LIEUT. G. S. KIMBALL.

An Ogden Young Man Receives an Appointment in Volunteer Army.

President McKinley has appointed George S. Kimball of Ogden a second lieutenant in the volunteer army, eighteenth infantry. The notification of the appointment was received by Governor Wells from Adjutant General Corbin at Washington, and the commission will be issued to Mr. Kimball in a few days. The appointment is a reward of merit, as Mr. Kimball has been a private in the Utah National guard for the past two years. He is about 26 years of age and a lawyer by profession. At present he is filling the position of deputy county clerk at Weber county. He will resign his place and leave for duty as soon as his commission arrives.

Lieutenant Kimball though a young man, has had quite a little military experience. In May 1898, he was given a commission by Governor Wells as second lieutenant in the First troop of Utah cavalry, which was then sent out to California until the Cervantes. He was recommended for appointment by Governor Wells.

ALLEGED WATCH THEFT.

William T. Doane Held to District Court.

The preliminary hearing of William T. Doane on the charge of grand larceny was called at 2 o'clock this morning by Justice McCarthy and Mr. Doane is accused of taking from the person of A. M. Bowler on the night of July 26th a gold watch of the value of $100.

On that night Mr. Bowler and the defendant were returning from a picnic on the 10:45 street car, and during that the train had just rolled out from the junction, when Mr. Bowler discovered that his watch was gone. Mr. Doane was accused to Mr. Bowler at the time he missed the watch, and Mr. Bowler told Mr. Doane had the direction to the gentleman, and immediately seized the defendant and a struggle ensued. Mr. Bowler finally forced forward, separating the two men. Later the missing watch was found in the car, and Mr. Doane was arrested.

The defendant's attorney, J. M. Hamilton, said he did not care to call any witnesses for the defense, as the prosecution had not shown sufficient cause, and that the evidence in the case was circumstantial. He requested that the case be sent to the district court, and asked for his discharge. Attorney Hamilton, when Mr. Doane was arrested, secured the services of Attorney Bennett, who, however, was not present at the hearing. The case will be tried in the district court, and Mr. Doane will be without attorney.
