

THE IMPORTANCE

OF EARLY CHRISTMAS SHOULD APPEAL TO EVERY WOMAN.

We wish to emphasize as strongly as possible the many advantages that accrue to the early Christmas shopper. Not only that now our immense holiday stocks are complete in every detail and the selection of gifts may be made under more favorable conditions but it is so much easier to get exactly what is wanted.

We endeavor to keep the store service at its usual high standard during the great rush that invariably occurs the few days preceding Christmas but try as we may, some of the accompanying discomforts cannot be avoided. So we urge every one to make a RESOLUTION TO DO CHRISTMAS SHOPPING EARLY. For your own sake and for the sake of the many employees in every store whose tasks at best are not the easiest.

Dolls! Dolls!

Bring all of the little girls; and the big ones too for that matter, to see our DISPLAY OF DOLLS. You can't imagine how much pleasure it will mean to them. This is the first season that we have included dolls in our holiday stock but nevertheless we are positive that no one can show a better line. And to insure the popularity of this department we have made the price on every doll extremely low.
