lame, weak or aching back they think that it is only a muscular weakness when urinary trouble sets in they think it will soon correct itself. And so it is with all the other symptoms of kidney disorders. That is just where the danger lies. You must cure these troubles or they lead to diabetes or Bright's disease. The best remedy to use is Doan's Kidney Pills. It cures all ills which are caused by weak or diseased kidneys. Salt Lake City people testify to permanent cures.

John W. West, of 160 South Twelfth East Street, Salt Lake City, Utah, says: "Doan's Kidney Pills which were procured at the F. J. Hill Drug Co.'s store proved of great benefit to me in relieving kidney complaint. I had been bothered considerably with pains in my loins and back and too frequent action of the kidney secretions, especially noticeable at night, when I would have to get up three or four times. The use of your remedy stopped all that, removed the aching and pains and benefited me generally. I can conscientiously recommend Doan's Pills to every sufferer from Kidney ailment in any form."

CAUSE OF SKIN DISEASES

This is Little Understood, But Scientists Say That the Cure for Eczema Has at Last Been Found.

The cause of such diseases as psoriasis and eczema is little understood. Even physicians still wrangle about it, and some doctors who rank high in their profession have made but little study of these peculiar ailments. The most prominent specialists of Germany and France, however, as well as many leading physicians of this country are now willing to recognize the correctness of the theory of the eminent skin specialist, Dr. D. D. Dennis. The skin is curable through the skin alone, and where the patient suffers from no other ailments it is nonsense to dose the stomach.

External treatment with the proper vegetable compounds offers the only cure for eczema. Wonderful reports are coming in from all over the country of the infallibility of the prescription of Dr. Dennis, known as the D. D. D. Prescription. Here is a case: James S. Erskine, of Niagara Falls, N. Y., writes as follows:

"D. D. D. Remedy has done me more good than any other remedy I ever used in all my life. Have suffered since I was a very young babe. My folks can tell you the long suffering and agony of that awful eczema trouble. It began, I believe, in my head, until it scattered all over my body. Doctored and doctored until I had a feeling of discouragement in every form."

We recommend that eczema sufferers use D. D. D. Soap in connection with D. D. D. Prescription.

D. D. D. Prescription gives instant relief. Apply a few drops of the Remedy and there is a cooling, soothing sensation that the tortured eczema patient can hardly imagine beforehand. The Remedy may be had from Druehl & Franken, druggists, Corner Main and Third South St., Salt Lake City.
