## KAYSVILLE.

#### Pioneer Day Fittingly Observed by the Citizens.

Special Correspondence. Kaysville, Davis Co., July 24.—Pio-ner day was celebrated here in an ap-propriate manner. The recent showers having laid the dust made the event pass off much more pleasantly. The music hall and the school grounds adjoining were selected and arranged by the committee for the exercises.

The most prominent features of the interesting program were a speech on "Our Pioneers," by Geo, E. Barton, and "Our Celebration," by President J. W. Hess The Glee club, the Gleason boys and

others rendered selections of fina music The principal amusements in the afternoon were dancing, baseball and foot racing. A ball game between the Kaysville

and Centerville teams for a purse of \$25 resulted in a victory for the former. It was a reckless game throughout. The home team scored 42 runs, and the visitors 12.

The juveniles of Centerville and Kaysville played a very interesting game, making a score of 7 to 19 in favor of the home boys.

In the voting contest for the most popular young lady Miss Pearl Lay-ton won the prize, a \$25 gold watch. Hon. Hyrum Stewart acted as mas-ter of ceremonies and E. W. Layton as

Grain and Grass .- Harvest of spring grain is in progress, with weather con-ditions favorable; in parts of Canyon county the crop is in the stack; a good yield is reported where sufficient water has been available for irrigation, but in the "dry farm" sections and where there has been a scarcity of water, the

crop is light. The scarcity of water in many local-Ities in the eastern counties is seriously retarding the growth of alfalfa, and the

econd crop promises only a light yield. Range grass has become very dry. and, though in most sections stock con-tinues to do well, cattle are growing thin in a few localities, and in some parts of Bear Lake county are suffer-

slight injury to potatoes and garden vegetables in some elevated districts of he southeastern countles, but the dam age was not general. Gardens are in excellent condition where there has been sufficient water. Green corn is n market in the southwestern sections Academy of Provo, visited Sunnyside Fruit .- Blackberries, early aples, and eaches are abundant in the southwestern valley districts; there is a large crop of wild berries in the northern countles; blackberries are large and of excellent flavor; in Canyon county, Italian prunes are reported as dropping from the trees, but otherwise the fruit prospect continues bright. Water-melons and cantaloupes are in market

Cuts and bruises are healed by Cham-erlain's Pain Balm in about one-third the time any other treatment would re-quire because of its antiseptic qualities which cause the parts to heal without maturation.

ment, and was at the residence of his mother here when he died. A post mor-ten examination was held upon request and the cause of death was ascertained Special Correspondence. Eureka, Juab County, July 24.-An efto be enlargement of the liver, Mr. Nel-son was a Later-day Saint and funeral services over his remains will be held fort was started at this place today by employes of the Contennial Eureka n the Second ward meeting house on in the Second ward meeting house of Wednesday at 2 p. m. Another death from internal causes occurred at Wellsville Sunday morning, where, at 2 o'clock a. m., Wm. H. Jones, after suffering intensely for two weeks, morning in tensely for two weeks, mine, to close the company's boarding house. Whether their efforts will be succesful or not will be determined later on. At present about one hundred employes of the mine, who are boarding at the company's boarding house, are succumbed to the grim reaper. A post mortem examination was also held in not at work, and are determined not to go back, unless they are allowed to board at home. this case. It was discov-ered that the large intestine was perforated in two places, and three or four intestinal tumors were found. Funeral services were held in Wellsville today. Descend to the

As is well known, every unmarried man who goes to work at this mine, is compelled to board at the company's boarding house, which is operated at the works, and is managed by a half dozen Chinamen. For several months past the mine has been employing a great many men, and about 100 have been fed at the boarding house. Al Before Judge Hart today Mary Lea, was granted a divorce from Wm. Lea, also the custody of the child, one-halt of all property, \$66 attorney's fee, and restoration to her maiden name of Mary Bauch the men say that they do not have a necessary amount of food, and for some

time past the movement started today has been talked of. It was at 5 o'clock this afternoon, while the day shift and night shift were at supper together, that the men decided they would quit work. Instead of going down the mine to work, all formed in line and came down town. A few of the married men joined the crowd and quif, but most of them went to work. Of the single men all but two or three quit.

Mrs. Sorenson, who cannot read sign a hish, claims she was induced to sign a warrantee deed to certain property in Logan by defendant upon pretense that the instrument was a mortgage on the The wages paid at this mine is \$2.50 for miners and \$2.10 for laborers. Board property, and she sucd to have the deed annulled. costs 80 cents a day. It is not prob-able that enough men can be got in the camp to take the places of those who WEDDING BELLS. The following couples secured per-mission to wed from the county clerk today: Lovell G. Davis, 26, and Lucy M. Twissell, 25, both of Logan; Lorus Allen, 22, and Matilda McMurdie, 20, both of Paradiec; Jos. H. Hansen, 20, and Kate Hendricks, 21, both of Logan; James D. Cousins? 25, of Preston, and Zina Sorenson, 20, of Logan, Justice W. N. Thomas married the three first named couples and Course Clerk Orace have quit, for all are very sore at the boarding house, and if they hold out, as they say they will, the beanery will have to close,

The mine at present is in a flourishing condition. More men are employed than ever before, and an immense amount of ore is being taken out daily. and it is out of the question to presume named couples and County Clerk Owen

### Festivities and Commemorative Exercises in Honor of Pioneers.

Special Correspondence, Spanish Fork, Utah Co., July 24.-Never in the annals of Spanish Fork on any public day has there been a areater throng, a more orderly gather-ing than on this Ploneer day. A strong, well selected committee of ardent workers working in harmony under the instructions of their competent organi-zer, Mr. George Jex, made the day a memorable one. Early in the morning for some hours the K. O. M., band serenaded the town. About 9 a. m. the fine parade was witnessed by multi-tudes of people, Miss Mary Farr, repre-senting Utah, being the center of at-traction, At 10 o'clock the usual exercises on such an eccasion commenced. Prof. Eggertson, formerly of the B. Y. A., but now principal of the Springville district schools, was one of the leading speakers, and Bishop George D. Snell, a prominent veteran, the other. In their speeches they reviewed the past history of Utah, the achievements wrought the dama.

band across the State line into Wyo-ming, and scattered the animals in all directions. The owners have gone to the scene. Particulars of the trouble are hard to obtain, and it is not known whether the herders were harmed by the lrate cattlemen or not. BAKER CITY, OREGON. CARTERS

### Little Girl Lost in the Mountains for Eighteen Days. Baker City, Oregon, July 19 .- Lillie

Anderson, a thirteen-year-old girl, who lives with her parents near Rye Valley, recently strayed away from her home, and was found after eighteen days wan. dering near Lookout mountain.

The girl subsisted upon a diet of berries while in the mountains and when rescued was but a mere skeleton. Her either through fright or privation or exposure, but it is said she is fast gain-ing her mind, since being resoued and taken home. -- Baker City (Or.) Repub-

Bolse, Idaho, July 24, 1900 .-- Warm, bright days and cool nights prevailed throughout the week; the mean tem-perature for the State was \$7.1 degrees or 6.7 degrees above the normal. Light frost occurred in the elevated sections of Bannock, Bear Lake, and Oneida counties on the 19th. High, drying winds prevailed in the central and east-
