Dr. Ferrebee of Murray Accused of Not

Reporting Two Recent Cases.

A complaint has been filed in Justice Kroeger's court by Dr. Beatty, secre-tary of the State board of health, charging Dr. W. E. Ferrebec, of Mur-ray, with violating the quarantine laws by failing to report to Health Officer Jones, of the same place, two cases of smallpox, which, it is claimed, the defendant was treating. One case was that of John D. Richardson and the

other Mrs. Thomas Bird. Dr. Ferrebee says he reported the cases to County Physician H. A. Ander-son. The law, however, provides that reports shall be made to the State ealth commissioner. Warrants of arrest were issued today

and it is expected the matter will come up for hearing one day next week.

Mrs. Bell of Murray Says Her Son was Unlawfully Sent to Jail.

Statement Also Made that a Saloon Keeper Supplied Minors With

Intoxicants. A married lady named Bell, residing at Murray, called at the county attor-

ney's office about 4 o'clock yesterday. afternoon and made complaint against Justice of the Peace McOmie and Dep-uty Sheriff W. H. Goldman for what she termed unwarranted conduct on the part of those officials. Mrs. Bell said that the other day her boy and some others obtained drink

from a saloon, and while under the in-fluence of the intoxicating beverage fluence of the intoxicating beverage they helped themselves to some candy which was in a delivery wagon outside one of the Murray stores. The Bell boy was arrested to Deputy Goldman, and taken before Justice Mc-Omie, who imposed a fine of \$15. He would not have been released, his mo-ther said, had it not been for an ac-quaintance of the family, who, hearing of the affair, went and paid the fine, thus securing his liberation. What Mrs. Eell objected to was the sending of her boy to jail without com-municating with her or her husband.

This latter statement is untrue, for while the county attorney's office has no record of the proceedings, the fact remains that Justice McOmile was au-thorized to issue the warrant, receiving his instructions from Assistant County Attorney W, T. Gunter, over the 'phone. Another grievance of Mrs. Hell's was that her son, who is only 15 years of age, should be arrested for stealing a few sticks of candy while in a state of intoxication, and allow the saloon keep-er, who provided the drink, go "Scott
