VENEZUELAN QUESTION.

It is Occupying the Serious Attention of the French Foreign Office.

CRISIS EXPECTED VERY SOON.

Perfect Understanding Said to Exist Between France and The United States.

Paris, Jan. 12.—The Venezuelan question, although subordinated in public opinion to the Moroccan conference, is occupying the serious attention of the foreign office but the strictest discretion is observed in this connection. A highly placed diplomatist, however, declared today that it might be considered certain that the moment was rapidly approaching when a crisis would occur in Venezuela. He was unable to state the exact character which events would assume, but asserted that a perfect understanding had always existed between France and the United States. The two governments were in absolute accord on the question at issue, France's line of conduct being based on that of the United States. France was merely desirous of securing perfect respect for her rights.

CARTER WITHDRAWS RECOMMENDATION.

Honolulu, Jan. 11.—Gov. Carter has cabled President Roosevelt withdrawing his recommendation for the reappointment of Circuit Judge W. J. Robinson, whose term expires Jan. 23. Gov. Carter criticises Judge Robinson on account of some occurrences during a recent civil trial in which the jury was kept all night in order to finish business before the expiration of the court term. While the jury was deliberating from 2 to 5 o'clock in the morning, attorneys, it is charged, had brought liquor into the jurors' chamber. There is no charge that Judge Robinson overindulged, but Gov. Carter says that the action was improper and scandalous.

Judge Robinson has cabled to Washington asking for a delay of action until the mail brings the affidavits of attorneys, jurors and other persons.

A special meeting of the bar association has been called for the purpose of reaffirming its endorsement of Judge Robinson. It is understood that Gov. Carter has made no charges at Washington, but has merely asked to withdraw his endorsement.

RESCUED FROM DEATH.

Arrival of a Train Prevents Murder of Jas. Benny by a Mexican.

San Bernardino, Cal., Jan. 11.—James Benny, a Goldfield miner on his way to San Bernardino, was rescued from death in an unusual manner today. While walking on the Santa Fe tracks he fell in with a stranger Mexican between Victor and Hesperia. At a lonely place the Mexican suddenly pulled a heavy bar of iron from his clothes and began an assault on Benny. At a critical moment a heavy freight train whirled around a curve. The engineer saw the combat in progress ahead of him. He whistled for brakes and reversed the throttle. All the trainmen then jumped and ran to the rescue. The Mexican fled and a limited train following close behind prevented the trainmen from pursuing him. He was, however, later captured by officers. Benny's body was terribly beaten, an arm crushed and his skull was smashed in. He is in a hospital here unconscious, and may die.

SUIT AGAINST GEN. BROOKE.

New York, Jan. 11.—Judge Holt of the United States district court today dismissed the suit brought against Maj. Gen. John R. Brooke, U. S. A., retired, by Donna Francesca O'Reilly De Camara, countess of Buena Vista, to recover damages because an order was issued by Gen. Brooke abolishing her hereditary right to slaughter the cattle used for beef in Havana, Cuba.

Although the court holds that the countess has no remedy at law against the defendants, Judge Holt declared that, in his opinion, she has a good claim for damages against the United States government, which confirmed officially all of Gen. Brooke's orders.

MIDSHIPMAN DECATUR TESTIFIES IN OWN BEHALF.

Annapolis, Md., Jan. 11.—The last stages except the argument of counsel and of the judge advocate were completed this afternoon in the case of Midshipman Stephen Decatur, Jr., charged by a naval court-martial with hazing. The accused occupied the stand for about three-quarters of an hour, and his testimony is regarded as having strengthened his case.

Decatur was questioned as to the facts in regard to all the specifications alleged against him. He denied sending fourth class man Chester S. Roberts to a room in which were upper class men, to deliver the message:

"If she had been a dog do you think she would have done it in this way?"

He also denied ever having ordered Charles C. W. Mailley to bring him breakfast.

The accused was next examined as to the facts alleged in the last specification, which was the only one under the act of 1904, and in which "encouraging of or countenancing hazing" is made a dismissal offense. Inasmuch as Decatur had already been examined upon this incident in his former trial and had made admissions which caused the academy authorities to believe that his conviction on this specification was probable, the accused started with a handicap. Decatur said:

"I told Church to report to my room because he had laughed in ranks and I wished to reprimand him. When he came I was standing in the other part of the room talking to a number of midshipmen, and I did not take any particular notice of him. I do not remember that I said anything to him at all but I remember that some one said something to him about getting in the closet. Church went into the closet, but I do not know what he did in there. He stayed there about three minutes."

Both the judge advocate and the counsel for the defense announced that they would produce no more witnesses. The court then adjourned until tomorrow.

CARDINAL GIBBONS IN A METHODIST CHURCH.

Baltimore, Jan. 11.—Cardinal Gibbons tonight occupied a seat on the platform of the Eutaw Street Methodist Episcopal church, in which a public mass meeting was held under the auspices of the City Prohibition party.

On account of the number of meetings being held at this time the committee in charge of the mass meeting found itself unable to secure a public hall large enough for the purpose and was compelled to select the Eutaw street church, which was offered by the official board of the church. A member of the committe wrote to Cardinal Gibbons, who had consented to act as a vice president at the meeting, stating the case and asking if he wished to have his name withdrawn as one of the vice presidents.

In reply the cardinal wrote that "the holding of a civic meeting in a Protestant church does not excite any religious scruple in me."

RULES GOVERNING DISCHARGE OF SOLDIERS.

Washington, Jan. 11.—The rules governing the discharge of enlisted men from the army by purchase have been amended by changing the scale of prices. Some of the figures have been lowered and others increased. The new schedule is as follows:

After one year's service, $120; after two years' service, $100; after three years' service, $80; after six years' service, $65; after seven years' service, $60; after eight years' service, $55; after nine years' service, $40; after 10 years' service, $35; after 11 years' service, $20.

It also is declared in the amended rules that it is not the policy of the war department to permit a soldier to purchase his discharge when there is any special reason to the contrary.

BIG FIRE IN NORFOLK, VA.

Norfolk Va., Jan. 11.—A fire that originated by spontaneous combustion in the four story brick peanut factory of the Norfolk Storage company on Plum street between the city jail and the big foundry of Whitehurst & Co., entirely destroyed that building, damaged the east wing of the jail and falling walls crushed the foundry like an egg shell. All of the 275 prisoners in the jail were marched to the police barracks under a guard of police, but nine escaped before they had been transferred to rooms in the courthouse when the flames endangered the barracks. Among these is Solomon Greenstein, held for perjury in the United States court.

Mayor Riddick called out four companies of the Seventy-first regiment and they are now guarding the prisoners in Courthouse square.

For a time the business section of the city was dangerously threatened. No fatalities occurred, but several people were injured.

The loss will be over $100,000. Ten thousand bags of peanuts were destoyed with a great amount of valuable machinery.

MRS. ADAMS AGAIN ACQUITTED.

San Francisco, Jan. 11.—The third trial of Mrs. Minnie Adams resulted tonight in the jury returning a verdict of not guilty. She was accused of murdering her baby boy seven years ago by administering carbolic acid. On her first trial she was convicted, but the supreme court ordered a new trial. The second trial resulted in a disagreement by the jury.

PAT CROWE INDICTED.

Council Bluffs, Ia., Jan. 11.—Pat Crowe was indicted here today by the Pottawottamie county grand jury for alleged complicity in a streetcar holdup, July 2, 1905, when about $60 was secured from two conductors and a motorman.

SUPPRESSING HAZING.

Stanford University, Cal., Jan. 11.—Still persevering in their attempt to quash every semblance of hazing or "rough housing" in the student dormitory, Encina Hall, the faculty committee today dropped two more men from the university, R. W. McElrody and B. O. Nordman.

The most grievous offense proved against either of the suspended students was that they were present at the tubbing of a freshman. Both were members of the sophomore class.

JUDGE GROSSCUP ON LEISURE.

Chicago, Jan. 12.—"God never ordained that there should be a leisure class," said Judge Peter S. Grosscup of the United States circuit court last night in an address to the new Hyde Park Baptist church. "It is pull, pull, pull at the oars, upstream all the time. God intended that men should work.

Judge Grosscup's subject was "The Public Conscience and the Church." He said the financial investigation and scandals are not significant of a degenerating age but show the world is growing better.

In closing his address, Judge Grosscup paid a tribute to the memory of President Harper of Chicago university.

"Because of the death of this great man it seems as though the world were different today than it was day before yesterday," he said, "as though one of its lights had gone out, or one of its sign posts removed. He was a great investigator, a renowned scholar, a profound creator, but greater than his scholarship, greater than his imagination was his confidence that God had put in his trust that strong noble brain. President Harper showed his strength of character by the humble submission in which he met death.

CRISIS COMING IN FOOTBALL TONIGHT

The Old National Committees Will Hold Important Meeting.

SEVEN INSTITUTIONS IN IT.

Yale, Princeton, Harvard, Chicago, Pennsylvania, Cornell and Annapolis Represented.

New York, Jan. 12.—Football will in all probability reach a crisis tonight when the old and national committess meet, the one at the New Netherlands hotel, the other at the Murray Hill hotel. Of the seven institutions—Yale, Princeton, Harvard, Chicago, Pennsylvania, Cornell and Annapolis—represented on the committee which for years has regulated the rules throughout the country, Yale and Harvard have proclaimed their attitudes toward the recently organized national committee, Yale has instructed Walter Camp, her representative, to vote in favor of amalgamation with the recently formed body known as the national. Harvard has taken a more advanced step and announced that she washes her hands of the old committee and will send W. T. Reid, Jr., as her emissary to the Mc-Cracken body. Pennsylvania yesterday decided not to hamper John C. Bell, her representative, with instructions, although it was the "sense of the committee that its representative shall favor the recognition of the so-called national intercollegiate football conference."

Cornell and Princeton have given their respective representatives sealed orders. Of Chicago's and Annapolis' intentions nothing is known.

The fact that Yale and Harvard have held out the olive branch might be taken as an indication that at least a majority of the representattives of the other five institutions composing the old rules committee have similar instructions.

There has never been any question of the conciliatory attitude of the nationals.

HERRERA AND CORBETT.

Meet in Los Angeles—Lewis and Fitzgerald in San Francisco.

Two pugilistic encounters of considerable interest to the fight fans throughout the country, are scheduled for this evening in California:

"Young Corbett" and Aurelio Herrera are matched for a twenty-round fight at Los Angeles, while Willie Lewis and Willie Fitzgerald will exchange wallops at Colma.

It is quite likely that the winners will be matched to fight in 'Frisco before long. Young Corbett seems to think he will have no trouble in defeating the Mexican. The other two are evenly matched and either one has the wallop which brings home the money when it lands.

INTEREST IN FIGHT.

At Los Angeles Between Young Corbett and Aurelio Herrera.

Los Angeles, Cal., Jan. 12.—Much interest is aroused over the fight tonight at the Pacific Athletic club pavilion between Young Corbett and Aurelio Herrera. The men are matched to weigh in at 6 o'clock at 133 pounds. Both have been training hard for the contest and are said to be in good condition. There is much betting on the outcome with odds on Corbett at 10 to 9. Particular interest attaches to the fight because of the expectations that he winner will later meet either Britt or Nelson and probably both of those men.

BELL GETS INSTRUCTIONS.

Philadelphia, Jan. 11.—At a meeting held today by the university committee on athletics of the University of Pennsylvania it was decided not to hamper John C. Bell, the university's representative on the football rules committee with instructions on the question of amalgamation of the old rules committee with the rules committee appointed by the national intercollegiate football conference, although it was the sense of the university that its delegate should favor the newly organized body.

LEWIS VS. FITZGERALD.

San Francisco, Jan. 12.—Willie Lewis and Willie Fitzgerald will meet tonight at Colma in battle scheduled to go 25 rounds. Both of the contestants are in good shape for a hard fight, having trained steadily for the past three weks. The men will weigh in at 138 pounds. Very little betting is being done on the match. The odds are about even.

DEFEATED AGAIN.

Philadelphia, Jan. 11.—The racquet match which took place today between Peter Latham, champion of England, and Fred Tompkins of this city, on one side, and George Standing of New York and Thomas Pettit of Boston, on the other, was won by the latter pair by the score of four games to one. The match was held on the courts of the Philadelphia Racquet club. The score:

Pettit and Standing	15	15	4	15	15
Latham and Tompkins	8	7	15	8	12

ON THE RACE TRACK.

At Ascot the Feature Was a Free Handicap for 3-Year-Olds.

Los Angeles, Jan. 11.—The feature of today's card at Ascot was a free handicap for 3-year-olds and upwards for $500. A THRIFTY LIFE INSURANCE PRESIDENT.

John Rogers Hegeman, president of the Metropolitan Life Insurance company of New York, receives an annual salary of $100,000, and he testified recently before the legislative investigating commission that he had added

largely to this by means of rebates on interest from banks and in other ways known to the shrewd financier. "Industrial insurance," so called, is a feature of Mr. Hegeman's company, and it appears from the president's testimony that it costs about double as much as any other kind.

Extensive plans for the development of iron and steel industries of the south are involved in the proposed merger of the Tennessee Coal and Iron and the Republic Iron and Steel companies. The project provides for an expenditure of $13,000,000 for the building of new mills, the exploitation of mines, and extensive investment covering a period of years.

Control of the Republic Iron and Steel and the Tennessee Coal and Iron is held by a pool of 10 men, who propose as a large business venture to waken and simulate southern industries.

NEW HYMN BOOK AND PSALMODY.

A new edition of the L. D. S. Hymn Book (the twenty-fourth), revised under the direction of the Church Authorities, has just been issued by the Deseret News. Many improvements will be observed. The names of the authors, as far as they could be ascertained, have been appended to each hymn. Special type was selected for the edition, to secure a large, plain and bold print, without increasing the size of the book. Thirteen new selected hymns have been added to the collection, among which are "Onward, Christian Soldier," "Peace Be Still," "Rock of Ages," "Abide With Me," the two National anthems, "America" and "The Star Spangled Banner," and several others.

NEW PSALMODY.

A new edition of the L. D. S. Psalmody has been issued to correspond with the revised Hymn Book. It also contains the music for the additional thirteen hymns. New plates have been made throughout. The book, though enlarged in its number of pages, has been somewhat reduced in form, making it more convenient for choir use. The price has also been reduced in the various binds, as follows: Cloth, $1.25; half leather, $1.50; limp leather, $1.75; and full morocco gilt, $2.50. Both Hymn Book and Psalmody are now ready at the Deseret News Book Store.
