PROTECT YOUR BUILDINGS Which may be done with one-fourth the S usual expense, by using our PATENT SLATE PAINT. U MIXED READY FOR USR. TEASDEL. Fire-proof, Water-proof, Durable, Economical and Ornamental. A roof may be covered with a very theap shingle, and by application of this slate be made to last from 20 to 25 years. Old roofs can be patched and coated, looking much better, and lasting longer than new shingles without the slate, for Hats and Gloves. DEPT. One-Third the Cost of Reshingting. The expense of slating new shingles is only about the cost of simply laying them. The paint is FIRE-PROOF against sparks or flying embers, as may be easily tested by any one. IT STOPS EVERY LEAN. and for tin or iron has no equal, as it er-pands by heat, contracts by cold, and NEVER CRACKS nor scales. Roofs covered with Tar Sheathing Felt can be made water tight at a small expense, and preserved for many years. This Slate Paint is EXTREMELY CHEAP. Two gallons will cover a hundred square feet of shingle roof, while on tin, iron, feit, matched boards, or any smooth sufface, from two quarts to one gallon are required to 100 square feet of surface, and although the Paint has a heavy body it is easily ap-plied with a bruch. No Tar is used in this Composition therefore it neither cracks in Winter, nor therefore it neither cracks in Winter, nor runs in summer. Ou decayed shingles it fills up the holes and pores, and gives a new substantial roof that will last for years. CURLED or wattree shingles it brings to their places, and keeps them there. It fills up all holes in Feit roofs, stops the leaks—and although a slow dryer, rain dees not affect it a few hours after applying.
