DESERET EVENING NEWS.

TRUTH AND LIBERTY.

VOL. VII. SALT LAKE CITY, UTAH TERRITORY, WEDNESDAY EVENING, NOVEMBER 26, 1873. NO. 5.

BY TELEGRAPH.

PER WESTERN UNION TELEGRAPH LINE.

Last Night's Dispatches.

EASTERN.

Another "Gentleman Thief."

RICHMOND, Va., 25.—G. T. Brooks, late president of the Merchants' National Bank, of Petersburg, is charged with embezzlinging the funds of the bank; he has been held in fifteen thousand dollars bail to appear in the U. S. Circuit court.

Greater Vigor.

PHILADELPHIA, 25.—No orders have been received at the navy yard here to suspend work, but on the contrary it is being pushed with greater vigor. A dispatch has been received ordering the dispatch boat *Pinta* immediately to sea.

Less Encouraging.

ALBANY, N. Y., 25.—The reports from the canal to-day are less encouraging; west of Rome the canal is closed with ice several inches thick.

Resigned.

BOSTON, 25.—Mayor Perry has tendered his resignation, to take effect on the 29th inst. Alderman Cutter will be acting mayor for the unexpired term.

Work Night and Day.

The United States Cartridge Co. commence, this week, to run their works day and night; they have pressing orders for several millions of cartridges from the war and navy departments.

Naval.

WASHINGTON, 25.—The construction bureau of the navy department says that if work at any of the navy yards has been suspended, it is not because of orders from Washington; only to-day, orders were sent from the bureau to make some additional repairs on the *Colorado*, at New York. The *Roanoke* is not intended for the North Atlantic squadron, but for mouth of the Harbor; and as for the *Dictator* there was very little work remaining to be done on her.

Cabinet Meeting—Peaceful Dispatches — Working Night and Day at the Navy Yard.

The President's message will not be printed in advance of its transmission to Congress.

The report of the Secretary of the Treasury will be printed, but will not be distributed before the message is sent to Congress.

A Republican Congressional caucus will be held on Saturday evening next, to select candidates to be voted for on Monday in the organization of the house.

The cabinet meeting, to-day, was two hours in duration. All the members were present except Robeson, who is in Philadelphia on naval business. The Spanish question was debated, but no new action was taken.

Dispatches were received to night by both Secretary Fish and Admiral Polo, the Spanish minister from Madrid, of such a character as to give, more than heretofore, a promise of a peaceful solution of the present complications. These gentlemen were in private conference for several hours to-night at the residence of Secretary Fish, comparing dispatches and discussing, generally, the situation.

Orders were received at the Washington navy yard this morning to fit up the *Shawmut* for sea, with all possible despatch. All the men that can be employed to advantage will be put to work night and day.

The *Fortune* was launched this forenoon and will be ready for sea in a few days; she will carry two thirty-pound rifled guns, in addition to her torpedo attachment.

Wedding in High Life—Financial.

Hon. Richard C. McCormick, delegate from Arizona, was married this evening to Miss Elizabeth Thurman, daughter of Senator Thurman, at the latter's residence in this city. The wedding was attended by President Grant, several members of the cabinet, all the senators now in Washington, and many other distinguished persons.

The Comptroller of the Currency, in his forthcoming report, devotes considerable space to the subject of interest on deposits and the certification of checks. In regard to the first, he inveighs strongly against the practice, either by the national banks, the State banks, or savings banks, as an illegitimate and dangerous manner of securing business, but says that as congressional prohibition could only be applied to the national banks it would not be a cure for the evil. The comptroller thinks that the proposed action of the clearing house in the city of New York, if adopted by the clearing houses of the principal cities of the Union, would do more to prevent the payment of interest on deposits than any congressional instrument. The comptroller recommends the repeal of the law taxing deposits, and also the repeal of all other similar internal revenue taxation, and says that if legislation is proposed on this subject, the law should be so amended as to repeal the tax on demand deposits and to impose an increased tax upon all interest bearing deposits, which, if rigidly enforced, he thinks will not only have the effect to reduce the rate of interest throughout the country, but also to prevent the illegitimate organization of savings banks. In relation to the illegal certification of checks, the comptroller announces his intention of rigidly enforcing the penalty whenever he is satisfied of the commission of the offence by any bank. The comptroller renews his recommendation, that twenty-five millions of the national bank circulation be withdrawn from the eastern states having an excess, and distributed among the southern and western states, which are deficient.

Decried by the Press.

LEAVENWORTH, 25.—There are fourteen daily papers in Kansas, and all but one repudiate the action of Governor Osborn in appointing Crozier U. S. Senator. It is alleged that the arrangement by which Crozier was appointed includes the election of Osborne to the U. S. Senate, and the appointment of Crozier to the U. S. judgeship, in place of Dehany, whose resignation Crozier takes in his pocket to Washington.

Mass Meeting of Granges.

ATLANTA, Ga., 25.—A mass meeting of the farmers and patrons of husbandry, to-day, resolved to plant only one-third of their crop in cotton next year, and to favor cash payments, and decided that they had a right to control the price of cotton.

WESTERN.

Guilty—Progressing.

SAN FRANCISCO, 25.—The jury in the case of Frank Harris, mate of *Sunol*, returned a verdict, to-the night, of guilty on twenty-nine counts of the indictment.

The trial of Toredo Moreno, one of the Vasquez gang of murderers, is progressing at Salinas City, Monterey county.

Boiler Explosion.

There was a boiler explosion to-night in the book store of A. L. Bancroft & Co., Market St.; the flames extended from the engine room to the furniture store of Henry & Company, damaging it to the extent of about $80,000. Bancroft's loss was about ten thousand. During the fire James McGinn and two boys were suffocated nearly to death; they were got out and taken to their homes, but it is feared the man will die.

Captain M. A. Cox has been appointed agent here of the New China line of steamers.

NOVA SCOTIA.

Elections.

HALIFAX, 25.—At the recent election in Newfoundland fourteen government and thirteen opposition members were chosen; the House meets in January.

WEST INDIES.

Plucky Talk—Funeral and Suicide.

HAVANA, 25.—The *Diario de Lamarina* has an editorial to-day, of which the following is an extract—"The Washington government knows, to-day, and the United States Congress will soon know, the justice with which the Spanish authorities have acted; they will take care of the national honor without suffering themselves to be influenced by the cries of the masses, who know not what these Cuban 'patriots' are. Far from our minds be a feeling of arrogance, farther still a feeling of fear from our hearts. We neither seek nor shun peril. If the Americans oblige us to fight, fight we will. If the mother country can aid us we will thank her; but if we must contend alone there are enough Spaniards in Cuba to keep our banners safe. We will sell very dearly that which was once the most brilliant flower of the crown of Castile."

The funeral of Count San Fernando took place to-day; his murderer committed suicide in prison last night, by taking poison.

FOREIGN.

GREAT BRITAIN.

Transport Ship.

LONDON, 25.—The steamship *Samaritan* has been chartered by the British government to convey a regiment to the Gold Coast.

FRANCE.

Resignations Accepted.

VERSAILLES.—President MacMahon has accepted the resignations of members of the Cabinet, they having been again tendered.

The New Cabinet.

PARIS, 25.—The cabinet, as reconstituted, is composed as follows: Minister of the Interior, the Duke de Broglie; Foreign affairs, the Duke de Cazes; Finance, Pierre Magne; Justice, Ernaul; War, General Du Barail; Marine, Admiral D'Harney; Public Instruction and Worship, Babbi; Public Works, Deseilizuy; Agriculture and Commerce, Boulliere. The Duke de Cazes is a new member of the cabinet. M. Baule, who was minister of the interior, has retired, and the Duke de Broglie takes his place, relinquishing the foreign ministry to the Duke de Cazes. These are the only changes made in the cabinet as it existed before the last resignation of the ministers.

In the trial of Marshal Bazaine to-day General Boyer testified that Bismarck told him that he was willing to grant an armistice if the army of Metz would declare in favor of Napoleon.

PRUSSIA.

Archbishop Imprisoned.

BERLIN, 25.—A fresh sentence has been pronounced against archbishop Ledochowski, for continuing, unlawfully, to institute priests; he is condemned to two years' imprisonment and to an additional fine of 540 thalers.
