LOCAL AND OTHER MATTERS.

THEATRE.—The Complimentary Benefit to Mr. R. M. Carroll, comes off to-night. The entertainment commences with the drama, "A Night of Peril." The Carroll family will give a wide variety of performances. Miss Bowring will dance.

Mr. Johnny Allen and Miss Harrison to-morrow night.

ANOTHER MEAT SELLING CASE.—There is another case of selling butchers' meat in a place not authorized by law.

SOMETHING NEVER HEARD OF.—The Chicago *Post* would rejoice and be exceedingly glad to see Brigham Young and others "receive their just deserts," but it also says—

"It would be a little too farcical to convict and punish them for murder on the testimony of that notorious assassin and cut-throat Bill Hickman. To take the evidence of the principal against an accessory is something never heard of in any respectable court."

If Brigham Young were to receive his "just deserts," he would not be persecuted by prosecuting and judicial parties upon imaginary or unconstitutional charges.

SPOT AND THERE.—The Colorado *Miner* speaking of Utah affairs, advises thus—

"The Mormon question is growing more intense. Let the wise men of the land pause and look at the situation. We hope the government will not inaugurate a religious war in the nineteenth century."

POCKET PICKING.—A case of pocket picking will be up for trial in the Alderman's Court this afternoon.

BONDS GIVEN.—By advice of Judge McKean, bonds were given by the liquor dealers whose saloons were lately taken possession of by the City officers, and they have resumed business.

HOW WAS AND IS IT.—A gentleman of this City informs us that he did not receive a letter directed to him, and bearing the Brigham City post mark, date of Oct. 30th, till yesterday (Nov. 6th), although his letters had been called for daily, at the Post Office in this city. We are also informed that a letter addressed to this office was mailed at Brigham City several days since, but it has not yet put in an appearance here.

We were also told of an instance the other day where a party called daily at the P. O. and asked for letters but received none, till finally the letters were advertised and then obtained by the party to whom they were addressed.

NEW TELEGRAPH OFFICES AND EXTENSIONS.—Through the indefatigable labors of Superintendent A. M. Musser, Esq., extensions of the Deseret Telegraph are branching out in every direction. The progress of this enterprise is greatly facilitating the mining and other business of the Territory. We congratulate the good people of Bear Lake on the prospect of their being, a few days hence, in telegraphic communication with the rest of the world, as is shown by the following—

SALT LAKE CITY, Nov. 6, 1871.

Evening News—Another telegraph office has just been opened in the Lee Hotel, Panaca, which is about half a mile from Bullionville, and eleven miles from Pioche, Miss Ina Johnson, of Springville, operator. In a day or two there will be another office opened at Hebron, alias Shoal Creek, on the Pioche extension, and nearly midway between St. George and Pioche. I go north, this p.m., to open another office, at Paris, Rich Co., about Wednesday or Thursday next.

A. MILTON MUSSER.

"MORGAN COLLEGE JOURNAL."—This is the title of a neat little four page, monthly sheet, published under the auspices of Morgan's Commercial College, and of which we lately received the 14th number.

The contents are varied and well written, consisting of original articles on educational and other subjects; poetry, general news gossip. We wish the little paper success.

OPENED.—The following was received just as we were about to go to press to-day, by Deseret Telegraph:

The line has just been opened to Paris, Bear Lake.

NOT SO.—The Colorado *Chieftain* has the following:

The DEMOCRAT NEWS says that when people "attack Mormonism their good sense and judgment, such as they have, are taken away from them." If the *News* had only said that their good sense and judgment are taken away when they embrace Mormonism, it would have hit the nail upon the head exactly.

The editor of the *Chieftain* has not got the thing exactly straight. We believe that there are thousands upon thousands of people who honestly differ from the "Mormons" in their religious views, which everybody so minded has a perfect right to do. It is also the right of such, should they feel like it, to attack the principles of "Mormonism" on logical and reasonable grounds, but we can never concede that it is the right and privilege of any individual to attack and abuse any people, be their views what they may, because of their religion. The religious element has been wisely implanted in man by his Creator, and so long as the exercise of his religious views and sentiments does not interfere with the freedom of others, his fellow man has no right to curtail him in such exercise. If the editor of the *Chieftain* does not know that the "Mormons" are not intolerant and bigoted, as a people, and that they do not consider all who may differ from them religiously and who may even attack their religious views on logical and conscientious grounds, to be lacking in sense or judgment, it is time he did, for they have given ample evidence of liberality and toleration in religious matters. When people attack "Mormonism," however, by slandering and abusing the "Mormons," they show a narrow, bigoted and uncosmopolitan spirit, and evince that if they ever did possess good judgment or sense they lose it when they thus attack "Mormonism."

What the "Mormons" want is fair play, and that is what every gentleman will accord them. We feel sure that the editor of the *Chieftain* will agree with us when we say that no true gentleman will abuse or interfere with any people because of their religion. He is welcome to the opinion that the good sense and judgment of people are taken away when they embrace "Mormonism," but, of course, we know better.

THERE ARE MESSAGES at the Deseret Telegraph Office for M. D. Harmon, Arthur H. Lewis, S. L. Moore, Leonard Caneri, R. A. Wardill, Ed. Dunham, L. W. Lindsley, Chas. Stanley, Wm. H. Sherman, Capt. E. H. Shaw, P. Cummings and H. Rogers.

GENERAL AUGUR.—General Augur arrived from the East last night, and is staying at the Townsend House.

ABOUT THAT TIN MINE.—The New York *Herald* has the following concerning the tin ores of Utah—

Samples of the so-called tin ore received from Utah Territory, where the supposed tin discoveries have created such excitement, have been subjected at the General Land Office to a chemical analysis and also a crucible assay, but in neither case could the least trace of tin be found. But one set of specimens has been received, and it is possible, though not probable, that the other "tin" specimens may not be so barren of the real article.

"NO APPEAL."—A correspondent of the Sacramento *Reporter* says "No appeal—Whither are we drifting?" And concludes this way—

"It behooves us, however, to shake off the spirit of persecution at least, as long as we can, and not hasten the day of judgment. The days of tribulation will come soon enough—while let it be ours "as far as in us lies, to live peaceably with all men," and if we will let Brigham alone he won't trouble us. Property and good order have attended his efforts and entitled him to be regarded as our brother without obliging us to become Brighamites. But to give poor Brigham a little show, hadn't we better reconstruct the reconstruction laws, and perhaps the Southern blister will heal a little sooner when this is done. Come, boys, let us look lively, there is work to be done; and it is for every man to see to it being well done."

A GREAT MEDICAL DISCOVERY!

MILLIONS BEAR TESTIMONY TO THE WONDERFUL CURATIVE EFFECTS OF

J. WALKER'S VINEGAR BITTERS

Which are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and A LIFEGIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and all the Visceral Organs.

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.
