### [COMMUNICATED ] GOOD FOR EVIL.

THE Latter-day Saints, much as they have reason to feel the un-Christian spirit of many churches and many bodies of Christians, must not make the mistake of supposing that this spirit animates all the Christian sects. There are many members of the varlous churches which acknowledge the

name of Christ, who have no sympathy with the spirit of persecution. Among them, Canon Farrar, of the Church of advantages of the new system will at England, is a most shiring example. In his "Early Days of Christianity," a work of vast learning, in one of his chapters on St. John, he is speaking of that incident in the life of Jesus when He and Tis followers were on the journey from Galilee to Jerusalem, and were refused admission into a village, contrary to all the rules of castern hospitality. Some of

A correspondingly low rate will be made from all interediate points. Tickets can be ordered from the Salt ake office or from the nearest coupon office, as above.

These tickets will be on sale Sept. 22, 23, 24 and 25; good going until Sept. 28, and good returning until Oct. 5; or, by application to the joint agent of the St. Louis terminal lines at the Exposition Building in that city before Oct. 5, an extension will be given to Oct. 31, without additional cost.

The rates quoted above are either via Council Bluffs, or Denver and Kansas City.

Further arrangements concerning these excursions vill be announced later. G. A. R. Posts, kindred miltary organizations, or bands, desiring to travel in a body, can arrange for special cars, Pullman or day coaches, by application to the Salt Lake office.

can send to it any number of horses, from one to a hundred, at a time, with the assurance that they will be quickly tal law of the and thoroughly broken, in a humane manner, and on scientific principles. To the mind of an intelligent person, at all familiar with the horse business, many other

once suggest themselves. It would be State from the compact. a great benefit to this Territory if What, thea, will the horse breeders in different parts of it would co-operate and procure a training plant. If one such plant existed say in Cache County, another in Box Elder, another in Tooele, and others in other parts of the Territory where horses are raised in considerable numbers, the animals could be cheaply and quickly prepared for use
