

Keith-O'Brien Company. The Finest and Largest Christmas Store in the Inter-Mountain West.

EARLY GIFT SELECTIONS

The advantage of early gift selection lies in the opportunity which is thus afforded through unbroken lines or collections. This is particularly true in considering the gift possibilities of displays which include only articles of an exclusive nature, because each day certain distinctive creations are removed by purchase—things which can never be found again, here or elsewhere.

An ever-increasing clientele looks to us each year for gift suggestions. They come here because the collections embrace a great variety of objects in many lines. And these patrons prefer the quiet elegance of our store, because the magnificence of our displays seems to give the idea of a richly executed scheme of decoration rather than of a busy commercial institution.

CHRISTMAS SHOPPING BY MAIL

Toyland and Dolltown at Keith-O'Brien's are fascinating spectacles—a marvelous array of tempting, pleasure-giving Christmas things.

Considerable of the toy stock, which is the largest ever brought to Salt Lake, is imported—a myriad of attractive toys and beautiful dolls—broad selections not possible for the stores in smaller places to display.

If you will write and give us an idea of about what you want we will take pains in picking out something for you.

A two hundred & fifty dollar gift to some boy or girl in connection with toys may prove a foundation for a college education, by installing into the winner a determination to save spare change and accumulate.

A gift of \$250, with occasional savings added, the whole compounded quarterly in our savings bank, will in a few years accomplish the very end suggested—a higher education. Last year we gave away a pony and cart.

CHRISTMAS FEATURES

The Keith-O'Brien store, the largest and finest in the intermountain region, carries a magnificent stock of holiday goods.
