

CON. MERCUR WAS HIGHER TODAY.

The Stock Sold as High as \$3.17
on the Exchange.

LOWER MAMMOTH BOOMING.

Sunshine Puts on Another Sport—
Mammoth Is Firm—Northern
Light Jumps Forward.

Over 21,000 shares of stock were sold on the exchange today for the sum of \$15,845.37. Con Mercur started the ball rolling with the sale of 300 shares at prices ranging from \$3.10 up to \$3.17, a sharp advance over the price of the past few days. Daily West was a little off today owing, probably, to the uncertainty about the price of lead. Sales were made at \$27.70 to \$27.85. Lower Mammoth made another jump today when it sold up to \$1.90. The highest sale recorded yesterday was a little better than \$1.74. From this figure it advanced in the afternoon to \$1.85. After opening at that price today it closed at \$1.90 with the sale of 3,300 shares. Mammoth was traded in at \$2.10 and closed with the figure of \$2.14 asked. Eagle and Blue Bell recorded another advance today when a sale of 300 shares was made at \$2. May Day sold between 40 and 41, while Northern Light from some unexpected cause jumped from 1% to 4%. Rocco Homestake was higher at 95. Star Con. opened at 72 and sold up to 74, but weakened to 73 on the closing sale. Another sport was made in Sunshine today, when it sold up to 30.
