

# LYNCHING MOB STORMS BUTTE JAIL

Once Inside They Battered Away At the Big Steel Doors But Without Success.

## FINALLY SENT FOR DYNAMITE.

Messenger Did Not Return—Ring Leaders Abandoned Attempt and Crowd Finally Dispersed.

Butte, Mont., Sept. 4.—Over 100 men at 2 o'clock this morning made a determined but unsuccessful attempt to lynch James F. Barnes, who late Sunday night shot and killed Patrick Hanley as the result of a slight argument. The jail was taken by storm, the would-be lynchers commanding the broad stairway leading to the doors of the courthouse and with drawn pistols fired over the heads of the crowd and the police who attempted to enter. Inside a mob battered at the big steel doors but without success. In the upper corridors were stationed a number of deputy sheriffs, with rifles and revolvers and this tended to hold the angry crowd back. The mob finally sent for dynamite, but those dispatched on the errand failed to return within an hour and the ring leaders abandoned the attempt and were persuaded by the police to disperse. Barnes had been in the jail since he was arrested two years in San Quentin penitentiary for shooting Bert Cooper in Chicago.

Hanley was one of the most popular miners in Butte, and lynch talk and threats are still rife. At 4 o'clock this morning the police were in control of the jail.

### THE VICTIM.

Butte, Mont., Sept. 4.—Patrick Hanley, aged 27, a miner, was shot and killed at 2 o'clock this morning by J. F. Barnes, a barber, after a quarrel between the two on Main street. Barnes who is said to have a wife and three children in San Francisco, has been in justice courts several times in assault cases and was regarded as a bad man. Hanley was unarmed.

## TAFT PARTY GIVEN RECEPTION IN HONG KONG

Hongkong, Sept. 4.—The Taft party arrived at Canton this morning and proceeded to the American consulate, where its members were met by a battalion of the viceroys' guards. After a reception at the consulate, the party became guests of the new Canton railway, covering its entire distance. At 1 o'clock the visitors were entertained at luncheon by invitation of the viceroys, who, however, was ill and unable to be present. His representative made a speech, referring to the friendly relations between China and America. Secy. Taft, in his response, said that by the direction of the president he was pleased to note the friendly relations of the two countries. The United States did not want one foot or one acre of the soil of China.

The secretary said he thought the boycott of American goods was an unreasonable violation of treaty rights and conditions between the two countries, and declared that he was glad the viceroys had ordered the boycott stopped. The party's trip to Canton had had an immense effect and it is believed that within two weeks the boycott will end. The viceroys on Monday morning gave notice that he had ordered the boycott to be declared off and all of its leaders to be arrested and punished. Old residents of Canton say that they believe the agitators are using the boycott as an excuse for a demonstration against all foreigners.

# LADY'S TERRIBLE RAW ECZEMA

No Tongue Can Tell Suffering—Body and Face Covered with Itching, Bleeding Sores—Awful Pain—Doctors and Medicines Failed.

## ANOTHER WONDERFUL CURE BY CUTICURA

"No tongue can tell how I suffered for five years with itching and bleeding eczema, until I was cured by the Cuticura Remedies, and I am so grateful I want the world to know, for what helped me will help others. My body and face were covered with sores. One day it would seem to be better, and then break out again with the most terrible pain and itching. I have been sick several times, but never in my life did I experience such awful suffering as with this eczema. I had made up my mind that death was near at hand, and I longed for that time when I would be at rest. I had tried many different doctors and medicines without success, and my mother brought me the Cuticura Remedies, insisting that I try them. I began to feel better after the first bath with Cuticura Soap, and one application of Cuticura Ointment. I continued with the Soap and Ointment, and have taken four bottles of Cuticura Resolvent, and consider myself well. Any person having any doubt about the wonderful cure by the Cuticura Remedies can write to my address, Mrs. Altie Elson, Bellevue, Mich."

## ITCHING ECZEMA And All Other Itching and Scaly Eruptions Cured by Cuticura.

The agonizing itching and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of scalp, as in scalded head; all demand a remedy of almost supernatural virtues, to successfully cope with them. That Cuticura Soap, Ointment, and Pills are such stands proven beyond all doubt.

In the Russian army the prevailing spirit is one of satisfaction and even of lively rejoicing, though general confidence is expressed that the Russian troops would be victorious if they had to fight another battle. The feeling of many of the officers may be summed up in the words of an eminent commander:
