Connie Mack became a hero in the funaker City by landing the Athletics in the first place in '02, and then Jimmle Collins carried the Boston Americans across the line in '03 and beat out Fred Clark for the big hopors. Collins re-peated in '04, and John McGraw had a walkover for the honors in the Na-tional lengue and then repeated to Eacel Connie Mack's Athletics and low-ered their colors.

A Boston baseball expert says: As a business baseball has certainly grown to be a queer proposition, with no ideal or standard to work by, while as an art the ideal has been reached by fully half a dozen teams in the last 40 years. This winter there seems to be a crase for trading players, with the hope of driving the men to their topnotch speed. A change of base will

The Boston Americans won two straight championships, then dropped Latchance for Grimshaw and finished in the sec-ond division. From a world-beater to a tailender in two years is the re-cord for dropping off the map. Next year we will have practically a brand new team, mostly of youngsters, with the hope of developing a winner. The game has produced 47 cham-pion teams in the last 37 years in the 11 citles which now make up the two major leagues. This includes the Na-tional league, the original American association, the layers' league and the American league—four really major organizations attracting the attention of the whole country and worthy of record. has produced worked together for years Outside of the cities now in the big circuits to enjoy a national winner was Providence in '75 and '84. "I believe I have one more good fight left and I'll meat any of them with bare fists or padded mitts," he says. Bill Clark was born at Belfast, Ire-land. At that time in England the "pugliistic association" prevailed, and fights were held weekly in public booths. Upon the occasion of one of these weekly fights Clark was pre-valled upon to go on with a lad named Punch. Although Punch weighed 140 and Clark 100 pounds, the latter won easily. casily. The booth proprietor took up the youngster at a salary of 10 shillings a week, and he jumped into popular fa-vor at once. For nine years he reall comers.
