WE ARE NOW MANUFACTURING, IN CONNECTION WITH THE

ST. LOUIS STAMPING COMPANY

A new line of TINNED and POLISHED WROUGHT IRON WARE, suitable alike for

HOUSEHOLD,

Miners' or Camp Use.

And take pleasure in calling the attention of Stove, Hardware and general dealers to the many desirable qualities of this NEW WARE, not only as an article of trade, but of UTILITY, combining as it does, NEATNESS, CONVENIENCE and LABOR SAVING in the care of utensils that are in every day use, in the most important of all HOUSEHOLD DEPARTMENTS. We desire and request every housekeeper to see our TEA KETTLES, SAUCE PANS, DIPPERS, DISH PANS, WASH BASINS, POLISHED FRY and STEW PANS, as we are sure they have only to be seen to be appreciated.

Many of the articles are made entirely of one piece of wrought iron which, during the process of manufacture, receives several coatings of black tin; this leaves a surface, when finished, perfectly smooth, easily kept clean and entirely protected against rust. The cost is but little more than common tin ware, and every article will do ten times the service. The shape enables us to pack the various sizes in nests so as to occupy but little space, and being but a little heavier than tin ware, the cost of transportation is very small. At present our assortment consists in part of

- TEA KETTLES, CAMP KETTLES.
- MESS PANS, DISH PANS, SAUCE PANS.
- DISH KETTLES, FRY PANS,
- LADLES, DIPPERS, &C., &C.

We are now preparing a new Catalogue and Price List, and believe Stove and Hardware Dealers will find it to their interest to send for a copy of each before purchasing elsewhere.

By Telegraph.

GENERAL.

Cheyenne, 27.—The Directors of the Denver Pacific Rail road and Telegraph Company have, to-day, closed a contract with Dr. Durant and associates for the building and equipment of the road from Cheyenne to Denver. The work will be commenced immediately and is to be completed this season.

Washington.—Gen. Canby telegraphs to Gen. Grant that all but four of the remote precincts of South Carolina have been heard from; the majority for the constitution is 43,608. The returns from North Carolina come in slowly; the majority for the constitution, so far, is about 7,500.

Philadelphia, 27.—A boiler in the "Pennsylvania Treaty" rolling mill exploded this p.m., demolishing the building and killing three men and wounding many others; thirteen wounded have been taken from the ruins.

Washington.—The President, to-day, sent a message to Congress, enclosing a communication from Secretary Seward, covering a letter from Bancroft, relative to the treaty recently negotiated with North Germany, which, on the authority of speeches made in the North German Federal Council by Mr. Konig and Count Bismarck shows that unauthorized emigration can take place, even if the emigrant shall have ceased to be an American citizen; and that a German-American citizen emigrating to North Germany cannot be held to discharge any old military duty.

Pittsburg.—Syke's Tannery, at Alleghany, was entirely destroyed by fire yesterday; loss, \$50,000. Several men leaped from the windows, eight of whom were seriously injured, two probably mortally.

Pittsburg.—Brady's Bend accommodation train, of the Alleghany Valley Railroad, consisting of a number of freight cars with a baggage car and passenger coach, when near Burningville, 120 miles from this city, jumped the track and was thrown over a high embankment, making two revolutions, and stopping in the Alleghany river. There were over twenty passengers on the train, none of whom were killed, but a number were seriously injured. The accident was caused by a broken rail.

Washington.—The Rev. Paul Bagley has been impeached by his church, and removed from his pulpit for indulging in political matters.

San Francisco, 28.—Gen. Ord has been assigned to the command of the Department of California, vice McDowell transferred to the Mississippi.

Idaho advices of April 18th say that the Indians are committing depredations in Jordan valley. It is thought that the programme of the past four years will be re-enacted by the savages,—robbing, burning and murdering. The Indians made a raid through Fayette valley, capturing and driving off stock. Troops have been sent in pursuit from Fort Boise.

San Francisco, 29.—The Democratic State Convention met here to-day, and after a temporary organization, adjourned until to-morrow. The indications are that Governor Haight will be the choice of the Convention for President of the United States.

Gen. Canby telegraphs that the total majority for the constitution in South Carolina is 43,470; and in North Carolina 13,440. Thirty-six counties have not yet been heard from. The returns from Georgia come in very slowly. The election is quiet, only one or two outbreaks have happened. Bullock is elected Governor. The constitution is ratified by a large majority. The Democrats have a majority in the Legislature.

Washington specials give a rumor that the 5th cavalry, which Gen. Emory commanded, is to be transferred to other duty, and that Rosseau is to be appointed Commander of the Department at Washington.

Springfield, Mass.—Heavy forgeries on various paper manufacturers and dealers in this vicinity by C. H. Thomas, of Boston, have been discovered; losses amount to \$60,000. Thomas has absconded leaving liabilities to the amount of \$80,000.

Helena, M. T., 30.—Advices from Fort Ellis, dated April 22d, report the Black-foot Indians troublesome. Leroy Wyett was killed that evening. A Benton correspondent of the 25th, says Nathaniel Crabtree was shot by Blackfoot on the 24th inst., near Drowned Man's rapids. On the same day the Indians stole twenty-three head of mules from Camp Cook.
