> PER WESTERN UNION TELEGRAPH LINE. FORTY-SEVENTH CONGRESS. SENATE.

WASHINGTON, 6.-The commis sioner of pensions was instructed to furnish a complete list of the pensioners and his views of the probable effect of the passage of the pending resolution to pension the loser of an arm or leg, and those who met similar disability in war.

Sewell said he would early call up the bill for the retirement of Fitz-tohn Porter.

The Senate considered the bill stablish a uniform system of bank-

ingalls explained it. In concluding, he submitted the minor amendments agreed to by the sub-committee. Ordered printed, After further discussion, the bill went over as unfinished business. Several bills on the calendar passed. Executive accasion; nomination referred. Adjourned.

HOUSE. Washington, 6.—A motion of Kelley was referred, asking the Secretary of War what objects were re-ferred to by the President as need-ing additional appropriation this session in the river and harbor bill.

Sold only theans. ROYAL BAKING POWDER Co., 106 Wall Street, New York. Caldwell offered a resolution that the committee on appropriations may insert a clause for two-cent letter postage.

The House considered the President's message and went into committee of the whole on the state of STATIONERY ARTICLES & ARTISTS' MATERIALS.

the Union. Willis, of Kentucky, offered a re-solution like that Beck offered in the Senate yesterday on civil service

By a vote of 51 to 76 the commit tee refused to strike out the enacting clause of the Nicaragua bill, then reported it to the house and it passed, 96 to 80.

Steele, of Indiana, offered a resolution directing the committee on civil service reform to enquire how much money was collected by camenate of the democratic service reform to enquire how much money was collected by camenate of the democratic service reform to enquire how till Saturday.

Boston, 6.—The grand jury is interested in the definite of R. O. 843 845, 347 Broadway, 96, 93, and 94 Leonard Street, NEW YORK. adopted," cried several democrats, but Kasson objected to its present consideration; for the same reason which prompted him to object to Willis' resolution, that the committee had as much work as it could accomplish. Townsend, of Illinois, called attention to the fact that objection came from the republican side. The resolution was referred. Kasson presented the views of the minority of the committee on ways and means on the Indian revenue bill ordered printed. The minority

Russell. They say they are not prepared to recommend the antire abolition of the tax nor the risk of reducing the revenue of the government below the amount which will evidently be required to meet are rearages of pension in addition to the other express of the same of the other expenses of the government, by an extravagant reduction of the sources of public revenue, with the more agreeable duty and much more feasible to reduce taxes from time to time as the unknown extent of our

will permit. It should be made en-tirely independent of other sources of revenue, and there should be such adjustment of duties levied as will fairly protect American indus-tries from rulnous foreign competi-

time as the unknown extent of our revenues shall be developed, than from the propose them to meet impersitive obligations of the government. As for the reduction which it now appears afte to make, we believe it should be affected rather by the abolition of taxes more chosely related to the use and convenience of our people. Dunnell and Hashall file a supplemental minerity report in which they favor the abolition of all internal revenue taxes except those on mait and spirituous liquors, to accompany the come apparent the government, don't require the entire amount derived from liquors and tobacco, the proposition of reducing the tax may be favorably considered. They be lieve, however, before this tax is abolished there should be as comprehensive a revision of the tariff made as the length of the session will permit. It should be made entirely independent of other sources, and distinct the limits to be the service of revenue, and there should be such adjustment of duties levied as the placed on the sull's fine to be lived, however, before this tax is abolished there should be made entirely independent of other sources will fairly protect American industries from ruinous foreign competition. Adjourned, thinks the spinion of the House is so decided on the question that he can secure a two-third vote to suspend the rules and pass the bill for-leiting the right of the Northern Pacific road to an immense tract of years and which it now holds.

oming, the highest point on the Union Pacific in the Rocky Moun-tains. A telegram received here says that at sunrise the heavens were cloudy, but that shortly afterwards the clouds were in a measure dispelled, and Venus was distintly seen upon the disc of the sun. It was anticipated by Mr. Bleckensderfer that the weather would be favorable for the last points of the contact. The first points were not visible owing to the clouds. He was well provided with a complete set of instruments. It is now believed instruments. It is now believed here that he is the only man on the American continent who succe in observing the transit, and as he is considerable of an astronomer his report will no doubt be of great in-terest. It was cloudy all day in Ne-

BAN FRANCISCO, 6.—Per steam Ahip Gaelle, from Hong Kong via Yokohama: Hong Kong, Nov 28. It is reported in diplomatic circles at Peking that a considerable party in the Chinese government are elated by the success of the recent opera-tions of the government in Ceres, and they propose urging the re-sumption of active suzerainty over Anam and Siam. Formal inquiries on this subject were presented to Tsung Li Yamen by certain western envoys. It is generally believed, however, the majority of the government will oppose the proposition, at least so far as Slam is con-

Prince Kung is reported as dan-gerously ill of Bright's disease.

Foreign speculators in Shanghai contemplate laying a cable between that place and Hong Hong. The concession is saked from China.

A violent storm in the China Sea has prevailed since Oct. 30, causing the greatest damage. Several villa-ges were destroyed. Manilla is in

gates have resolved to persus their government to have an e tablish diplomatic relations.

Mr. Kapena, envoy from Hawaii,
has arrived in Japan. He was extremely well received. The envoy
comes to persuade the authorities to
sanction the exportation of Japanese
coolies to the Sandwich Islands. It
is not supposed he can succeed, although strong political influence
has been secured.

The unconcealed desire of the

members of the government to re-gain the Simonoseki indemnity money occasions some remark. It

understood to be a confidential agent of the Japanese foreign minister, will presently visit Washington to assist in the attempt to secure the immediate restoration of the fund.

Public opinion has declared itself strongly against the projected new steamship company of Japan. The government seems nevertheless determined to carry it through.

The Chinese authorities are establishing defensive armaments on a large scale in Manchuria, and troops are being marched toward the Russian frontier. There is every indication that an invasion is apprehended. Some excitement was created

Shanghal by an attempt of the Chinese officials to sieze criminals in the foreign settlements. United States Vice Consul General Cheshire refused in one instance to sign a warrant of arrest. His action was supported by the united diplomatic corps at Pekin.
