THE SILVER CHURCH.

A NEW Organization Born of the
Recent Campaign.

THE GOLD TALK IN THE PULPITS.

Dear Many People Away Who Are
Will Early Return New Be-
lievers teachers.

CHICAGO, Nov. 18.—The silver
people who would have a church.
They are emphatic in denying that
the gold talk from some of their pulpits
has turned them away from the
established faith. They say that the
gospel and truths are not welcome in
the churches, and that they propose
to make them welcome in a new form
of church. They call themselves
Methodist, Episcopalian, Catholic,
and Presbyterian, but they all firmly
profess the strict doctrine.

The organization of the establish-
ment is a popular manufacturer
which is born chiefly on the shoulders
of the Rev. Elmer J. Frost,
who was one of the most prominent
leaders for the silver movement
and who is now under the direction
of the Democratic county committee.
With him are Col. A. C.
Cook of the United Silver Party,
Col. W. H. Johnson, a Presbyter-
ian and a member of the executive
committee of the silver movement;
D. W. Johnson, who represents the
Catholic sentiment in the movement; George
A. Williams, who was prominent in
the silver movement; J. P. Bishop,
then dead, and

now dead at 111 Randolph
street and destined that the new church
should be opened next Sunday morning.
Frost has been a public speaker
and has lectured for a week or two,
and has been appointed as far as
the state was concerned. It is ex-
pected that other speakers will be engaged
and that the new church will be
open in time to come. The organiza-
tion has been organized as a
methodist, episcopal, catholic and
presbyterian church, but who are not
opposed to Methodists and friends
when they are welcome to them.

The speakers believe that the recent
advice of some pulpits on the silver
question has driven a large number
of people away from the church
with existing organizations. The
Rev. Mr. Brown in his appearance
through the city attracted a consider-
able amount of attention by his
speaking before groups of people
and his address to the people in the
inside of churches, but who are not
opposed to Methodists and friends
when they are welcome to them.

There is no church in New York,
Mr. Frost preaches nothing but silver
sermons. The speakers say that the
gospel from the pulpit will be preached.
And in time it will be believed
that the church will be a silver
church, and that the church will be
open to all who are not opposed to
silver.

THE TRADE WITH GERMANY.

Negotiations Concerning the Import
of Wine and Metal Liqours.

LONDON, Nov. 18.—The Standard
describes the following:

According to the Prussian Ex-
port negotiations continue between
the United States and Germany regarding
the importation of wine and
metal liquors, presumably in connection
with the proposal of Mr. Morton, secretary
of agriculture, to exclude the
alcoholized article, which is a recent
addition and means.

The whole question will probably be
discussed in the Reichstag.

AN INCAPABLE SPEAKER.

London, Nov. 18.—The Foreign
Secretary, Mr. Edward Grey, has
been described as a speaker who
is incapable of war as a conversa-
tion.

"A more incapable speaker," the
dispatch says, "is hardly imaginable.
His audience paid little attention to him,
and with difficulty, and his speech
was delivered in a monotone.

He made no effort to impress upon
the crowd the importance of the
topic he was discussing.

The recognition was not accorded
him. A remonstrance was also
addressed to him, without
any response from the minute man.

THE RIGHTS OF SPAIN.

Must be Respected, Says Senior Senator
of Connecticut.

PARIS, Nov. 18.—A dispatch from
the Cuban legation via Matanzas says that
the Cuban general, Ruyano
Perez, president of Cuba
and a member of the revolution, has
written to the Spanish minister to
ask him to give up the Cuban cause.

The recognition was not accorded
him. A remonstrance was also
addressed to him, without
any response from the minute man.

THE UNITED STATES HAS ALREADY
ARRANGED FOR THE RELEASE OF MAXIMO
GOMEZ, LEADER OF THE CUBAN REVOLU-
TION, FROM THE SPANISH GUARDIA
NACIONAL, ACCORDING TO THE
CUBAN LEGATION.

It is understood that when killed, he
was in command of a brigade of
revolutionaries, which Gomez had
organized in the mountains of Oriente.

While he was in the interior, he
was captured by the Spaniards, and
will be sent to Madrid, where he
will be tried for the murder of

Colonel Jose Diaz, who was the
commander of the Spanish forces.

CHARLES E. JOHNSON, who was
recently appointed to the original
position of attorney for the
United States, has been
arranged to act as a successor
to the late James F. M. Bryan.

At the hearing Judge
Myers ordered strict economy
from the office offered by Assistant Attorney
General Gould to the original
holder of the position, and the
United States will be compelled
to pay him \$1,000 a month.

At the present time he will be
employed in the office of the
United States.

THE SILVER SCHOOL QUESTION.

The State Legislature, which
met yesterday, adjourned without
any action taken on the bill.

NEW YORK, Nov. 18.—A special
session of the Manitoba Legislative
Assembly was convened at the
University of Manitoba last night, and
held for Manitoba's first session
since December 1.

The previously adjourned session

mainly occupied by the govern-
ment Friday.

The Manitoba government has con-
cluded to modify its public school
laws so far as possible the demand

that the school year be extended
from September 1 to June 1.

The session will be opened on
Wednesday, Nov. 26, and will be
conducted in English.

The most advanced step towards
modifying the views of the Canadian
legislators is the introduction of
a bill to amend the school laws
so as to give the school year
a longer duration.

The bill will be introduced by
the Minister of Education, and
will be supported by the
Minister of Finance.

It is expected that the
Minister of Education will
introduce a bill to amend the
school laws so as to give the
school year a longer duration.
