SUNBEAM IS WEAKER TODAY.

Grand Central and Mammoth are Both Much Stronger.

DALY-WEST LITTLE LOWER.

Golden Eagle Firm-Kremlin Sells-Daly Participates-Bullion-Beck Softening.

Stocks were quite active today with-out any remarkable advances or declines. Grand Central was much stronger, owing presumably to the prospects of early resumption of dividends now that conditions are said to be so favorable on the 900 lead.

Mammoth was also much stronger. Shipments are heavier now than for several weeks past and the distribution of a dividend on or about April 1st, is pretty well assured.

Daly West started out today at \$16.50, but closed weaker at \$15.45, while Sacramento sold under 20.

Daly led 100 at \$15.1, Herschel sold at 2, Northern Light at 4 1/2 and Emerald at 6 1/2.

Sunbeam sold at 10 1/2 at the outset, but rapidly fell to 8 1/2, while Yankee Con. sold from 11 1/2 to 11 1/4.

Bullion Beck responded at \$3.25, Eagle and Blue Bell was traded in at \$1.02, and 2,000 Kremlin brought 2 1/2 cents a share.

Golden Eagle was strong at 3 1/2. A big block of Boston & De La Mar brought \$4. Daisy sold at the same figure. Wyoming Glory sold at the same figure.

BOSTON WOOL MARKET.

Boston, March 13.—There is an easier feeling in the wool market here this week on account of the quiet market, but quotations are not much changed. Territory wools continue to be quoted at about 60 cents soured, for choice lots of fine medium and medium, with staple lots higher. Fine fleeces are quiet and nominal in price. Australian wools are scarce and prices nominal.
