

road to Ninth North street and thence west to Fifth West street. Committee on waterworks.

F. B. Stephens called attention to the impassable condition of Second South street between Twelfth and Thirteenth East streets and Thirteenth East street, between First and Second South streets and asked that they be repaired. Committee on streets.

The Builders and Traders Exchange asked that the contract for building the gravity sewer be let to Salt Lake workmen. Committee on sewage.

F. S. Hadra and others asked that a flagstone crossing be built over First South street from the northwest corner of Commercial street.

H. W. Lawrence and others asked that they be not compelled to lay a sidewalk in front of the property known as the Kimball block on First South street between East and West Temple streets. Committee on streets.

The Salt Lake Soda Water company sent in a sealed bid for privileges of selling candy and refreshments at Liberty Park for the season of 1893. Committee on public grounds.

John H. Ilcock asked for a sewer extension on Third South street between Second and Third East streets. Granted.

C. L. Hamilton and others asked that a ditch be constructed either on Ninth West street to the Jordan river or on Fifth South street to the canal or river. Jordan canal and Irrigation committee.

#### AGAINST IMPORTED LABOR.

The Combined Federation of Labor sent in a communication protesting against the action taken by the Culmer-Jennings Paving company in flooding the city with laborers from outside of the territory. They also submitted a copy of a telegram sent to the company by the I. X. L. Employment Agency of Denver, stating that they had sent two additional men, and could send all that were needed. The matter was referred to a special committee of three, with instructions to look into the matter at once.

#### PENDLETON REAPPOINTED.

The mayor sent in a communication announcing the appointment of A. J. Pendleton as land and water commissioner at a salary of \$150 per month. Confirmed.

#### AFTER THE STREET RAILWAYS.

The board of public works recommended that in case the street railway companies do not comply with the request of the board in putting down their respective pavements, as that done by the contractors, that the city do the work to the extent of grading and laying the strip of stone block pavement outside of the outside rails and into which the asphaltum paving be keyed, and that the companies be charged for the same. Referred to the city engineer and city attorney.

#### INSPECTORS APPOINTED.

The board of public works reported that they had employed S. H. Carlisle, H. B. Fargo, T. F. Griffiths and D. I. Moran as inspectors, at salaries of \$100 per month each, to supervise paving on East Temple, First and Second South and West Temple streets, and laying

of various sidewalks. Action was postponed until Friday night next.

#### AS TO GROUTING.

In the matter of the petition of the Culmer-Jennings Paving company asking permission to use a Utah product for grouting the stone block portion of their contract, instead of prescribed material, the board of public works reported that a motion that the petition be granted had been carried by the board by a vote of three to one. Referred to the city attorney and city engineer.

#### WITHIN THIRTY DAYS.

The board of public works sent in a communication recommending that the Utah Stone and Hardware company, Joseph E. Carney and the Dyer estate be compelled to lay sidewalks in front of their property within thirty days, and if at the expiration of that time they have failed, that the city do the work at their expense. Adopted.

#### REMOVAL OF GARBAGE.

The committee on municipal laws recommended in the matter of the specifications for the removal of garbage, that the same be referred to the city attorney for a report on the question of whether or not the placing of the crematory in the charge of an outside contractor would affect the discharge of the bond given by the builders of the furnace, and the bond of the Engle Sanitary and Cremation company as given to the city. Adopted.

#### AS TO SIDEWALKS.

The board of public works recommended that the petition of William Shaufelin to lay a flagstone sidewalk in front of the premises at No. 17 and 19 East Second South street, be granted; also that the petition of W. J. Lynch et al. for sidewalk extension on Fifth East street, be granted.

#### AT \$600 PER MONTH.

The city engineer reported that in order to dispose of the work assigned him he had employed eight additional men at a cost of \$600 per month who were now engaged in taking levels for the extension of grades in plat D, and for the boulevard. Adopted.

#### THE NEW JAIL.

The committee composed of the city engineer and building inspector, to whom was referred the matter of the plans and specifications for the proposed new jail, reported that they would have to have the entire specifications before they could make an intelligent report. The suggestion was filed and the committee on prisons instructed to furnish the needed specifications.

#### TREES WILL BE DESTROYED.

The city engineer reported the placing of electric light poles inside of the curbs on West Temple street would necessarily destroy all the trees and to place them in the center of the street was dangerous because of the length of wire necessary to reach between the poles and buildings. The contractors, he said, were ready to begin work at once; that the Electric Light company would move their poles to any place the council might designate.

On motion of Horn it was decided to place the poles inside the curb line.

#### COST OF "CELLAR" GRAVEL.

In reference to the cost of work on Fifth South street from Third to Fourth West streets; also on Second East from Third South to Sixth South, the street supervisor reported that the ten blocks can be covered with cellar gravel to a depth of four inches for \$195.60 per block or a total cost of \$1,956.00. Filed.

#### COST OF STREET IMPROVEMENTS.

Street Supervisor Hines reported that he had expended \$15,338.80 in street improvements for the quarter ending March 31st, 1893. Committee on streets.

#### LIQUOR LICENSES.

The committee on license recommended the renewal of liquor licenses be granted to C. H. Reilly, J. Sandheim, George Sinclair, P. J. Howe, Hasler & Co., Salt Lake City Brewing company, Bechtol & Sands, John Egan, James Hegney and Barnhardt & Stahl. Adopted.

#### CENTER STREET FLUMING.

The city watermaster was instructed to lay one thousand five hundred feet of irrigation ditch fluming on Center street at once. Adopted.
