

COULDN'T QUALIFY HIM.—A man went to a Judge to get qualified for an office. Said he, "Hold up your hand, I'll swear you, but all creation couldn't qualify you."

There are many men in these days elected and appointed to office who labor under the same disability.

THE HUMAN RACE.—"Ginger?" "Sah." "When am dat great race to come off, dat dar is so much talk about?" "What great race, Clem? I habn't hern ob no race." "De human race—de human race—dat is to come off before long!"

STEEL TYPES.—A Frenchman, by the name of Cambrian, has announced his ability and his intention of producing steel types, the durability of which will be beyond calculation. He has already a machine for making type, which produces ten thousand at one stroke.
