The Saints ery constitutional right. History bears Saints, as we have done heretofore, to mourned, because of oppression. But ample testimony to the fact that in past

times no man's property, life or liberty was safe in the hands of judges who sat upon the bench and imagined they had a mission to perform, and who, to accomplish their ends, had recourse to packed juries. The history of Utah, during the

past few months, illustrates the same trath. The authority of the Government is being made use in his own due time and will scatter upon the flag by using it to express of, not to protect, but to harass, to prosecute, persecute and destroy the not faint hearted for God will defend 24th. But behold the result. The most honorable and upright of the land. Families are dissevered and broken up, the most sacred ties are rent as under, homes are made desolate and many of our leading men languish he will sustain you in time and vast beyond. Nay more than this. in prisons among thieves, murderers throughout all the eternities to come. He who was one of the chief accusers and criminals of the worst description. Our cities, towns and villages are infested with spotters, deputy marshals, informers and all those questionable characters who have found employment under tyran-nical and despotic governments in other lands and in darker ages. To see the great principles of human liberty thus ruthlessly trampled under foot has caused us to feel sorrowful in our hearts; for this mighty nation cannot fag of the Republic, sustain the prin- bent. And thus has an event of God's follow the example of other powers who have, through pride, maladministration of the laws and a diregard of human rights, fallen into decay and been overthrown, without meeting a similar fate.

It was doubtless with these feelings the eternities that are to come. We home by all concerned, the events of of sorrow for the degeneracy which must still bear the same record that we the last three weeks will not be desticould permit such outrages that some have heretofore borne to you: woe to tute of salutary results.
