WESTERN. The Election West SAN FRANCISCO, 9.-During the day there has been a great deal of talk about frauds in the city election, and the Board of Supervisors have authorized the Finance Committee to investigate the matter after the returns have been canvassed. The frauds are alleged to have been perpetrated through the medium of the certificates on which the parties vote who applied for registration too late for their names to go on the great register. The returns from the interior have been very meagre. Geo. C. Gorham received a dispatch from Oregon this evening, signed by Senator Mitchell and congressman elect Williams, stating that Senator Kelly concedes the State republican, by 800 majority. A Virginia City dispatch says Hayes' majority is certainly not less than 1,100.
