FOOTBALL SEASON FOR HIGH SCHOOLS

Collegiate Institute to Meet High School in First Game of The Year.

BOTH TEAMS TRAINING HARD.

Event Occurs at Cummings' Field Tomorrow Afternoon and Rivalry is Keen on Both Sides.

Tomorrow at the University of Utah campus, the football season for secondary schools will open, and the game little players of the high schools and academies will commence their fight for honors in their class.

The game tomorrow is between the Salt Lake High School and the Collegiate Institute, and is the first game for both teams. They have both practised considerably for it, however, and a good game, if not a close game should result.

The Salt Lake High School has had a great advantage over the other schools of the state, in that it has been taught a very advanced sort of football right from the start, and for the past dozen years has had the Yost style "down pat" developing if like Yost himself from the slower and heavier bucking game of our ancestors. Before the University got into the new movement the manner of its defeats to the tune of 90 to 9 bore witness of the High School's superiority in style. Since then the other secondary schools of the state have borne the brunt of the High School attack, and last year they all played for second place well back towards the rear.

This year the High School began with many of its best men gone, but it went right to work to make new ones for the vacancies, and now has a fairly good working team with plenty of substitutes and a lot of new plays. Rapid scrimmage work was indulged in last night, while the back field men were practised at booting the ball. New shoes and head gears all around were on hand, so that the team will go into the field well prepared.

The lineup is as follows:

High School.	Collegiate Institute.

Settle	L. t. McBeth
H. Hyde	L. t. Bayless
Morris	L. g. Gleason
	C. Beach
Roberts	R. g. Benton

PRIZES FOR BOWLERS.

Spokane Ten-pin Artists Will Be Given Tickets to Salt Lake.

In Spokane they have a bowling league and recently the directors of the same decided to do away with the system of giving prizes, cash and otherwise, to the high men, and concluded the best reward would be round trip tickets to Salt Lake. It is almost a certainty that Salt Lake will get the annual bowling tournament of the Western Bowling congress this year, and Spokane will be generously represented.

Yale Team Light.

A New Haven dispatch says:

The Yale football eleven, as it stands today, is a revelation in revolutionary methods. It is light and fast, and the style of game and methods of development of former years have been discarded by the coaches. Indications now are that not a single player will go into the big games touching 200 pounds, and that the failure of the giants Yale was seeking for its rushline to enter was a blessing in disguise. The team this fall has been built upon the promise of Walter Camp and his football strategists to open up the game under the old rules, to prove that light, lively elevens can sweep the big ones off their feet; and to show that the reason that the big games of last season were uninteresting and not productive of long runs was due to two things: First, that the Yale-Princeton game was played on a heavy, rainy field on which long runs were impossible and, second, because in the Yale-Harvard game the heavy Harvard team killed time and made the game uninteresting.

PLAYED A TIE GAME.

Oregon 'Varsity Team Held Berkeley Down to 0 to 0.

Berkeley, Cal., Oct. 12.—In the best game of football on the California field this season the University of Oregon played the California 'varsity and held them down to a 0 to 0 score. Firesell, right half, and Moores, who played left end, were the stars of the Oregon team. Moores made the only sensational run of the day. Four times he circled California's left end on trick plays. He made the last dash of thirty-five yards a few minutes before the end of the game. The other three runs netted only forty yards. Firesell leaped over the California line, breaking up California plays. His speed and backing power were tremendous.

In the first half Oregon was weak on the offensive and only made downs once, but it outpunted California. California was twice within five yards of the goal line, but each time the poor judgment of the quarterback, Booth, lost the chances and Litarusetta punted out of danger for Oregon. The half ended with the ball in California territory, fifteen yards from the line.

In the second half she completely outplayed California. Firesell and Moores doing great work. Moullen tried a place kick for goal from the twenty-five yard for Oregon, but missed and the chances for scoring ended.

San Francisco	31	32	.492
Seattle	28	30	.483
Portland	26	28	.481
Tacoma	26	31	.456

Los Angeles, Oct. 12.—Darkness terminated a ten-inning tie game today between Tacoma and Los Angeles, with the score standing 6 to 6. The game was interesting and even sensational at periods, replete with hard hitting and clean fielding, with first one team and then the other in the score.

Score:	R.	H.	E.
Los Angeles	6	14	1
Tacoma	6	14	1

Batteries — Nagle, Baum and Eager; Emerson and Hogan.
Umpire—Perrine.

San Francisco, Oct. 12.—The local team was given an unusual gift of today's game against Seattle. Up to the last inning San Francisco had been blanked largely through the good pitching of Jones. In the last of the ninth Jones lost control and in succession sent three men to first on balls. Then C. Hall displaced Jones, but the substitute was just as unsteady and gave the next four batters free passes. This forced in four runs and ended the game.

Score:	R.	H.	E.
Seattle	5	10	2
San Francisco	1	9	1

Batteries—Jones, Hall and Frary; Hitt and Wilson.
Umpire—Davis.

Portland, Oct. 12.—Portland-Oakland game postponed; rain.

Chicago, Oct. 12.—The Chicago American league baseball team defeated the Nationals today in the second game of the series for the championship of Chicago. Ruelbach of the Nationals was hit hard and was replaced in the second inning by Brown. Donohue of the Americans made an exciting home run with two men on bases. The Americans fielded well, but the Nationals outbatted them. Attendance, 11,500.

Score:	R.	H.	E.
Americans	7	8	1
Nationals	4	13	3

Batteries — Altrock and McFarland; Ruelbach, Brown and Kling.
Umpires—Johnstone and Connolly.

Boston, Oct. 12.—The local American league team by winning today's game has only to win one game out of the remaining three to take the series. The National team was completely outclassed today. Attendance, 4,000.

Score:	R.	H.	E.
Americans	12	14	0
Nationals	0	6	4

Batteries—Winter and Criger; Fraser and Moran.
Umpires—Emslie and O'Toughlin.

St. Louis, Oct. 12.—The local National and American league teams battled ten innings to a tie today, the game being called on account of darkness. Attendance, 2,300.

Score:	R.	H.	E.
Nationals	1	3	1
Americans	1	6	3

Batteries—McFarland and Grady; Powell and Spencer.

READY FOR RACE.

Everything Completed for Big Vanderbilt Cup Event Tomorrow.

New York, Oct. 13.—All is in readiness for the big international automobile road race for the Vanderbilt cup over the Nassau circuit on Long Island tomorrow. The course is in fine order and the 18 contestants have their cars turned up and ready for the best of which they are capable.

Arrangements have been made to accommodate a vast crowd of spectators.

With so many drivers equally matched in daring and skill, few of the experts would express any opinion last night as to the probable winner. They contented themselves by saying that automobiling racing is too uncertain a game to try to pick a winner, as the least swerve, false turn, slight defect or punctured tire might mean the loss of the race.

The first car will be sent off at 6 o'clock tomorrow morning and the other machines will follow at one minute intervals. The course of 28.3 miles over which the cars will make 10 circuits for a total distance of 283 miles is considered faster than the one last year, and several of the drivers have expressed an opinion that world' records for road racing will be made.

If the cup, which is valued at $2,000, is not won by an American car it will go abroad, and will be raced for next year on the soil of the country winning it.

Four countries will be represented in the race for the Vanderbilt cup—America, France, Germany and Italy. Each country, under the conditions of the race, can start five cars. America, France and Italy will have the full complement, but the German team will start only three machines.

Philadelphia, Oct. 12.—It was all New York today in the third game for the baseball championship of the world between the National league champions and the American league pennant winners, the visitors scoring nine runs, while the home team failed to tally. The series now stands two to one in favor of New York. Mathewson pitched another magnificent game, the Philadelphians hitting him for only four singles—the same number of hits they made off him on Monday. Only one home player reached second base. Coakley, the former Holy Cross college pitcher, received poor support, the American leaguers putting up one of the worst exhibitions of fielding they have been guilty of this year on the home grounds. Murphy was the chief offender. He fumbled three grounders at critical moments, and Hartzell dropped a fly ball. The usual good head work of the home players was missing. New York played an easy game.

DISTRESSING FOR ROOTERS.

New York started off with a rush in the first inning. Bresnahan was hit by a pitched ball. Brown fouled out to L. Cross, who held Bresnahan on first. Donlin singled, Bresnahan going to third. McGann also singled on which Donlin moved to third, while Bresnahan scored the first run. Then Murphy fumbled Mertes' grounder, on which Donlin scored. Dahlen waited for four balls, filling the bases. Devlin chopped a grounder to Coakley, who threw McGann out at the plate, and Schreck made a pick throw to first, heading off Devlin, completing a double play. Excepting a muff by Hartzell, of McGann's fly in the third inning, the New Yorkers went out in order in the second, third and fourth innings.

The fifth inning was a distressing affair for the home rooters. Mathewson went out on an easy grounder to M. Cross. Bresnahan was given a base on balls. Murphy fumbled Browne's grounded Bresnahan going to third, and Browne took second on the throw to catch Bresnahan at third. Donlin was purposely given four balls, filling the bases. Then Murphy fumbled McGann's easy grounder, Bresnahan scoring. A single by Mertes to right sent Browne home. Dhalen forced Mertes at second, on which play Donlin scored, and a moment later Rahlen stole second, while Coakley held the ball. McGann scored the fourth run of the inning on Devlin's single, Dahlen going to third. The Philadelphians' signals went wrong as Devlin stole second and Dahlen slid across the plate with the fifth run. Gilbert, the ninth man up in the inning, sent a fly to Lord.

Powers relieved Schreck behind the bat in the sixth inning, and in the seventh inning he threw two men out who tried to steal second. Not a New Yorker got to second base after the fifth, until the ninth, when with two out, Browns singled and stole second. Donlin got a base on balls, and base runners worked a double steal. Powers made a good throw to L. Cross, who dropped the ball, and Browne was safe. McGann sent both men home with a two-base hit, and a moment later the New York captain was caught napping at second by a fine throw by Powers.

FOUR HITS FOR PHILLIES.

Of the thirty-two men who faced Mathewson, nine reached first. Hartzell, the first man up in the first inning, was safe on Devlin's fumble of his grounder. He stole second, and was caught between the bases on Davis' fielder's choice. Seybold got to first in the second on Mathewson's only base on balls, and was forced out. In the fifth, M. Cross singled and was left at first. In the seventh Davis singled and was thrown out, going to second after a foul fly had been captured. Seybold singled in the same inning, and never got away from first base. In the eighth Coakley was hit by a pitched ball after two were out, and the man who followed him was an easy victim. With two out in the ninth, Captain L. Cross singled, and Seybold ended the game by striking out.

The day was cold and raw for baseball. The attendance was officially announced at 10,991; the receipts, $8,598, and the players' share, $4,507. The total attendance of the three games was 33,338, and the total receipts, $40,072.

The teams will play in New York tomorrow and Saturday, Plank and Powers will be the Philadelphia battery tomorrow.

Score:	R.	H.	E.
New York	9	8	1
Philadelphia	0	4	3

Batteries—Mathewson and Bresnahan; Coakley, Schreck and Powers.
Two-base Hit—McGann. Bases on Balls—Off Mathewson, 1; off Coakley, 3. Struck Out—By Mathewson, 8; by Coakley, 2.
Umpires—Sheridan and O'Day.

OUTLOOK IS BAD

For the Fight Game in San Francisco Says "Wally" Young.

"Wally" Young writes:

It's a game gasping for the breath of life—this prizefight game, which but a short time ago was the source of princely incomes to an elect few. Not within recent years has there been such an absolute cessation of activities in the making and promotion of matches—not since California became by force the circumstances the home of the sport has the public been so disgusted as now. Where, only a short time ago, there was healthy interest in the doings of the fighters, there is now a feeling which cries out: "Take them away! Clear out the mess!"

The maelstrom of interest that whirled around the camps of Britt and Nelson is now a stagnant pool. Round it lurks foul odors. In its slimy ooze lie germs that promise to blossom forth into a scandal more repugnant than any that has yet been uncovered.

Little wonder, is it, then, that the promoters are doing practically nothing in the way of matchmaking? Little wonder, is it, that the public has small care as to what the promoters are doing? The corruption fund disclosures and the accusations which have been hurled back and forth have all but killed interest in the game itself. Since the public learned that forfeits were put up in stage money and that there were all sorts of plots and counter-plots beneath the surface of things, the public has become very wary and very cautious. The suspicion that has been created will take a long time to clear.

The remedy lies in probing the present situation to the bottom, purging it of its undesirable elements and going ahead with a clean, fresh start. When this shall be done new fighters will come to the fore and the sport may be worked back to the high point attained before the avarice of promoters and managers brought on the present stagnation.

TRIB

"Big Lew" Foster, (owner of many race horses and known all over the Pacific coast writes on July 10, 1902, and verifies the first letter on February 2, 1905. Read them:

"I was a slave to whiskey and cigarettes for 11 year. I commenced in June taking 'TRIB.' When I commenced I weighed 276 pounds, and was almost helpless. 'TRIB' has surely cured me of both habits."

February 2, 1905, Mr. Foster writes again. Here it is. This is only one of the many letters we have—voluntarily sent to us:

"Please find draft for $150. Send me one dozen treatments of 'TRIB.' I took 'TRIB' myself and never felt better in my life than I do now. I have gone down in weight to 195 pounds, and never think of using either liquor or tobacco any more. I know of 25 cures. You can get references from most of them if you care to write. I enclose names. Sincerely yours."

WORDS OF PRAISE WELL MERITED

BY A WELL KNOWN ARTICLE.

So much has been written by the standard medical authorities, of all the several schools of practice, in praise of the native, or American, medicinal plants which enter into the composition of Dr. Pierce's Golden Medical Discovery, that in attempting to quote from the various works on *Materia Medica* one hardly knows where to commence, since they are so voluminous that only the briefest and most imperfect reference can be presented in a short article like this.

Briefly then let us say that the "Golden Medical Discovery" was named from the sturdy little plant Golden Seal, the root of which enters largely into its composition. Besides this most valuable ingredient, it contains glyceric extracts of Stone root, Queen's root, Black Cherrybark, Bloodroot and Mandrake root.

Finley Ellingwood, M. D., an eminent practitioner of Chicago and Professor of *Materia Medica* in the Bennett Medical College of that city, in his recently published work on Therapeutics, says of Golden Seal root: "It is the most natural of stimulants to the normal functions of digestion. Its influence upon the mucous surfaces renders it most important in catarrhal gastritis (inflammation of stomach) and gastric (stomach) ulceration."

Many other authorities as well as Dr. Ellingwood extol the Hydrastis (Golden Seal), as a remedy for catarrhal diseases of the nasal passages, stomach, bronchia, gall ducts, kidneys, intestines and bladder. Among these, we may mention Prof. John King, M. D., author of the American Dispensatory; Prof. J. M. Scudder, M. D., in his "Specific Medication"; Dr. Hale of the Hahnemann Med. College of Chicago; Grover Coe, M. D., of New York, in his "Organic Medicines," Dr. Bartholow of Jefferson Med. College and scores of other leading medical writers and teachers.

All the foregoing eminent authorities extol the curative virtues of Golden Seal in cases of stomach, liver and intestinal weakness, torpor and ulceration of bowels. Dr. Ellingwood recommends it most highly. "In those cases of atonic dyspepsia when the entire apparatus, including the liver, is stagnant and inoperative." He also extols it most highly in the many weaknesses and derangements peculiar to women and says, "It is a most important remedy in many disorders of the womb." Golden Seal root (Hydrastis), is an important ingredient of Dr. Pierce's Favorite Prescription for weak, nervous, "rundown" women.

But to return to the "Golden Medical Discovery" it may be said that its curative properties are not wholly dependent upon Golden Seal, valuable as it is, as other equally potant ingredients add greatly to its value and in fact are not less important than the Hydrastis, or Golden Seal.

In all bronchial, throat, lung and kindred ailments, Stone root, Black Cherrybark, Queen's root and Bloodroot, each plays as important a part in effecting the phenominal cures of "Golden Medical Discovery" as does Golden Seal. All these ingredients have the endorsement of prominent practitioners of all schools of medicine for the cure of diseases of the bronchia, throat and lungs.

Of Queen's root, Prof. King says: "An alterative (blood purifier) unsurpassed by few if any other of the known alteratives. Most successful in skin and scrofulous affections; beneficial in bronchial affections; permanently cures bronchitis; relieves irritations; an important cough remedy; coughs of years' standing being cured; aids in blood-making and nutrition and may be taken with out harm for long periods."

Queen's root, Golden Seal root, Stone root, Black Cherrybark and Bloodroot, all articles extolled by leading practitioners of all the schools, as the very best of cough medicines, are made especially valuable when combined with chemically pure glycerine which greatly enhances the curative action of all these ingredients in all bronchial, throat and lung affections, severe coughs and kindred ailments.

Who can doubt the efficacy of such a compound, when scientifically made up, as in Dr. Pierce's Golden Medical Discovery? Who can doubt that it is a most effective remedy for the several diseases for which its ingredients are so highly recommended by the formost writers on *Materia Medica*?

It is in the cure of the more chronic or lingering, persistent, and obstinate cases of bronchial, laryngial and lung affections, attended by hoarseness and severe cough, which if neglected or badly treated would generally have run into consumption, that "Golden Medical Discovery" has won the highest praise from all who have observed its marvelous control over these and kindred affections. It is no cheap compound made up of trashy ingredients for free distribution, that curious people may experiment upon themselves as with the many fake nostrums so commonly sent out as "trial bottles." It has a forty year record, embracing many thousands of cures behind it, is sold at a reasonable price and may be found in all drug and medicine stores in this and many foreign countries.

It will be seen from the above brief extracts how well "Golden Medical Discovery" is adapted for the cure of all blood diseases, as, scrofulous and skin affections, eruptions, blotches, pimples and kindred ailments; also that it is equally good in all Catarrhal affections no matter where seated, and for all cases of indigestion, or dyspepsia, torpid liver, or biliousness and as a tonic and invigorator in all manner of weaknesses, and in nervous debility and prostration the above extracts amply show.

Much further information as to the properties and uses of "Golden Medical Discovery" and Dr. Pierce's Favorite Prescription for weak women, will be found in a little booklet of extracts from standard medical books which will be mailed *free* to any address on request, by letter or postal card, sent to Dr. R. V. Pierce, Buffalo, N. Y.

All the several ingredients of Dr. Pierce's medicines will be found, from the reading of this little booklet, to have the strongest possible professional endorsements and recommendations for the cure of all the diseases for which these medicines are recommended. No other medicines for like purposes have any such endorsement. They are non-alcoholic, non-secret, safe and reliable.
