## MAIN AND LOT BEAR STA. GREAT RESOURCES.

THE letter of Mr. Wassell, of Pittsburgh, Pa., in yesterday's NEWS, is of a nature to enlist the attention of capitalists and iron manufacturors. Mr. Wasseli is a plain, practical man, well acquainted with the iron-making business, and in his letter he presents his views of the ly, but in a plain and straightforward manner. He unhesitatingly confirms former statements of the splendid resources as to iron ore of

spiendid resources as to iron ore of flourishing condition. various kinds, both as to quality Fish Haven was reported by and quantity, which that county can borst. He says they surpass any-thing he has seen elsewhere, faithful.

and he expresses his conviction that if the resources of that part of the Territory are taken hold of with capital, good judgment, and vigor, fortunes can-not fail to be made. A grand op-portunity is presented in that part of the Territory for the establishment of one of the finest businesses in the world-that of iron making with the various kinds of businesse which spring therefrom looming up in the background The Uteb in the background. The Utah Georgetown, Montpolier and Ben-

that way as fast as the people can favorable for a large number of setcarry it through.

While loafing politicians and in-triguing demagogues are plotting of the Elders were similar to those and wireworking for the injury of the people and the hindering of the prosperity of the community, the really good and patriotic citizens will cake hold of the teeming but latent, material resources of the

latent material resources of the Territory and endeavor to develop them, and so build up the country, multiply its available wealth, and contribute essentially to its welfare and solid prosperity. But to do this at a satisfactory rate of progress, the

assistance of capitalists is necessa-ry. Why do they not embrace this promising opportunity, or at least send competent persons to examine and report upon resources of Iron county, as well as of other parts of the Territory, and thus satisfy themselves of the facts.

THREATENED WITH ASSAS TER SINATION.
