DR. PRENTICE.

RECENTLY FROM LONDON, ENG

Eye, Ear & Catarrh SPECIALIST,

Now at the CONTINENTAL HOTEL where he can be seen until July 5th.

Dr. Prentice arrived in New York City from London, England, the latter part of February, on the steamer *Etruria*. The doctor spent the seven previous months in visiting the hospitals of Europe. During this tour he visited Ireland, Scotland, England, Holland, France, Principality of Monaco, and in Italy the cities of Genoa, Pisa, Rome, Naples, Ruins of Pompeii, Florence and Venice.

The doctor operated on several hundred cross-eyes during his visit last year to California and Nevada, and in no case required over one minute to perform the operation, and in some cases straightened cross-eyes in fifteen seconds.

SHE SAID SHE WOULD SCREAM.

Hearing of the remarkable operations being daily performed by Dr. Prentice, our reporter called up, and arrived just in time to be introduced to Miss Agnes Reedy, whose mother lives on the corner of 19th and Eureka streets. The Doctor was about to straighten her right eye, which turned outward instead of inward. The young lady emphatically declared to Dr. Prentice that she would scream just as hard as she could. She failed to scream, as the operation was successfully accomplished before she was aware of the fact. The time was forty-five seconds by our reporter's watch. Upon arising from her chair Miss Reedy exclaimed, "Why, I would rather have my eye straightened again than have a tooth pulled."—*Daily Report, S. F.*

VIRGINIA CITY, March 28, 1888.—Dr. Prentice—Respected sir: Your operation on my daughter Amelia's eyes is quite a success. You are at liberty to refer to us, as her eyes will testify for themselves. MRS. J. ELKIN.

VERY GRATEFUL.

Mr. D. McIntyre of Battle Mountain, Nev., called on Dr. Prentice on June 2d to have the cross eyes of his nine-year-old daughter made straight. The operation was done in less than thirty seconds. The little girl did not utter a word during the operation and after said it did not hurt.

The following are a few of the many operations done in less than a minute by Dr. Prentice:

Louisa Rocklich, Plymouth, Cal., has been troubled with defective vision all her life; has consulted many physicians; visited Geneva, Switzerland; was treated there by eminent occulists. Dr. Prentice restored her sight in a few days.

DEAFNESS CURED.

Madame Emma Seaman, the widow of the late Baron H. Seaman, has been deaf for some time; could not hear a watch when pressed hard against her ear. She has been under Dr. Prentice's treatment for only two weeks, and can now hear the same watch three feet from her ear. She is not only delighted but greatly astonished at the speedy and perfect results of Dr. Prentice's treatment. The Doctor says the cause of the deafness was catarrh of the internal ear. Professor Seaman will be pleased to answer any question concerning her case at San Francisco Lodge of Elks, S. F., Cal.

Chat Roberts cured of deafness. Many more cases could be referred to but space forbids. Those wishing to see the Doctor should do so at once at Continental Hotel, Salt Lake City. Send one cent P. O. stamp for Dr. Prentice's Journal on diseases of the head.

EVENING NEWS.

TELEGRAPHIC NEWS.

GENERAL HAPPENINGS.

Another Grand Demonstration for the Plumed Knight.

CHICAGO, June 19.—The Blaine scheme was considerably fortified tonight by a grand demonstration on Michigan Avenue, in front of the Leland House, where the California delegation have their headquarters. This overflowed on the sidewalk and in the street in front of the hotel and the Blaine supporters in the delegation at once seized upon the opportunity to make a still deeper impression from the Pacific Coast in favor of Blaine's nomination by the convention, despite his two letters and the apparent effort of Blaine's leaders to counteract the current in favor of Blaine's presentation by this convention.

Creed Haymond, chairman of the California delegation, Editor De Young, of the *Chronicle*, Mr. Estee, selected permanent chairman, and other Coasters who are ardent supporters of the Blaine movement, appeared upon the hotel balcony, and it was not difficult to get Mr. Haymond to respond to demands from the throng beneath for a speech. Haymond was introduced by the California delegation to a cheering crowd as the man who would do all he could do to make the nomination of the Maine statesman so pronounced a demand on the part of the republican party, that Blaine's republican loyalty would compel him to accept, whether such acceptance would be a sacrifice of his personal preference and private desire or not. Mr. Haymond entertained the constantly gathering multitude for more than an hour, although the flow of his eloquence was several times impeded by the appearance on the street of a great Gresham parade, which has been one of the features of the demonstration in this city tonight.

ANNOYANCE FROM THURSTON'S REFERENCE TO BLAINE.

CHICAGO, June 19.—Temporary Chairman Thurston's reference to Blaine in his speech had very much the same effect on some delegates as a red flag does to an infuriated bull, and they didn't hesitate to express disgust and anger at his remarks. After the convention adjourned the Palmer House was the scene of many gesticulations and serious debates over Thurston's remarks, the delegates from the south and west being particularly annoyed at him.

THE PACIFIC COAST MEN

were furious, particularly California. They rose up as one man and determined to work harder than ever for the "Man of Maine." Said one of the California delegates.

"Thurston's statement that we dare not commit the political crime of nominating James G. Blaine against his will came with poor grace from such a source. It was a direct insult to the Pacific Coast delegations and intended, it seems, as a square slap in the face of the Californians. We are willing to accept the challenge and are prepared to fight the battle at every point along the line."

THE NEWS ON ESTEE'S ELECTION.

Just at this time the news reached the California headquarters that the committee on organization had selected California's favorite, M. M. Estee, as permanent chairman. Such a whoop and yell was given by the delegates. Hats, canes, umbrellas, canes, handkerchiefs and everything else in reach were thrown from one end of the headquarters to the other. The delegates slapped each other's backs enthusiastically.

"Hurrah for Blaine!" was the only cry. The delegates didn't seem to love their own Estee less, but they certainly demonstrated that they loved Blaine of Maine above almost everything on earth. The news of Estee's selection as permanent chairman spread like prairie fire. It was regarded as a Blaine victory pure and simple.

The first day's session of the convention came as a relief to the tired army of president-makers, who had worn themselves out in the hot corridors of the hotels, but it has brought few developments bearing upon the outcome. More significant than anything else was the expression of the delegations

CONCERNING BLAINE'S NOMINATION.

The galleries cheered the leader of 1884, and so did the delegates, but when Chairman Thurston warned the convention that it must not commit suicide by nominating Blaine against his will, the delegates gave an expression of approval. The extreme Blaine boomers, such as the Californians, for instance, are tonight indignant at Judge Thurston's remarks, but the convention as a whole certainly did not scorn them. The verdict tonight is that the overwhelming sense of the convention has been well shown to be against the Blaine business, except in the event of a hopeless deadlock and turning to the leader of 1884 naturally and by general consent.

In the canvass that is going on outside of the convention hall, perhaps

THE MOST SIGNIFICANT FEATURE

as received this evening is the inability of Depew's friends to make a serious impression upon the convention. During an avowed candidacy of a day and a half he has been able to gather but little strength outside of his state. Depew tonight claimed 140 votes on the first ballot, but men well informed give only 100. He has, in addition to the 72 votes of New York, a few in New England insecurely held, one or two in New Jersey, two in Pennsylvania, six or eight in Maryland, about the same number in Alabama, three in Louisiana and scattering votes to the number of perhaps a dozen more.

HOW THE STATES WILL VOTE

According to the present programme the vote of New England which, excepting Hawley, has no candidate, is to be split among all the candidates at the outset. Maine will give her vote to every candidate in the field. Vermont will vote for Sherman. Massachussetts and New Hampshire will split. Rhode Island will vote for Allison, and Connecticut, of course, for Hawley. New York is solid for Depew, excepting John O'Brien, who declares he will vote for Blaine. New Jersey is for Phelps, Pennsylvania has 35 for Sherman, 15 for Fitler and 10 scattering. Ohio is for Sherman, Indiana for Harrison, Michigan for Alger, Wisconsin for Rusk and Iowa for Allison. Minnesota has ten votes for Gresham and four scattering: Kansas for Ingalls, Colorado and Nevada doubtful. Oregon for Gresham and California for Sanford.

The south is divided between Sherman, Gresham, Alger, Depew and Harrison.

AN INTELLIGENT ESTIMATE

of the first ballot shows 11 candidates with the votes about as follows: Sherman 250, Gresham 100, Depew 100, Alger 80, Harrison 120, Allison 50, Phelps 18, Rusk 22, Ingalls 14, Fitler 15, Stanford 16. This leaves 35 votes unaccounted for. Missouri and Arkansas are still doubtful quarters. It is believed there will be no material change from this estimate for a ballot or two, and it is thought the convention will adjourn over night. During that night some combinations will be made with a view to controlling the nomination the next day. At the present writing the nomination of Depew appears impossible. What Depew will do when the moment comes for abandoning his own canvass, is one of the mysteries of the hour. An intimate friend of Depew's said tonight:

"If Depew cannot be nominated, I look to see him rise and in a theatrical manner throw his votes to Blaine. Mr. Depew himself will be placed in nomination by Senator Hiscock."

Just now one fact is pretty well settled, and that is the nomination of a soldier in one place or the other. This fact militates much against Allison, who otherwise is in a good position. The opposition of the Pacific States clearly weakens Sherman.

A WOMAN'S DISCOVERY.

"Another wonderful discovery has been made and that too by a lady in this county. Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly and could not sleep. She bought of us a bottle of Dr. King's New Discovery for Consumption and was so much relieved on taking first dose that she slept all night and with one bottle has been miraculously cured. Her name is Mrs. Luther Lutz." Thus write W. C. Hamrick & Co., of Shelby, N. C. Get a free trial bottle at A. C. Smith & Co.'s Drug Store. (3)

BRIGHT'S DISEASE.

The following statement from Mrs. Emeline P. Misner of Burg Hill, Ohio, will be of great interest to those who suffer from Bright's Disease or Gravel.—"I have long resolved that I would apprise you of the deep sense of obligation which I feel. There is nothing which I now enjoy that I do not owe to the happy chance of having used Dr. David Kennedy's Favorite Remedy at a time when I was suffering all that a human being could endure. My troubles began in my Kidneys over nine years ago and from which

I Never Expected to Recover.

I was compelled to use a cane when I walked, and I finally got so weak that I could not stand alone. In a few months my physician said I had Bright's disease, which was indeed alarming information. To add to my affliction after I had been ill about two years, I had a bad attack of Gravel. Six years ago, last June, how well I remember the day, I saw Dr. David Kennedy's Favorite Remedy of Rondout, N. Y., advertised in our paper. After using one bottle I threw away my cane and went to New York on a visit, and three bottle cured me, this was six years ago. I have never had a return of gravel, nor of the pains or weakness in the back, and though I am over sixty years of age

I am Now Vigorous and Strong

as I was in my prime. I do all my own work, and rarely know what it is to be tired. I keep the medicine in the house and give it to my grandchildren, and recommend it whenever I can. What physicians and all of the many remedies I had taken could not do, Dr. Kennedy's Favorite Remedy did; it stayed the disease and made me a strong, vigorous woman.
