Provo, Utah, Nov. 22.—County Attorney Evans received a telegram last evening from Andrew K. Anderson, of Anaconda, Montana, secretary of the Association of Machinists, of which Schmitt, the man who was killed on the Rio Grande Western track near this city Tuesday, was a member. The telegram directed Mr. Evans to hold Schmitt's body till further orders.

The coroner's jury, which adjourned till 4:30 yesterday afternoon in order to take the trainmen's evidence, learned at that hour that the men could not get here till later in the evening and again adjourned till 10 o'clock this morning, when the inquest was held.

Mrs. Lamb was the first witness this morning. She testified that she had seen the unfortunate man walking along the Rio Grande Western track in front of the moving train, just before it struck him.

NO ARGUMENT NEEDED.

Every Sufferer from Catarrh Knows that Salves, Lotions, Washes, Sprays and Douches do not Cure.

Powders, lotions, salves, sprays and inhalers cannot really cure Catarrh, because this disease is a blood disease, and local remedies, if they accomplish anything at all, simply give transient relief.

The catarrhal poison is in the blood and the mucous membrane of the nose, throat and trachea. To relieve the system by secreting large quantities of mucus, the discharge sometimes closing up the nostrils, dropping into the throat, causing deafness by closing the Eustachian tubes, and after a time causing catarrh of stomach or serious throat and lung troubles.

A remedy to really cure catarrh must be an internal remedy which will cleanse the blood from catarrhal poison and remove the fever and congestion from the mucous membrane.

The best and most modern remedies for this purpose are antiseptics scientifically known as Eucalyptol, Guaiacol, Sanguinaria and Hydrastin, and while each of these has been successfully used separately, yet it has been difficult to get them all combined in one palatable, convenient and efficient form.

The manufacturers of the new catarrh cure, Stuart's Catarrh Tablets have succeeded admirably in accomplishing this result. They are large, pleasant tasting lozenges to be dissolved in the mouth, thus reaching every part of the mucous membrane of the throat and finally the stomach.

Unlike many catarrh remedies, Stuart's Catarrh Tablets contain no cocaine, opiate or any injurious drug whatever and are equally beneficial for little children and adults.

Mr. R. Brandt of Rochester, N. Y., says: "I know of people who have suffered as much as I from Catarrh of the head, throat and stomach. I used sprays, inhalers, and powders, but had no relief, with only slight relief and had no hope of cure. I had not the means to make a change of climate, which seemed my only chance of cure."

After reading I read an account of some remarkable cures made by Stuart's Catarrh Tablets and promptly bought a fifty cent box from my druggist and obtained such positive benefit from that one box that I continued to use them daily until I now consider myself entirely free from the disgusting annoyance of catarrh; my head is clear, my digestion all I could ask, and my hearing which had begun to fail as a result of the catarrh, has greatly improved until I feel I can hear as well as ever. They are a household necessity in my family."

Stuart's Catarrh Tablets are sold by druggists at 50 cents for complete treatment and for convenience, safety and prompt results they are undoubtedly the long looked for catarrh cure.

On Charge of Burglarizing Clisco Station—Death of Clyde Hibbs.

Special Correspondence.
Moab, Grand Co., Nov. 19.—David Hatch, Jr., of Vernal, today, was acquitted of the charge of burglarizing the Clisco station on the Rio Grande Western railway. The boys, whose ages are 19, 21 and 23 respectively, do not appear to be "tough," especially does the Toliver boy appear to be frank, open-faced youth whom none would suspect of anything crooked.

The Clisco station was entered the night of October 20th, and the men failed to open the safe. The robbers secured nothing of value. The above named boys were at that time camping near from Clisco and immediately detected by the station agent and taken into custody. Their trial, which has been a long one, and which has been bitterly fought, and as before stated in an acquisition. The jurors' names are: Mr. J. W. Smith, of Laramie, today; Kirk, John Watts, Myron Lance, Andrew Tangren, S. A. Taylor and Niel Ray. District Attorney Woods and County Attorney Borlin represented the state while D. H. House, A. C.
