

PROGRAM FOR  
THIS EVENING.John Lawson Will Go After the  
World's Record Paced.

## LAP RACE FOR AMATEURS.

Six Teams Will Start in the Two-Mile  
Tandem Handicap Professional  
—Lawson's Bad Fall.

This evening's program at the saucer track consists of sprint races, and a trial for the mile paced record by John Lawson. He will ride behind the single motor with wind shields provided he is able to. While following pace behind the "single" yesterday afternoon he had a bad fall, and for a time it was feared he was seriously injured. Julius was riding the machine at a 1:46 clip when the belt slipped shutting off the power. The machine slowed up and when the belt slipped shutting off the power. The machine slowed up and when the belt slipped shutting off the power. The machine slowed up and when the belt slipped shutting off the power.

Six teams will start in the two-mile tandem handicap professional, as follows: Chapman and Gibson, Clem and Charles Turville, Neiderhofer and Saver, John Lawson and Julius, Vaughan and Gus Lawson, and King and Samuelson.

The same riders with the addition of Waine and Green will start in the half-mile professional handicap.

There will be a five-mile lap race, with the following entered: Eddie, Smith family consisting of Eddie, Jimmie, J. B. and W. E. Hume, Heagan, Bowers, Hermann, Munson, Faintine, Hopper, Mossberg, Kelley, Angell, Leyland, Burgess and Gaines.

## WHITE WINGS DEFEATED.

Boise Teams Red Uniforms Were Too Much for Them.

The Boise team under the management of Harry Stoney, put it all over the Salt Lake at Walker's Field yesterday afternoon, the score being 13 to 0 when the game ended. Some said it was the visitors' red suits that did the business, others asserted it was their superior playing, while others are sure

the home crowd lost because they wanted to.

Certainly it is their work was the worst they are capable of, and that is saying a good deal. They thought they would have an easy thing, but played the fool too long. Hallowell was a mystery to them, and allowed but five measly little hits that did no particular good.

Dan Taylor was put in the box for six innings and was bumped freely. Then Webster undertook to win the game, but failed miserably. His work was no better than Taylor's, and the visitors hit him at will.

The same teams play again this afternoon for \$100 a side. Ripley will pitch for the visitors and Meredith for the locals. Following is the score of yesterday's game:

## TALK OF BIG WAGERS.

Pittsburg Syndicate May Come — Pearson's Offer of \$150,000.

New York, Aug. 30.—Talk of big wagers on the result of the race for the America's cup is becoming more pronounced. A Pittsburg syndicate is now said to be prepared to cover the commission which Mr. Arthur Pearson, the English newspaper publisher is said to have sent to this side. Mr. Pearson asks for odds against the Irish boat of five to three. The Pittsburg men are said to have the courage of their convictions, but are now awaiting the re-

sult of the first trial races before putting up \$250,000 to Mr. Pearson's \$150,000, which would be the largest amount ever recorded as one bet on the result of a yacht race.

## RICH HORSE RACE.

At Sheephead Bay Tomorrow — Worth \$10,000.

New York, Aug. 30.—America's richest horse race, the futurity, is to be run tomorrow, at Sheephead Bay. It will be worth \$40,000 at least, and probably more, the value depending on the number of starters. W. C. Whitney won it last year with Billyho Bey, and it is conceded that he has a good chance to capture it again this year. Many of the futurity candidates were sent from the final trials over the Coney Island Jockey club's course early yesterday morning, and a small-sized army of spectators were on hand to time them. J. E. Madden's Flywheel furnished a surprise even to the best informed by running three-quarters of a mile in 1:13 1/4 and finishing strong. Numerical, Perry Belmont's candidate, was reported to have gone the same distance in 1:13 on Wednesday. W. C. Whitney's candidate attracted the lion's share of attention. Nasturtium was not hurried, covering the distance in 1:17 1/2. King Hanover and Goldsmith, Mr. Whitney's other entries, remained in the stable.

Yankee and Blue Girl, owned jointly by Mr. Whitney and John E. Madden, ran the three-quarters in 1:15 1/4 and 1:15 1/2 respectively. W. O. Sully sent The Baron, John Day's only entry, seven eighths of a mile in 1:23. Water-woman and Temore the regular distance. Other trials at three-quarters were: Hero 1:15 1/2; Capri 1:15 1/2; Nutcracker 1:17; and Lux Casta, 1:15 1/2.

Despite Flywheel's fast work, horsemen like Nasturtium's chances best, and he will probably go to the post a favorite. The race is regarded as an open affair and the victory of any one of the eight horses would not be a great surprise.

## Vesta G., Dead.

New York, Aug. 29.—Vesta G., one of the fastest of the New York Speedway tugs, with a record of 2:34, was killed last night, as the result of a collision with a street car. The mare ran away with her owner, Dr. David Randall, and dashed into the rear of the car. Her neck was broken and a policeman's revolver finished the unfortunate animal.

## Gardner vs "Kid" Carter.

San Francisco, Aug. 30.—George Gardner and "Kid" Carter will meet in a twenty-round contest at the Mechanics' Pavilion tonight. The stipulated weight is 165 pounds. Jack Kitchen will act as referee. The betting is slightly in favor of Carter.

## Lipton Returns Thanks.

New York, Aug. 30.—Sir Thomas Lipton, in returning thanks for the record tendered him at the banquet given in his honor, at Asbury park last night, said:

"The last time I was in America the principal object of my visit was not attained. I did not take the cup away but I carried away the friendship and good will of the American people, which was more than a recompense for my disappointment and defeat. I do not know what my successor will be this time, but I hope I will take away the cup, and that the old folks at home will get a glimpse of it."

## FORESTERS LAWN SOCIAL.

## Members of Ladies Circle Give an Enjoyable Open Air Entertainment.

Ladies' Circle of the Forest No. 634 gave a lawn social last evening at the home of Mrs. G. Berry on Third East street. There were about 250 guests present, and a thoroughly enjoyable time was had. The spacious lawn was illuminated by scores of Japanese lanterns and the national colors were used in some effective decorating. Card playing was the principal diversion of the evening. Miss Wade, attired as Azucena in "The Bohemian Girl," sat in a booth and told fortunes. There were other booths presided over by fair young ladies. A horse and cutter was raffled off and was drawn by Morris Levy. A sofa pillow presented for the drawing by Mrs. McBride, was drawn by Mrs. Louise Acelon of Bozeman, Montana.

The committee on entertainment consisted of Mrs. A. C. McBride, Mrs. Phil Klinge, Miss M. E. Cote, assisted by Mrs. Jessie Lambert. Mrs. McBride is the grand deputy of the circle, Miss Cote is organizer, and Mrs. Lambert the chief champion.

## TO STOP ON CORNERS.

## New Order Issued by Superintendent Read of Street Car Co.

With the consolidation of the two street car systems Salt Lake City will commence to put on metropolitan airs. As the result of an order that has been issued by Superintendent Read on and after September 1, the public will have to board and leave the cars at the corners of the blocks or else walk. This state of affairs is prevalent in all large cities of America. Heretofore in Salt Lake prospective passengers might have been seen strung all along the track at intervals of a few feet apart. This necessitated a number of stops on the part of the motorman and the consequent loss of valuable time. All this is to be changed, as can be seen by the following notice to employees that has been posted:

"Notice to Conductors and Motormen: On and after Sept. 1 the rules for stopping to take on and let off passengers will be as follows:

"On all large city blocks you will only stop at either side of intersections of streets and centers of blocks. On small blocks, such as are above South

Temple street in the northeast part of town, you will only stop on the opposite side of intersections of streets. Stopping in curves is strictly prohibited, except to avoid accidents, or where other cars are in the way.

"Conductors and motormen on the Rapid Transit cars will also respect and conform with rules already up on board respecting stopping at various points."

It is expected that the general public will be soon educated to the new order of affairs and will accordingly appreciate the quick transit which will result.

## EAGLES FETE THEIR LEADER

## Official Visit of Grand Worthy President Del Cary Smith.

The local Eagles were out in their best plumage last evening. The occasion was the official visit of Grand Worthy President Del Cary Smith and his wife. They were met at the depot yesterday and escorted to the Kenyon hotel. After tuncion they were driven over the city under the escort of a committee of Eagles, and later they went to Saltair and indulged in a plunge in the lake, which they keenly enjoyed.

On the return to the city the president was taken to the local aeris on Richards street where he was welcomed by a large number of Eagles and their friends. Then there was a program of music and speeches, including an address by President Smith, followed by choice refreshments.

Mr. Smith and his wife went to Ogden this morning, and after visiting the lodge there, they will continue on to the coast.
