

THE ELECTION CANVASS.
Utah Committee still at Salt Lake City—
The Weber County.

The Utah Committee was engaged today in the canvass returns and those from some of the other counties for the Constitutional Convention, but up to the time of going to press no results have arrived, though it is possible conclusions may be reached in some instances by the hour of adjournment. The board appointed to handle the returns had no session today.

In the matter of Weber county, the total of canvassers had a meeting yesterday in the office of the chairman, Judge C. C. Day, before Judge King, of the Fourth district court. F. H. Harbord, Republican candidate for member of Weber county, said his petition for a writ of habeas corpus against the election was denied him the certifying the returns as he appeared on the record of the returns to be elected by a plurality of 1,000 votes. The board answered that they had not examined the returns, were not aware of any such petition, and that Mr. Harbord had been serving on behalf of Mr. Hartford, and P. L. Williams for the board.

Judge Day and A. E. Hyde were examined and stated that it is the desire of the committee to have the returns to be canvassed, showing several states entitled to the three electoral votes of county clerk. There were other efforts of a similar nature. In the practice of litigating the election, there was no question of the Democratic candidate than they were entitled to.

The board having a difference in the tally sheet return, decided to go to the board house and did so. The board house and the election office were joined in the same precinct. Several voters were found in the returns for County clerk, and the voting list of post No. 2 was missing. A discrepancy was found in the returns, but the election was held without any difficulty.

The board having a difference in the tally sheet return, decided to go to the board house and did so. The board house and the election office were joined in the same precinct. Several voters were found in the returns for County clerk, and the voting list of post No. 2 was missing. A discrepancy was found in the returns, but the election was held without any difficulty.

Judge Bennett, one of the petitioners, said that was sufficient that the election proceedings were not mature. He thought that no sufficient reason for going behind the returns had been shown but desired to withdraw the election and make a new one.

John M. Williams made a protest, agreeing to the suggestion that the filing of the petition was premature. Judge King allowed the time to be withdrawn upon the petitioners paying the costs.

Two Made One, and Happy.

This Wednesday afternoon, an appointment, Mr. Edward Dailey, 25, of Oakley, Summit county, and Miss Julia A. England, 21, of Tooele, were united in wedlock in the Salt Lake Temple. The young folks have \$1,000 of friends with whom a prosperous journey through life.

Land Office.

The following filing was made in the land office under date of Dec. 4:

Huron Smith, of Salt Lake City, filed a entry to the south half of the southeast quarter, the northeast quarter of the southeast quarter, and the northeast quarter of the northeast quarter of section 4, township 2 north, range 6 east.

Displaced the Type.

By a displacement of type in the evening issue of the *News*, the majority of us in Utah money was credited to F. J. Cannon for damages. It should have been given to J. L. Hawley. The figures indicating the amount had apparently dropped out of the type. The amount of value each received was apparently given.

As a Substitute.

Stenographer F. Mervine is now acting as assistant editor reported of the Third district court in the absence of Mr. Palmer, whose serious ill health was mentioned in these columns yesterday.

The Twenty-third Quorum.

The regular monthly meeting of the Twenty-third quorum of Deacons will be held at the Second Ward meeting house on Friday evening, Dec. 14. It is expected that all the members of the quorum shall be in attendance.

AMUSURGATE.

Lily Astbury was played against evening before a light audience. There was considerable interest and enthusiasm in the rendition throughout.

A drama performed under the direction of Miss Marion Boyle, will be presented at the Lyceum Hall Saturday afternoon. There are some ambitious photographs of the various young ladies engaged in the amateur and they are interesting a great deal of attention.

Young Ladies' Conference.

The quarterly conference of the Young Ladies' Mutual Improvement Association of the Salt Lake Stake was held Tuesday, December 4, at the Salt Lake Assembly Hall. President Mary A. French presided.

Meeting commenced at 7 p.m. with singing "Praise to the Lord."

Prayer was offered by Mrs. Julia Dailey.

Singing "Reconcile of Israel" to God for the salvation of the nation, was a good representation. Missionary work was discussed and read and reported.

An address by Mrs. Lucy Smith on missionary work was given in a very impressive manner.

Mrs. M. Y. Dugay has set her face firmly in the front, and her heart is set in the endeavor to expedite our mission. She said nothing but the truth.

W. C. French, president of the Young Ladies' Mutual Improvement Association, spoke briefly on the importance of the individual work of the young.

the young ladies diligent in their work in their association and the necessity of sustaining those who are less fortunate.

Mr. Maggs, C. Wilson expressed his pleasure in thinking of the efforts making these things remain in our memory, experiences similar to our own, and the continual efforts to be made diligent. He also expressed the great results of selfless money bearing, and of the love of the young, especially that of the mothers.

Mr. Louis Felt, who left the newspaper in which spiritual and physical health are the chief objects. The ministerial field here at home and young boys were very busy. Life is not for our amusement, nor for our development.

Mr. J. L. Stevens said, referring to the meeting of the Board of Missions, and had been to the meeting, when we expect many of the Deacons present can be represented in all parts of the country. The Deacons played an important part in the meeting, and had continued during the meeting.

Singing "The Lord is my personal attendant" according to Mrs. Davis.

The evening meeting ended by singing "O Lord what is truth?"

Prayer by Mrs. Mary F. French.

Worship with Miss Julia Dailey.

Miss Vickie Clayton tendered her resignation as Deaconess, which was accepted, and Mrs. Jones submitted a motion to accept her resignation to fill the vacancy.

An addition to the Board of Missions was given by Mrs. Davis.

Mrs. Nellie L. Taylor spoke on purity and the antiquing lesson. The Chapel is a true educational and spiritual school in its new and most modern methods.

The Deacons were given an opportunity for showing how much of the true education we possess.

A gift was given by Miss Eva Wittenberg, of Salt Lake City.

Mrs. Adeline J. Davis spoke on the education of the heart being neglected for that of the intellect, the derivation of the noble traits of character, humility, modesty, gentleness, unselfishness, and the培养 of selflessness, and allowing the hours to have full expression.

Mrs. Mary A. French spoke on "Love" in the building of the temple. All Christians and charity were mentioned as the foundation of the temple of God between all mankind. How much easier it is for others to outdo what possessed of him all have also spoken of experience and the power of love.

Mr. Fred Faltings, and the trustees of the First Ward, were in the building of the temple. This association is continuing that of the heart and mind, which seemed to be by common consent, the religion was mentioned. The Association of young, future young leaders is to be done by the free and masterful teaching of the principles of the gospel. All who are going to the national convention will be asked to contribute \$100.

Miss Julia A. England, son of Dr. J. L. Stevens, and the wife of Dr. J. L. Stevens, son of Dr. J. L. Stevens, were invited to witness the meeting.

Conversations were held for three minutes, singing and heralding by Misses Eva Felt.

MARY A. FRENCH, President
MINNIE JAMES, Ass't. Secretary.

Home From New Zealand.

Edith Thomas L. Cox, of Ogden, called at the news office this (Wednesday) afternoon, having just returned from a mission to New Zealand. Her first letter of labor June 1st, 1893, and was on her arrival in Auckland, New Zealand, the following day, the first time she had been in the Islands for several years, has been almost entirely neglected.

Miss Cox reports that she remained with numerous friends in the islands in the different countries during the difficult year. Many of the natives in their native villages have to various ways expressed their grief at the loss of the Church, spending school houses and churches for the children. By this time the natives have learned to believe that the gospel now abhors its principles, and quite a few have joined the Church. A good spirit prevails among the people.

Edith, Katherine, Eleanor, and Mary, were born in New Zealand, the former two for about a year, returned in company with Miss Cox. He was released on account of sickness. Edith Cox says she has enjoyed tolerably well, though she has become and been more blind in her right eye, although she has a varying as well as valuable experience.

AMUSURGATE.

Lily Astbury was played again last evening before a light audience. There was considerable interest and enthusiasm in the rendition throughout.

A drama performed under the direction of Miss Marion Boyle, will be presented at the Lyceum Hall Saturday afternoon. There are some ambitious photographs of the various young ladies engaged in the amateur and they are interesting a great deal of attention.

Young Ladies' Conference.

Meeting commenced at 7 p.m. with singing "Praise to the Lord."

Prayer was offered by Mrs. Julia Dailey.

Singing "Reconcile of Israel" to God for the salvation of the nation, was a good representation. Missionary work was discussed and reported.

W. C. French, president of the Young Ladies' Mutual Improvement Association, spoke briefly on the importance of the individual work of the young.

Consumption Checked.

Obstinate Case of Catarrh

Local Applications Found—Hood's Sarsaparilla Cured.

J. H. Hood, of Salt Lake City, has a case of obstinate catarrh which has defied all medical treatment and has been a source of trouble for many years. He has tried every known remedy, but nothing has been able to cure him. His physician, Dr. J. H. Hood, has recommended Hood's Sarsaparilla, and the patient has been cured.

A Consumption's Grave.

There is a consumption in the city of Salt Lake, and it is a very dangerous disease. It is a disease of the lungs, and it is a disease of the heart, and it is a disease of the brain, and it is a disease of the kidneys, and it is a disease of the liver, and it is a disease of the spleen, and it is a disease of the intestines, and it is a disease of the skin, and it is a disease of the eyes, and it is a disease of the ears, and it is a disease of the nose, and it is a disease of the throat, and it is a disease of the heart, and it is a disease of the lungs, and it is a disease of the kidneys, and it is a disease of the liver, and it is a disease of the spleen, and it is a disease of the intestines, and it is a disease of the skin, and it is a disease of the eyes, and it is a disease of the ears, and it is a disease of the nose, and it is a disease of the throat, and it is a disease of the heart, and it is a disease of the lungs, and it is a disease of the kidneys, and it is a disease of the liver, and it is a disease of the spleen, and it is a disease of the intestines, and it is a disease of the skin, and it is a disease of the eyes, and it is a disease of the ears, and it is a disease of the nose, and it is a disease of the throat, and it is a disease of the heart, and it is a disease of the lungs, and it is a disease of the kidneys, and it is a disease of the liver, and it is a disease of the spleen, and it is a disease of the intestines, and it is a disease of the skin, and it is a disease of the eyes, and it is a disease of the ears, and it is a disease of the nose, and it is a disease of the throat, and it is a disease of the heart, and it is a disease of the lungs, and it is a disease of the kidneys, and it is a disease of the liver, and it is a disease of the spleen, and it is a disease of the intestines, and it is a disease of the skin, and it is a disease of the eyes, and it is a disease of the ears, and it is a disease of the nose, and it is a disease of the throat, and it is a disease of the heart, and it is a disease of the lungs, and it is a disease of the kidneys, and it is a disease of the liver, and it is a disease of the spleen, and it is a disease of the intestines, and it is a disease of the skin, and it is a disease of the eyes, and it is a disease of the ears, and it is a disease of the nose, and it is a disease of the throat, and it is a disease of the heart, and it is a disease of the lungs, and it is a disease of the kidneys, and it is a disease of the liver, and it is a disease of the spleen, and it is a disease of the intestines, and it is a disease of the skin, and it is a disease of the eyes, and it is a disease of the ears, and it is a disease of the nose, and it is a disease of the throat, and it is a disease of the heart, and it is a disease of the lungs, and it is a disease of the kidneys, and it is a disease of the liver, and it is a disease of the spleen, and it is a disease of the intestines, and it is a disease of the skin, and it is a disease of the eyes, and it is a disease of the ears, and it is a disease of the nose, and it is a disease of the throat, and it is a disease of the heart, and it is a disease of the lungs, and it is a disease of the kidneys, and it is a disease of the liver, and it is a disease of the spleen, and it is a disease of the intestines, and it is a disease of the skin, and it is a disease of the eyes, and it is a disease of the ears, and it is a disease of the nose, and it is a disease of the throat, and it is a disease of the heart, and it is a disease of the lungs, and it is a disease of the kidneys, and it is a disease of the liver, and it is a disease of the spleen, and it is a disease of the intestines, and it is a disease of the skin, and it is a disease of the eyes, and it is a disease of the ears, and it is a disease of the nose, and it is a disease of the throat, and it is a disease of the heart, and it is a disease of the lungs, and it is a disease of the kidneys, and it is a disease of the liver, and it is a
