Need for Sengations. DUNDEE, July 16th, 1877. Editor Deseret News.

Dear Brother - Before leaving Utah for this country, several persons spoke to me about procuring records, visiting their relatives, and doing other items of business. Please publish in the News that letters will reach me addressed for the present, No.114 Naeburn Street, Hutchesontown, Glasgow, Scot-

Since our arrival we have been visiting relatives and friends, also preaching out doors as opportunity preaching out doors as opportunity offered. The season has been quite cold and rainy. We have not as yet had one whole fair day. During the past twenty years many fine monuments and buildings have been erected. The city corporation was provided by the color of the city corporation of the city in the pound sterling of the annual rental, or 124 per cent., seide from taxes and provisions more than Omaha and Chicago. All day night. The Doctor continues dition of the working classes in to be quite ill, and is most of the come respects worse than ever before. The present lockout on the Clyde, and strikes, fires, etc., at other points indicate the social enmity at work. A manifest growing unbelief and immorality, drunkenness, with other kindred vices, show that Scotland to-day is and has been cursed with false re-

Said Water Superintendent, before

the faithful performance of his du-ties. He shall report to the City violating any of the rules and regu-Council quarterly, or oftener if re- lations controlling the water sup are doing some good in disseminat- quired, his doings as Superintend- ply shall forfeit all payments made ent, the condition of the Water- and the right to the use of the The tidal wave of opposition works, and make such suggestions water. SEC. 8 .- All hydrants shall

under the control of and shall be stoppage or interruption of the kept in repair by the Superintendent of the Waterworks, and in case fire or fires the Fire Department shall authorize shall have free access to said hydrants. No other person shall open or operate any fire hydrant, or attempt to draw water therefrom.

SEC. 4.-Any person who shall wilfully or carelessly run a vehicle against a fire bydrant or otherwise wilfully or carelessly injure the same, or draw, or attempt to draw water therefrom, shall be subject to a fine not exceeding one hundred dollars, and be liable for all damages done to said hydrant. SEC. 5 .- Wrenches for fire hydrants shall be furnished by order

charge of one or more of said of deposit, or to be used for any other purposes than those authorized by the City Council, shall be liable to a fine of not exceeding fifty dollars for each offense.

SEC. 6.—Whenever any person desires to obtain a supply of water

water supply; said application must state the location, kind of building, number of rooms, and the entire area of grounds to be supplied, and fully and truly state the purposes for which the water is to be used, and upon notification from the Mayor, the Superintendent of Waterworks is authorized to extend, at the expense of the City, the ser-vice pipe to the inside line of the curb-stone, or to within sixteen feet of the property line, at the point most convenient for supplying the premises of the applicant.
SEC. 7.— When application is
made by a tenant, it must be accompanied by the signature of the owner of the building or grounds, con-senting to and authorizing the introduction of water into such premises, and expressly agreeing to the rules and regulations embodied

in the application and to the provisions of this ordinance. SEC. 8.— To each service pipe there shall be attached, at the curb, a stopcock and key box, which shall be paid for by the consumer, and be under the exclusive control

of the Superintendent. SEC. 9-All service and other pipes used under ground shall be of cast iron, extra strong lead or tin-lined lead, and laid not less than four feet below the surface, and all pipes for water supply, whether inside or outside, shall be of sufficient strength to stand the water pressure and all such work alterations sure, and all such work, alterations or extensions thereof, must be done to the acceptance of the Superin-tendent. But no extension of a consumer's attachments shall be made without first obtaining a

license therefor. SEC. 10-If any water consumer shall permit any person from other premises, or any unauthorized per-son, to use or obtain water from said consumer's premises or water fixtures, whether inside or outside of his building, the supply of water may be cut off and the amount paid forfeited.

SEC. 11.—All persons taking the water shall keep their service pipes, connections, and other water apparatus in good repair and protected from frost at their own expense, but no person, except under the direction of the Superintendent, shall be allowed to dig into the street, or sidewalk, for the purpose of laying, removing or repairing any service pipe.

SEC. 12.—If any consumer shall waste any water, or allow it to be wasted by negligence, such as imperfect stops or valves, or leaky joints or pipes, or allowing tanks to leak or to overflow, or wastefully the it through basing or other average. paratus, or use the water for pur-poses other than stated in the ap-application and license, or in violation of the rules and regulations for controlling-the water supply, and the provisions of this ordinance, the water may be cut off from such consumer, and all payments for-feited, unless such person shall promptly pay such additional charges as may be imposed. SEC. 13. - Whoever, by hims

family, servants or agents, shall use the water coming through the water mains without first obtaining a license therefor, or shall withing a license therefor, or shall without authority open any stopcock,
valve or other fixture attached to
the system of water supply, or shall
in anywise injure, deface or impair
any part, or any appurtenances of
the waterworks, or shall cast anything into any reservoir or tank of
the sald works, shall be fined not
exceeding one hundred dollars for
each offense, or by imprisonment
not exceeding six months, or by
both fine and imprisonment.

BEC. 14.—If any person, after the
water has been turned off from his
premises, on account of non-payment of dues, or violation of the
rules and regulations pertaining to
the water supply, shall turn the
water to be used without authority,
be shall be fined not exceeding
fifty dollars for each offense.

sidewalks shall not be operated during a fire. No fountain attachinch in diameter. There shall be

SEC. 16 .- Sprinklers for lawns, gardens, yards, and sidewalks must larger than one-fourth inch in diameter, and no license for a sprinkler shall be issued except in connec tion with other water service. SEC. 17.-Sprinkling wagons and

wagons for the delivery or sale of Franklin Co., Va., where they bap-lized several. That point would be Waterworks, an Assessor of water erected for that purpose, and shall be regulated and controlled by the SEC, 18 .- Steam boilers will not
