Yee Fun Coming Back.—Yee Yun, a Chinese merchant of this city, who has been spending a vacation in China, has asked the immigration bureau for a return passport.

Alaskan Missionary to Speak.—F. C. Shanteau, an Alaskan missionary, will speak this evening in the Volunteer's meeting. At Wednesday evening's meeting nine men professed conversion.

Relaying Discontinued.—There will be direct telegraphic communication after the first of the year between Ely and Salt Lake, thus cutting out the Cochrane relay. The same will be true with reference to San Francisco.

Prof. Baller Dined.—Prof. Thomas Baller was dined Wednesday evening at the Knutsford by Mr. and Mrs. Fred A. Maynard, prior to his return to New York for the resumption of his academic duties in the New York university.

Benedict Card Social.—The Macabees held a card social Wednesday evening, in aid of Michael, who lost an arm in the Bingham railroad yards last August. Over 250 tickets had been sold, and the attendance ran up to 300. Quite a number of new members were admitted.

Admitted to Membership.—The following resident college men have been admitted to membership in the University club: Moss S. Duffield, B. A., Harvard, 1897; W. H. Traut, Jr., S. M. Tech., 1908; Arthur C. Greene, B. S. University of Michigan, 1904; Leonard S. Austin, Ph. B., Yale, 1895.

More Phosphate Lands.—A temporary withdrawal from a tract of land supposed to contain phosphate was made by the interior department Wednesday. The land in question is in township 15 north, range 6 east, Salt Lake meridian, and includes all of the fractional sections 33, 34, 35 and 36.

Alpha Pi as Hosts.—The Alpha Pi fraternity gave a social Wednesday evening at the Odeon in honor of the Salt Lake alumni. The auditorium was decorated in university colors and white, interspersed with the society colors of red and blue. There was music by an orchestra and punch was served.

Fruit Growers to Meet.—The executive committee of the state horticultural association decides to hold the annual state convention in this city during the second week in February, with the state dairy and dry farming associations following in series. There will be five sessions ending in a general meeting, in which all horticultural questions will be discussed.

Restored to Entry.—After having been withdrawn from entry 22 years, the remaining portion of the old Bear river reservoir site has been restored by the secretary of the interior. The land is in township 13 north, range 5 east, Salt Lake meridian, and includes lots 1, 4, 5, and 6 section 3; lot 2, 3, 4, and 5 section 4; and lot 1 section 5 of section 15. These lots are subject to entry after April 14, 1910.

Mrs. Ed Mead's Condition.—Mrs. Ed Mead, who has been suffering with a severe case of typhoid fever since the recent death from the same cause of her son-in-law, Wilford Jones, had a relapse the fore part of this week, and for a while it was thought she could not survive it. But her condition is now reported much better, and her friends hope soon to hear of her entire recovery.

Opposition Ticket in Field.—The list of members selected by the nominating committee to fill vacancies on the board of governors of the Commercial club will not be elected, but there is considerable opposition to the ticket. If the plans of an opposition which has sprung up are successful, the second ticket, which seems to have considerable support, will include the names of W. T. Benson and George D. Pyper in the places of H. Vance Lane and George D. Alder borne out of the ticket. The opposition ticket has been signed and posted in accordance with the rules of the club.

Bowling's Leg Saved.—Charles Bowling, son of J. K. Bowling, the old Union school teacher, is still at the Holy Cross hospital, but expects to be released shortly now. A short time ago Mr. Bowling was attending in the yard of a boy who was slipped on the ice, and in the fall he came down on a long nail sticking up from a board. The nail penetrated his leg, and with difficulty he was released. In a few days the knee had swelled abnormally, and it looked as if the young man would lose the limb. However, he is practically out of danger. Only six weeks previous to the accident, Mr. Bowling was married.

HARVEY'S AUNT GOES COASTING. Once Through the Ordeal, She Will Try It No More.

One day this week a News carrier living in C street thought to have a lark with his big auntie. So he invited her to coast with him. She demurred, but was finally prevailed on to tie herself up into a compact little knot on the small sled with the young rogue at the helm, and soon they were flying down C street toward South Temple. The increased weight was more than the sled could bear, and they went like an arrow from a bow on toward South Temple. Here a great coal wagon loaded with two tons of coal blocked the way. To avoid a collision the nifty but frightened youth with his screaming auntie shot under the wagon, escaping the grinding wheels by a hair's breadth. Auntie goes coasting no more with Harvey.

NEW REQUIREMENT IN FORCE.

Members of State Force Must Have Not Less Than Six Months Service to Participate.

An invitation that, in fact, is an order, has been received by E. A. Wedgwood, adjutant general of the National Guard of Utah, from the chief of the division of militia affairs of the war department, desiring the participating in the joint maneuver camp to be held in Wyoming during the summer. It follows:

"I am directed by the assistant secretary of war to inform you that the war department contemplates holding an encampment for regular troops during the ensuing summer at Fort D. A. Russell, Wyoming, during the month of August, 1910. It is planned that the following regular troops shall participate in the encampment:

"27 Troops cavalry.
"6 Batteries of field artillery.
"30 Companies infantry.
"3 Company signal corps.
"4 Company hospital corps.

"Pursuant to the authority conferred on me by section 15 of the militia law, the secretary of war extends an invitation to the State of Utah to have its troops join with the regular troops in the encampment. The matter is placed thus early before you in order that preliminary arrangements may be made for the accommodation of all troops for the period of attendance, which estimates for pay, subsistence, and transportation may be based.

"It is desired that you will report to this office at the earliest practicable date, whether or not the State of Utah desires that its organized militia shall participate in this encampment, what organizations will participate and what estimates for their possible strength, the maximum time they can attend; an estimate of the cost of pay, subsistence and transportation for each separate arm for the period of attendance; and a statement of the maximum of state funds that can be devoted to these exercises by the state.

"It will be understood that this invitation for the organized militia to participate in this encampment is contingent on the passage of the necessary appropriation by Congress and in case funds are appropriated the allotment therefrom by the secretary of war to the several states and territories will be determined by a pro rata distribution that will be made by him. The total number of troops that can be allowed to attend from any state will depend upon the funds that may be appropriated by Congress in connection with the state funds which may be available for use.

"The proposed encampment for 1910 will be held substantially as provided by general orders No. 11, war department, Jan. 14, 1908."

General Wedgwood calls attention to the requirements of the war department in this connection. All members of the National Guard of Utah and all other troops must have six months' service in order to qualify them to receive pay. This places the date at which the last enlistments of inexperienced men may be made at Feb. 1, 1910.

For a Lamb Back. When you have pains or lameness in the back, the backache is caused by the muscles of the back being cramped and stiffened by the pressure of the hand for five minutes at each application. Then dampen a piece of flannel with the liniment and bind it on over the seat of pain, and you may be surprised to see the pain quickly disappear. For sale by all druggists.

MORE MYSTERY IN SHOOTING. Walker, or Ashbury, Refuses to Give Name of Gun Man.

The shooting affray Tuesday night on First South and West Temple street is still surrounded with mystery. The exact cause is still unknown and it is not certain who did the shooting or who was shot. It was given out Tuesday and Wednesday that the man wounded and now residing at the hotel, is Charles Walker of Portland. He was said to be a prominent merchant. Word from Portland conveyed the information that the man known as Charles Walker resided there. It was said that the man who did the shooting was Fred Ashbury.

Chief of Detectives George A. Sheets declares that the man at the hotel known as Walker, also has an alias of "Fred Ashbury." Detective Sheets says that the man known as Walker is a race track gambler and that the man who did the shooting is also a gambler. The police have taken little or no interest in the affair. No arrests have been made and none are likely to be made. The wounded man, whether he be Walker or Ashbury, has declined to give the name of his assailant and has requested that the police drop the matter. Detective Sheets is positive the man whose name is Walker at one hotel and Ashbury at another.

Chamberlain's Colic, Cholera and Diarrhoea Remedy. This is a perfectly reliable medicine for bowel complaints, and one that has never been known to fail even in the most severe and dangerous cases. For sale by all druggists.

ARRESTED FOR LARCENY. A man giving the name of Fred Merrill, released recently from the city jail, was arrested Wednesday afternoon by the police on the charge of larceny. Merrill, it is alleged, went to the office of Dr. C. M. Benedict and stole several valuable surgical instruments.

Waiting until the physician left the office, Merrill sneaked into the place, selected several of the most valuable instruments and started to leave when he was interrupted by another physician. The fellow ran out of the building, but was caught and landed in jail.

WESTERN MARKET LETTER. (Special Correspondence.) Kansas City Stock Yards, Dec. 27.—Cattle receipts last week were of holiday proportions, about half as heavy as usual, and the market was less hampered by the annual talk of the big demand for poultry at this season than usual, resulting in a higher market. Nearly every day during the week all kinds of range cattle advanced 15 to 30 cents during the week, fully recovering the recent loss and the supply of 7,000 cattle here today is selling 15 to 15 higher on all kinds, including westerns, which puts prices at the highest point

of the year on practically all kinds of cattle. Between 60 and 70 loads of Colorado and Montana cattle are here today, mostly beef grades, including beef steers at 4.75 to 5.50, cows at 3.75 to 4.50, a big stock at 4.20 and 4.30, and stockers at 4.25. Colorado feeders sold last week at 4.70 and 5.00, and stockers at 4.00 to 4.50. Dr. here last week was the sale of a string of the Spur calves at 5.50, weighing 307 pounds. These calves netted 14.20 per head, highest price ever received by Svenson Brothers, the owners, for calves at either of their Texas ranches, the M. S. or the Spur. Helpers in the shipment brought 4.00. New Mexico stockers sold recently at 4.00, not very good quality, and stock calves today at 4.00. Indications favor the present good prices continuing, as there is not believed to be enough cattle to come to hurt the market any next few weeks. Sheep and lambs sold irregularly last week, closing about steady for the week. The run today is less than 1,000 head; market strong, although not tested fully on anything. Lambs are quoted at 7.50 to 7.75, ewes 4.75 to 5.25. Medium to common ewes 4.00 to 4.40, fat goats, 3.50 to 4.25, feeding lambs 6.35 to 6.85. Receipts of sheep, lambs and goats here this year will foot up held at 2 o'clock Friday afternoon at the stake hall.
