"A SLIGHT COLD," "COUGH," "FEW"

are aware of the importance of

checking a cough or "slight cold"

which would yield to a mild reme-

diate relief.

AN OUTGROWTH OF OTHER DIS-

ease—Catarrh sometimes exists

alone, but is more frequently a

symptom of other diseased condi-

tions. The following letter ex-

plains it:

COLLINGWOOD, N. Y.,

Onondaga, N. Y.,

Jan. 25th, 1872.

Dr. R. V. Pierce, Buffalo, N. Y.

DEAR SIR—Allow me to give

a brief history of the effect of your

medicine called "Golden Medical

Discovery" in my case. I am now

in my seventy-fourth year and am

incredibly of firm constitution. With-

in the last few years, from over-ex-

ercise, I have been afflicted with a

complication of diseases almost im-

possible to relate. In the first

place Catarrh, to a degree that, to

me, it seemed that my very soul was

out at the ears, to which was added

its natural ally—Bronchitis; to

which, at no great length of time,

were added Neuritic pains in the

head and shoulders and bloating of

the lower limbs, the most of which

was superinduced by a torpid state

of the liver. I gave up all busi-

ness, made my will, had my grave-

stone placed in position and lettered,

except date of exit, and resigned

myself to my couch to await

death. Not long after this, I saw

your advertisement, procured your

remedies—I am now on the second

half-dozen bottles of Golden Medi-

cal Discovery, and my appetite

has gained fifteen pounds of

flesh—no more talk out of my ears,

no more bloating of the limbs, can

walk two or three miles with ease,

and feel that you have given me a

lease of ten or fifteen years—subject,

however, to the ratification of the

Court above. That you may live

longer, and that you may live

LOCAL AND OTHER MATTERS.

THURSDAY, MARCH 14, 1874.

In the shade, at 1 p. m. today. Fine,

breezy.

Will preach—Elder Orson Pratt

will preach in the 14th Ward meet-

ing-rooms to-morrow evening, ser-

vice commencing at 2 o'clock.

Civilization—Five inebriates and

a vagrant were the cases before the

police court to-day.

Full House.—Notwithstanding the

muddy state of the streets last

night, Mr. Ottinger's lecture on

"How to Read a Picture," was well

attended, and the audience enjoyed

an intellectual treat.

Draper Graded School.—We learn

from superintendent R. L. Camp-

bell that he yesterday visited the

graded school at Draper, District 22,

of which Brother J. Z. Stewart, a

late pupil of the University of

Deseret, is principal. The number

of graded pupils enrolled is 133,

besides 63 in the primary depart-

ment. Mr. Campbell speaks in

terms of high praise of the ad-

vanced condition of the school in

the various educational branches.

Book Keeping.—Some people

think it is very difficult to learn

book keeping, but this is certainly

not the case with every department

of the art. It is scarcely right to

learn it at the expense of the

Terrestrial Library. A considerable

number of books borrowed from

that institution before the last ses-

sion of the Legislature have not

yet been returned, been yet returned.

As a matter of course, the Assistant

Librarian is anxious to regain pos-

session of the absent volumes. A

hint to the wise is sufficient.

Concert.—On Monday evening

there will be a concert in the 20th

Ward school house, for the benefit

of the Sunday school of that Ward.

Mr. John Daynes will be musical

director and Mr. Joseph J. Daynes

organist and organist. The pro-

gramme, which is before us, is a most

attractive one. The instrumental

portion of the entertainment will

be a great feature of the affair, one

portion of which will be the execu-

tion of a number of musical fea-

tures, assisted by Mr. W. J. J.
