

A lawyer is strongest when he is feeble.

Human bones are ground up for fertilizing by a Nashville concern.

Never be discouraged, but persevere, and mountains will become molehills.

Victor Emanuel has had several attacks of apoplexy.

Dry goods are worshipped in this world now more than the Lord.

Nearly one hundred thousand stores were made in St. Louis last year.

Queen Victoria's jewels are estimated to be worth about \$5,000,000.

Elastic boot heels are among the late reported inventions.

The cost of the Boston city government this year will be \$7,054,076.

One thousand Indians still reside in Massachusetts.

He that can travel well afoot keeps a good horse.

The devil owns most of his success to the fact that he is always on hand.

A convict in the West Virginia penitentiary, has fallen heir to \$35,000 in Ireland.

A Canadian wedding was recently enlivened by the spectacle of the great-grandmother of the bridegroom dancing a jig vigorously.

A pebble picked up by a child at the Cape of Good Hope and used as a plaything, turned out to be a diamond worth \$2,500.

Only 210,134 of the thirty-five million inhabitants of the United States have a sufficient income to pay a tax to the Government.

A large cave has been explored near Bentonville, Ark., to the distance of nine miles. One chamber is six hundred feet wide, and three hundred feet high.

The young ladies of Chicago who wear false calves excuse the practice by saying they are protected against mad dogs.

A little girl walking in a cemetery, and rearing one after another the praises upon the tombstones of those who sleep beneath, exclaimed, "I wonder where all the sinners are buried?"

There are few moments in a man's existence when he experiences so much ludicrous distress, or meets with so little charitable consideration, as when he is in pursuit of his own hat.

A native of India, has woven a piece of lace ten yards long and one wide, which weighs but a trifle more than two ounces, and can easily be passed through a small finger ring.

Two Springfield girls did the leap year business up in style by escorting a couple of gentlemen to the skating park, offering them every attention, and finally stealing their skates.

Beggar-woman: "Please, sir, give me a penny to keep me from starving."

Genl.: "Can't stop in a great hurry. I've got to make a speech at the Society for the Relief of the Destitute."

Paris has a newspaper that sells for one sou and gives to each of its quarterly subscribers a ticket entitling the holder to have his or her photograph taken at a certain establishment free of charge.

Gambling is fast and furious in the Paris fashionable clubs. A gay tempter of fortune lost \$300,000 in one night recently. Another won \$170,000, but wishing to make it a round \$200,000, played on and lost all but \$15,000.

The people of Milan, Missouri, were appalled one night recently by the appearance of a dense black cloud immediately over the town, with the figure of a snow white coffin, clearly defined upon its centre.

A Chinese maxim says, "We require four things of women: That virtue dwell in her heart; that modesty play on her brow; that sweetness flow from her lips; that industry occupy her hand."

Lord North, who was very corpulent before a severe sickness, said to his physician after it. "Sir, I am obliged to you for introducing me to some old acquaintances." "Who are they?" said the physician. "My ribs," replied his lordship, "which I have not felt for many years until now."

Bad company is like a nail driven into a good one. After the first or second blow may be drawn out with little difficulty; but being once driven up to the head, the pliers cannot take hold to draw it out, but it can only be done by the destruction of the wood.

The Cumberland and Presumpscot Mills, on the Presumpscot River, Me., manufactures eight tons of fine book and newspaper a day, and consumes 3,500 tons of rags, 175,000 pounds of vitrol, 50 casks lime, 2,500 tons of coal every year, employing 230 hands.

"You say, Mrs. Smith, that you have lived with the defendant for eight years. Does the court understand that you were married to him?" "In course it does!" "Haven't you a certificate?" "Yes, your Honor, three of 'em—two gals and a boy!"

A man passing through a gate-way, in the dark, hit his nose against the post.

"I wish that post was in h—l," said he.

"Better wish it somewhere else," said a bystander, "you might run against it again."

A domestic, newly engaged, presented to his master, one morning, a new pair of boots, the leg of one of which was much longer than the other.

"How comes it, Michael, that these boots are not the same length?"

"I really don't know, sir, but what bothers me most is, that the pair down stairs are in the same fix."
