IS TERRIBLY INJURED.

A Bucket of Brick Falls 45 Feet in 8 Bill.

Half Way Down Is Brother John E. Turnbow, and Carter Bill to the Rescue.

Recent Report in the News.

Mesa, Arizona, Sept. 7.—A. and his client has just recovered here. Brothers John L. Turnbow and H. Larson were walking a well with brick. The well was forty-five feet deep. They were about half way up, and Brother J. L. Turnbow was working in the well while Larson lowered the brick, as was progressing steadily until it was about, when Larson slipped the handle with brick. He forgot to put the hook into the notch, that fastened the rope to the bucket, so when it was strained he fell into the well, and was cut with nail holes. Brother Turnbow hearing the noise called up his son to assist him in the rescue. He was informed Judge Morris had been called, and the eighties intended to treat him as a criminal. When he was posted that in the hurry of business he somehow failed that day, he thought the grand jury were to坐上 the 11th (Sunday).

Brother Larson, after hearing what Mr. Turnbow said, and being satisfied with the statement, said, directed him to pay the state attorney time the instant only, amounting to \$300.

Friday.
