SAN FRANCISCO, 19.—The city is...

quiet to-night, except a minor...

disturbance at a German mass...

meeting at the Grand Central...

Hotel. A crowd of about 100...

persons gathered there, and the...

police cleared the street several...

times, using their clubs freely.

Leary and his associates remain...

in confinement in default of...

the militia are on duty at the...

armories and will be under arms...

all day to-morrow.

GRAT BRITAIN.

The Queen's Address and Parlia-

mentary Debate.

LONDON, 19.—Of the Queen's ad-

dress and parliamentary debate, the...

latter clearly shows that the Brit-

ish government in this hour of the...

crisis is determined to give the...

United States the exclusive right...

to control and use the harbor of...

Panama as a coaling station and...

naval base.

The N. Y. "Sun" on the Silver Co-

lon.

NEW YORK, 19.—The Sun, which...

is prominently the workingman's...

paper here, calls attention to what...

it characterizes as the significant...

feature of the silver question, viz.,...

that the party in favor of the...

silver dollar coincides very nearly...

with the party which opposes the...

assumption of the payments.
